THE AUTOBIOGRAPHY OF

**BOB GIBSON**

WITH LONNIE WHEELER

# Stranger To The Game The Autobiography Of Bob Gibson

**Daniel F McAuley**

## **Stranger To The Game The Autobiography Of Bob Gibson:**

*Stranger to the Game* Bob Gibson, Lonnie Wheeler, 1994 An autobiography by one of baseball's greatest pitchers features recollections about his traveling through the south with Willie Mays Black all stars building racial harmony on the Cardinals and more

**Ultimate St. Louis Cardinals Time Machine Book** Martin Gitlin, 2023-05-01 The Ultimate St Louis Cardinals Time Machine presents a timeline format that not only includes the Cardinals greatest moments such as their eleven World Series titles but also such notable Cardinal achievements as Rogers Hornsby's two batting triple crowns Dizzy Dean's 30 win season in 1934 Stan Musial's 17 MLB and 29 NL records Bob Gibson's 1.12 earned run average ERA in 1968 Whitey Herzog's Whiteyball Mark McGwire's single season home run record and the 2011 championship team's unprecedented comebacks The Cardinals have won 105 or more games in four seasons and won 100 or more nine times Cardinals players have won 20 league MVPs four batting Triple Crowns and three Cy Young Awards All these highlights and more comprise this essential book for all fans of the national pastime

**African American Pioneers of Baseball** Lew Freedman, 2007-04-30 When Jackie Robinson became the first African American player in major league baseball in 1947 elbowing aside the league's policies of segregation that had been inviolate for 60 years he became a symbol of opportunity and acceptance for African American players everywhere Robinson withstood discrimination to establish himself as a Hall of Fame player and to lead future generations of black players into the previously all white world of Major League Baseball Written for students and general readers alike this biographical encyclopedia chronicles the history of African American baseball through the life stories of the game's greatest players the legends who played a significant role in the integration of the major league From Negro League stars Satchel Paige and Josh Gibson to color line shatterer Jackie Robinson and those who followed them in the limelight such as Hank Aaron and Willie Mays readers will learn how the inclusion of African American players in Major League Baseball improved the sport and race relations in the United States during this critical period in history Providing detailed accounts of each player's amazing professional achievements this insightful reference describes how the spectacular talents of African American players elevated Major League Baseball forever Features include a timeline of important events numerous photographs and a bibliography of print and electronic sources for further reading

*African-American Sports Greats* David L. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success This is the first comprehensive multi sport biographical dictionary of African Americans who reached the pinnacles of success in their sport It contains more personal and career profiles of African American sports greats than are found in any other single source Biographical profiles of 166 noted athletes coaches and administrators in team and individual sports include both Ristorical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley Ken Griffey Jr Michael Jordan Jackie Joyner Kersee Shaquille O Neal and Emmitt Smith Forty four sports

historians contributed the colorfully written biographies which blend both personal background information and athletic career accomplishments All information is current through the middle of 1995 The dictionary covers the contributions made by African American greats in football baseball basketball track and field boxing wrestling auto and stock car racing golf thoroughbred racing tennis cycling and figure skating More than two thirds of the entries represent team sports The dictionary is organized alphabetically by person Each colorfully written profile is 800 1 000 words in length and traces the subject s personal life family and educational background personal struggles career accomplishments records set statistical data awards and honors and overall impact and features lively quotations by and about the sports luminaries Each entry contains a handy bibliography of books and articles about the subject Biographies of managers coaches and club executives describe their teams statistical achievements accomplishments strategy and sports impact A general introduction traces the historic struggle of African American athletes in professional and Olympic sports and appendices provide alphabetical listings of biographical entries and entries by sport A selection of photos complement the profiles For the sports fan or librarian this is a first stop for biographical information that captures the personality of the athlete and includes all the pertinent information about his or her accomplishments It is an essential addition to the reference sections of junior high high school and public libraries

**A Well-Paid Slave** Brad Snyder,2007-09-25 A captivating look at how center fielder Curt Flood s refusal to accept a trade changed Major League Baseball forever After the 1969 season the St Louis Cardinals traded their star center fielder Curt Flood to the Philadelphia Phillies setting off a chain of events that would change professional sports forever At the time there were no free agents no no trade clauses When a player was traded he had to report to his new team or retire Unwilling to leave St Louis and influenced by the civil rights movement Flood chose to sue Major League Baseball for his freedom His case reached the Supreme Court where Flood ultimately lost But by challenging the system he created an atmosphere in which just three years later free agency became a reality Flood s decision cost him his career but as this dramatic chronicle makes clear his influence on sports history puts him in a league with Jackie Robinson and Muhammad Ali The Washington Post

