## **T R A I N Up The Children:**

*Train Up a Child* Rolf Zettersten, 1991 Over godsdienstige opvoeding van kinderen      **Train Up a Child** Lemond Harris, 2001-06-24 This book is an instructional manual for parents and those who want to become parent The book takes Biblical principals and apply them to parenting issues      Train up a Child in the Way He Should Go . . . Lora T. Coleman, 2016-07-05 It is written And Adam knew Eve his wife and she conceived and bare Cain and said I have gotten a man from the LORD Genesis 4 1 It is also written And he lifted up his eyes and saw the women and the children and said Who are those with thee And he said The children which God hath graciously given thy servant Genesis 33 5 Granted the Bible doesn't go on to say Then Adam knew Eve his wife again and she bare Paula or Barbara or Stephanie or Lisa However since man has not proven otherwise it's evident that children come from God And according to Psalm 127 3 children are a heritage of the Lord and that the fruit of the womb is his reward Now toy companies car manufacturers and electronic engineers all provide instructions for taking care of and repairing their products Is it not reasonable to believe that God the Creator and Ruler of the universe would do as much and more in giving the gift of life This is second book of a series is a collaboration of chapters taken from the authors original book entitled Let Integrity and Uprightness Preserve Me It was written to give all parents grandparents and anyone caring for children Gods instructions on how to bring these amazing little human beings up in the way they should go in the love and admonition of the Lord and all for the glory of God      **Train Up a Child** Thomas G. Kay (Sr.),      **To Train Up a Child** Michael Pearl, Debi Pearl, 2015-05 To Train Up a Child first published in 1994 began as a letter to a homeschool mother in answer to her question How did you train your children to be so happy and obedient Mike did not consider himself to be an author nor did Debi possess the means or the knowledge to publish a book They realized that it was a big subject that could not be put into a few pages so they wrote a book Friends and neighbors were consulted gleaning their views and methods of child training They analyzed how they were influenced by the traditions they inherited from their parents and they looked at the methods that were unique to their family Friends and members of their church periodically read and critiqued the manuscript as it grew to book size Twenty one years later To Train Up a Child has sold over 1 2 million copies in twelve languages TTUAC has been on Amazon's best seller list several times This new book has added chapters and several updates Mike and Debi have received tens of thousands of letters of gratitude and been approached by thousands of young people thanking them for their influence in the way they were raised their parents having implemented the principles expressed in TTUAC Mike and Debi are humbled to have played a part in so many young people's lives There has been no editing to modify their stance on spanking To the contrary due to the media attacks they have expanded and strengthened their arguments for traditional biblical child training There are now more than a million TTUAC books circulating in the United States that will continue to stand for traditional biblical parenting      Train Up a Child in the Way He Should Go... Gloria Huntington, 2019-12-14 This 90 day nightly bible study and prayer book is written expressly to

inspire new or new in the faith Christian parents Psalm 119 is in the middle of the bible it is the longest chapter in the bible It is full of wisdom teaching us to love God s law to write it on our hearts and to write it on the palms of our hands Repetition is key to learning God s laws so when your children are grown they will not forget it because they have repeated it so many times This is crucial for your children so when they are away from you and are afraid worried or concerned they have the comfort of the Word of God to rely on Each day of teaching begins with a scripture directly from King James Bible Online org text then it has a summary from me Next there are prayers for you to share with your children so both of you are praying There is a line for suggestion of using your child children s names in the prayer At the end of the prayer we pray daily for our leaders and first responders to protect them as God asks us to do After the prayer there is a question and discussion topic for you to encourage better understanding of the scripture and the prayer Inside the middle watermark there is a little extra suggestions or poems for enhancing bedtime prayers with fun ways to interact together It is with the utmost hope and love I write these prayers for you and your children Repetition is necessary to forge the bridge of safety of God s Word Be consistent and they will look forward to prayer time each night God bless You **Words of Wisdom** Holly Ironfield,2008-08

As a young writer I ask myself this question how many people out there lack wisdom and encouragement How many people do not know what the wisdom of the Lord is There are so many people in life who are struggling and are not sure which way to turn There are those who are hurting and discouraged who need God s healing touch There are those who need to be uplifted in God s word The good news is there is hope in this life in which we live You can live in total victory In this poem book there is words of wisdom You will find words of encouragement for different situations in your life With God you can do all things through Christ who gives you strength There is nothing to big for God For even your greatest pain he can surely take My name is Holly Ironfield I am 23 years old I was born and raised in Akron Ohio I graduated from High School in 2004 I am happily married to my husband Josh and have been blessed with my 3 year old son Landon I accepted Jesus as my Savior when I was 10 years old in 1995 I love Jesus with all of my heart I go to church and love to serve at the church that we attend I enjoy talking to people about Jesus and the great things that he has done in my life I enjoy encouraging people in their walk with Jesus and praying for them I also enjoy sharing the free gift of salvation with others Jesus strongly spoke to my heart and placed a deep desire in my heart about writing this poem book [Train Up a Child](#) Darnell Zollinger Jeffs,1983
