**Gender Perspectives in Indian Context** Dipak Giri, 2021-02-11 Today gender studies as an interdisciplinary academic field has gained much momentum in India Contrary to conventional idea that a person born either as a boy or a girl must conform to his or her sex in his or her growth dress and behaviour modern Indian outlooks have rather started changing with the fast approaching new gender free world crowded with agender bigender genderfluid genderqueer non binary and third gender people against conventional gender binary male and female Last few years apart from schemes for women's security and empowerment have also seen the announcement of many welfare schemes for the health and well being of third gender people of India and decriminalisation of homosexuality from Indian soil With same spirit the present anthology is an endeavour to shed some light on the glaring issues of rape abuse discrimination exploitation and violence arising out of gender essentialism in Indian context The anthology with an aim to serving larger sections of humanity covers twenty seven multidisciplinary articles hardly missing any aspect untouched from this field of study in Indian context

Quill & Quire, 2004 *Canadian Books in Print. DeKeseredy, Stuart Cowan, Martin D. Schwartz, 2023-10-02 Skating on Thin Ice exposes the culture of toxic masculinity in professional hockey and suggests how sport and society can change the narrative on sexual assault and violence Why is it that professional sports and notably hockey remain a bastion for rape culture and violence against women What are the conditions that allow a culture of toxic masculinity to persist despite awakenings elsewhere in society What is the path forward and how do we make officials coaches and athletes accountable Drawing on decades of award winning sociological research and sports journalism

Walter S DeKeseredy Martin D Schwartz and veteran sportswriter Stu Cowan find answers to these questions in *Skating on Thin Ice* The book examines the abusive misogynistic racist and homophobic behaviors found in professional hockey and explains the larger societal forces that perpetuate and legitimate these harms Confirming a recent federal government inquiry into Hockey Canada s handling of sexual assault allegations the book reveals that young men enter the NHL and other revenue generating hockey leagues already trained and primed to treat women as objects and often to commit violent acts against them Rooted in the authors work in the sports world as well as their work with activists and governments *Skating on Thin Ice* doesn t just highlight the problem of hockey and rape culture it also provides collaborative solutions for fixing it *Border/lines* ,1987 *Canadian Periodical Index* ,1965 **The Advocate** ,2004-03-02 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Francophone Women Film Directors* Janis L.