**The Last Hero** Howard Bryant,2011-05-03 This definitive biography of Henry Hank Aaron one of baseball s immortal figures is a revelatory portrait of a complicated private man who through sports became an enduring American icon Beautifully written and culturally important The Washington Post The epic baseball tale of the second half of the 20th century Atlanta Journal Constitution After his retirement in 1976 Aaron s reputation only grew in magnitude But his influence extended beyond statistics Based on meticulous research and extensive interviews The Last Hero reveals how Aaron navigated the upheavals of his time fighting against racism while at the same time benefiting from racial progress and how he achieved his goal of continuing Jackie Robinson s mission to obtain full equality for African Americans both in baseball and society while he lived uncomfortably in the public eye

**Ain't But a Place** Gerald Lyn Early,1998 This collection of fiction and poetry memoirs and autobiography history and journalism illuminates the African American

experience in St Louis in the nineteenth and twentieth centuries      **St. Louis Cardinals IQ** Larry Underwood, Joel Katte, Pujols Carpenter Wainwright they re all here And so are the greatest legends from Cardinals history Musial Dean Flood Tudor Slaughter McGee Smith Brock Gibson and many more It s your Cardinals IQ the ultimate trivia test that will illuminate once and for all the true level of your fandom The St Louis Cardinals are one of the premiere franchises in all of professional sports To create a book of trivia and history that approaches the same standard of excellence that Cardinals fans have come to expect from their team is no small feat but that s precisely what the author of St Louis Cardinals IQ has done This is the must have Cardinals book of the year Daniel J Brush award winning author of the Sports by the Numbers series      **The Curt Flood Story** Stuart L. Weiss, 2007-06-01 Curt Flood former star center fielder for the St Louis Cardinals is a hero to many for selflessly sacrificing his career to challenge the legality of baseball s reserve system Although he lost his case before the Supreme Court he has become for many a martyr in the eventually successful battle for free agency Sportswriters and fans alike have helped to paint a picture of Flood as a larger than life figure a portrait that unhappily cannot stand closer inspection This book reveals the real Curt Flood more man than myth Flood stirred up a hornet s nest by refusing to be traded from the Cardinals to the Philadelphia Phillies after the 1969 season arguing that Major League Baseball s reserve system reduced him to the status of bondage Flood decided to resist a system in which his contract could be traded without his consent and in which he was not at liberty to negotiate his services in an open market Stuart Weiss examines the man behind the decision exploring the span of Flood s life and shedding light on his relationships with those who helped shape his determination to sue baseball and providing a new perspective on the lawsuit that found its way to the U S Supreme Court Although a superb player Flood was known to be temperamental and sensitive in suing Major League Baseball he transformed his grievances against the Cardinals front office into an attack on how the business of big league ball was conducted Weiss shows that Flood was far from the stereotypical dumb jock but was rather a proud multifaceted black man in a business run by white moguls By illuminating Flood s private side rarely seen by the public he reveals how Flood misled a gullible press on a regular basis and how his 1971 memoir The Way It Is didn t tell it the way it really was Drawing on previously untapped sources Weiss examines more fully and deeply than other writers the complexities of Flood s decision to pursue his lawsuit and demonstrates that the picture of Flood as a martyr for free agency is a myth He suggests why of all the players traded or sold through the years it was Flood who brought this challenge Weiss also explains how Flood s battle against the reserve system cannot be understood in isolation from the personal experiences that precipitated it such as his youth in a dysfunctional home his troubled first marriage his financial problems and his unwavering commitment to the Cardinals The Curt Flood Story is a realistic account of an eloquent man who presented a warm even vulnerable face to the public as well as to friends while hiding his inner furies It shows that Flood was neither a hero nor a martyr but a victim of unique circumstances and his own life      **Lefty and Tim** William C. Kashatus, 2022-06 Lefty and Tim explores the close knit

relationship between pitcher Steve Carlton and catcher Tim McCarver forged in 1965 when they were batterymates with the St Louis Cardinals and culminating in 1980 when the Phillies won their first World Series title

