behavior to me The reason is purification of my soul and pursuing essential thing So poetic language remains a lot of imageries metaphors and symbols Still I have an obligation that I have to remain my writing to my descendants This is the first reason to write these poems because I am a stranger who doesn't know well dominant language English And as a stranger I have a desire to send what my emotions struggles and experiences are as a first generation Secondly I want to send my devotional emotions from in my being and nature So my poems express some spiritual struggles and devotions as a hidden form like metaphor symbol and story Thirdly my style of poem is narrative or story This makes me uncomfortable because I have tried to express with some hidden form of language from my nature and spiritual sight than phenomenon So I have a prayer to recognize what the universal language which would be human's nature to send inner voices is Thanks to all