**The Black Stars Who Made Baseball Whole** Rick Swaine, 2005-12-27 For major league baseball the decade following Jackie Robinson's 1947 debut was one of slow yet persistent change Four other black players made their first brief big league appearances that year followed by only two in 1948 and four in 1949 But by the end of 1959 122 black ballplayers had made it to the big leagues Like Robinson their lives were made difficult off the field and on it they dodged beanballs and spikes This book brings attention to the accomplishments of this transitional generation of African American players made up of men like Luscious Luke Easter Sam The Jet Jethroe and Sad Sam Jones many of whom spent years in the minors the Negro leagues or both before getting their shot Chapters on each season from 1947 to 1959 incorporate biographical and career profiles for 25 players who stood out during baseball's integration A final chapter covers the outstanding minor league players who for various reasons never got a real chance to play major league ball Appendices include a roster of black major leaguers from 1947 through 1959 a list of black player firsts and statistics on the year by year population of black players in the majors

*Baseball's Brotherhood Team* Bryan Stevenson, 2018-02-22 In the Book of Genesis when Cain is confronted by God regarding the death of his brother he replies Am I my brother's keeper Within these pages players respond affirmatively to this century's age old question They took stands against prejudice during times in our country when it was not the norm Their courage serves as a model for all of us today These players lived the biblical challenge of loving your neighbor This is the third book by the author of inspirational stories about players from our national pastime Fifteen members of our National Baseball Hall of Fame are here as well as others of lesser fame The examples include 19th century baseball Babe Ruth and Pete Rose Each player was special Each story inspirational

*Freedom's Racial Frontier* Herbert G. Ruffin, Dwayne A. Mack, 2018-03-15 Between 1940 and 2010 the black population of the American West grew from 710 400 to 7 million With that explosive growth has come a burgeoning interest in the history of the African American West an interest reflected in the remarkable range and depth of the works collected in *Freedom's Racial Frontier* Editors Herbert G Ruffin II and Dwayne A Mack have gathered established and emerging scholars in the field to create an anthology that links past current and future generations of African American West scholarship The volume's sixteen chapters address the African American experience within the framework of the West as a multicultural frontier The result is a fresh perspective on western U S history centered on the significance of African American life culture and social justice in almost every trans Mississippi state Examining and interpreting the twentieth century while mindful of events and developments since 2000 the contributors focus on community formation cultural diversity civil rights and black empowerment and artistic creativity and identity Reflecting the dynamic evolution of new approaches and new sites of knowledge in the field of western history the authors consider its interconnections with fields such as cultural studies literature and sociology Some essays deal with familiar places while

others look at understudied sites such as Albuquerque Oahu and Las Vegas Nevada By examining black suburbanization the Information Age and gentrification in the urban West several authors conceive of a Third Great Migration of African Americans to and within the West The West revealed in Freedom's Racial Frontier is a place where black Americans have fought and continue to fight to make their idea of freedom live up to their expectations of equality a place where freedom is still a frontier for most persons of African heritage

**Never These Men** Thomas Porky McDonald, 2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individual's weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In *Never These Men* Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer *Never These Men* fundamentally asks the reader to imagine how it feels to be branded for a singular moment in one's life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer *Never These Men* asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed

**Under the March Sun** Charles Fountain, 2009-03-04 There is nothing in all of American sport quite like baseball's spring training This annual six week ritual whose origins date back nearly a century and a half fires the hearts and imaginations of fans who flock by the hundreds of thousands to places like Dodgertown to glimpse superstars and living legends in a relaxed moment and watch the drama of journeyman veterans and starry eyed kids in search of that last spot on the bench In *Under the March Sun* Charles Fountain recounts for the first time the full and fascinating history of spring training and its growth from a shoestring budget roadtrip to burn off winter calories

into a billion dollar a year business In the early days southern hotels only reluctantly admitted ballplayers and only if they agreed not to mingle with other guests Today cities fight for teams by spending millions in public money to build ever more elaborate spring training stadiums In the early years of the 20th century the mayor of St Petersburg Florida Al Lang first realized that coverage in northern newspapers every spring was publicity his growing city could never afford to buy As the book demonstrates cities have been following Lang s lead ever since building identities and economies through the media exposure and visitors that spring training brings An entertaining cultural history that taps into the romance of baseball even as it reveals its more hard nosed commercial machinations Under the March Sun shows why spring training draws so many fans southward every March While the prices may be growing and the intimacy and accessibility shrinking they come because the sunshine and sense of hope are timeless

**The Boyer Brothers of Baseball** Lew Freedman,2015-01-24 This the story of the seven baseball playing Boyer brothers from western Missouri who signed professional contracts in the 1940s 1950s and 1960s Led by oldest brother Cloyd a pitcher third baseman Ken and third baseman Clete three of the seven brothers reached the majors This book recounts their hardscrabble upbringing and how they fought their way to success Initially discouraged by arm injuries that curtailed his big league career Cloyd became a coach and manager at the minor and major league levels and remained in the game for nearly half a century The most accomplished Ken became a perennial National League All Star and was the 1964 Most Valuable Player In the 1960s he was the face of the St Louis Cardinals and after his playing days ended he returned to manage the team Clete gained prominence as a regular for the American League champion New York Yankees and competed in five World Series before starring in the National League and concluding his career in Japan While they did not make it to the top the other four brothers enrich the story with their own baseball histories and help illustrate how the closeness of the family helped each of them succeed

*The Cooperstown Casebook* Jay Jaffe,2017-07-25 A revolutionary method for electing players to the Baseball Hall of Fame from Sports Illustrated writer Jay Jaffe using his popular and proprietary JAWS ranking system The National Baseball Hall of Fame and Museum tucked away in upstate New York in a small town called Cooperstown is far from any major media market or big league stadium Yet no sports hall of fame s membership is so hallowed nor its qualifications so debated nor its voting process so dissected Since its founding in 1936 the Hall of Fame s standards for election have been nebulous and its selection processes arcane resulting in confusion among voters not to mention mistakes in who has been recognized and who has been bypassed Numerous so called greats have been inducted despite having not been so great while popular but controversial players such as all time home run leader Barry Bonds and all time hits leader Pete Rose are on the outside looking in Now in *The Cooperstown Casebook* Jay Jaffe shows us how to use his revolutionary ranking system to ensure the right players are recognized The foundation of Jaffe s approach is his JAWS system an acronym for the Jaffe WAR Score which he developed over a decade ago Through JAWS each candidate can be objectively compared on the basis of career and peak value to the players at his position who are

already in the Hall of Fame Because of its utility JAWS has gained an increasing amount of exposure in recent years Through his analysis Jaffe shows why the Hall of Fame still matters and how it can remain relevant in the 21st century *The Caribbean Series* Thomas E. Van Hyning,2025-01-24 The Caribbean Series is a unique regional baseball event the oldest of its kind After starting in 1949 and enduring a decade long sabbatical for political reasons in the 1960s it was resurrected in 1970 and continues to this day With seven countries competing the Caribbean Series represents a source of pride for team owners general managers players and fans alike This book presents first hand accounts from over 200 past players and managers including details on 66 CS tournaments With many details presented for the first time in English this history presents the exciting Latin American baseball event in rich historical and personal context **The Big Time** Michael MacCambridge,2023-10-10 Indispensable history Sally Jenkins bestselling author of *The Right Call* A captivating chronicle of the pivotal decade in American sports when the games invaded prime time and sports moved from the margins to the mainstream of American culture Every decade brings change but as Michael MacCambridge chronicles in *THE BIG TIME* no decade in American sports history featured such convulsive cultural shifts as the 1970s So many things happened during the decade the move of sports into prime time television the beginning of athletes gaining a sense of autonomy for their own careers integration becoming at least within sports more of the rule than the exception and the social revolution that brought females more decisively into sports as athletes coaches executives and spectators More than politicians musicians or actors the decade in America was defined by its most exemplary athletes The sweeping changes in the decade could be seen in the collective experience of Billie Jean King and Muhammad Ali Henry Aaron and Julius Erving Kareem Abdul Jabbar and Joe Greene Jack Nicklaus and Chris Evert among others who redefined the role of athletes and athletics in American culture The Seventies witnessed the emergence of spectator sports as an ever expanding mainstream phenomenon as well as dramatic changes in the way athletes were paid portrayed and packaged In tracing the epic narrative of how American sports was transformed in the Seventies a larger story emerges of how America itself changed and how spectator sports moved decisively on a trajectory toward what it has become today the last truly big tent in American culture Play Harder Gerald Early,National Baseball Hall of Fame,2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson s breaking of the color barrier up to today s game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America s sense of itself with its identity than baseball No sport has been so inextricably bound with America s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 *Play Harder* comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the

effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today

Right here, we have countless book **Stranger To The Game The Autobiography Of Bob Gibson** and collections to check out. We additionally allow variant types and in addition to type of the books to browse.
