Tableware In Clay From Studio And Workshop:

Tableware in Clay from Studio and Workshop Karen Ann Wood,1999 The use of clay as a material for decorative and functional pieces has been widespread from earliest times in those areas fortunate enough to be rich in the necessary raw materials Clay s flowering into tableware however is relatively recent In Tableware in Clay potter and teacher Karen Ann Wood explores the creation and use of tableware from the earliest simple pots to some of the stunning pieces crafted by contemporary studio artists Throughout she celebrates the variety of shapes colors and uses of clay tableware as she explores the materials and techniques employed in their making Profusely illustrated with color photographs this is a book that will be welcomed by both aspiring and experienced ceramists **Clay** Suzanne Staubach,2013-09-03 More than a third of the houses in the world are made of clay Clay vessels were instrumental in the invention of cooking wine and beer making and international trade Our toilets are made of clay The first spark plugs were thrown on the potter s wheel Clay has played a vital role in the health and beauty fields Indeed this humble material was key to many advances in civilization including the development of agriculture and the invention of baking architecture religion and even the space program In Clay Suzanne Staubach takes a lively look at the startling history of the mud beneath our feet Told with verve and erudition this story will ensure you won t see the world around you in quite the same way after reading the book Ceramics Monthly ,2005 The Circulation of Elite Longquan Celadon Ceramics from China to Japan Meili Yang,2018-07-31 Chinese Longquan celadon a type of green glazed ceramic is one of the most famous branded and trade products particularly during the 13th and 14th centuries Its archaeological and historical materials possess multiple attributes with plentiful cultural information The objective of the present book is to vivify these materials and provide readers and researchers a broader perspective and additional methodologies to review and gain a new and more profound understanding of Longquan celadon The first part of this book focuses on elite Longquan celadon in Chinas Southern Song SS 11271278 and Yuan 12711368 periods and sets out to answer unresolved questions How did Longquan potters elevate their products artistic quality from regional and popular acclaim to elite art and create their products brand and successful marketing What was the ceramics technological particularity that brought about its achievement as the commercial version of SS Guan Imperial ware Why did its style change and why did the production center shift after the end of the Southern Song period In addressing these issues the author explores the contemporary social atmosphere and local ecological environment The second part focuses on elite Longquan celadon products as imports in medieval Japan Beginning with the late Kamakura period 11921333 via the Muromachi shogunate 13921573 to the Edo 16031868 periods an extensive time span elite Longquan celadon ware circulated widely within elite class communities and Zen temples These products played a crucial role in shaping medieval Japanese culture bringing to the fore issues such as the Japanese manner of adopting Chinese Song and Yuan culture and more generally cross cultural transmission from China to Japan **Subject Guide to Books in Print** ,1991 Listening to

Clay Alice North, Halsey North, Louise Allison Cort, 2022-06-14 The first book to tell the stories of some of the most revered living Japanese ceramists of the century tracing the evolution of modern and contemporary craft and art in Japan and the artists considerable influence which far transcends national borders *Listening to Clay Conversations with Contemporary Japanese Ceramic Artists* is the first book to present conversations with some of the most important living Japanese ceramic artists Tracing the evolution of modern and contemporary craft and art in Japan this groundbreaking volume highlights sixteen individuals whose unparalleled skill and creative brilliance have lent them an influence that far transcends national borders Despite forging illustrious careers and earning international recognition for their work these sixteen artists have been little known in terms of their personal stories Ranging in age from sixty three to ninety three they embody the diverse experiences of several generations who have been active and successful from the late 1940s to the present day a period of massive change Now sharing their stories for the first time in *Listening to Clay* they not only describe their distinctive processes inspirations and relationships with clay but together trace a seismic cultural shift through a field in which centuries old but exclusionary potting traditions opened to new practitioners and kinds of practices *Listening to Clay* includes conversations with artists born into pottery making families as well as with some of the first women admitted to the ceramics department of Tokyo University of the Arts telling a larger story about ingenuity and trailblazing that has shaped contemporary art in Japan and around the world Each artist is represented by an entry including a brief introduction a portrait selected examples of their work and an intimate interview conducted by the authors over several in person visits from 2004 to 2019 At the core of each story is the artist s personal relationship to clay often described as a collaboration with the material rather than an imposing of intention The oldest artist interviewed Hayashi Yasuo enlisted in the army during WWII at age fifteen and trained as a kamikaze pilot He was born into a family that had fired ceramics in cooperative kilns for generations but he rejected traditional modes and went on to be the first artist in Japan to make truly abstract ceramic sculpture In the late 1960s another artist Mishima Kimiyo developed a technique of silkscreening on clay and began making ceramic newspapers to comment on the proliferation of the media She became fascinated with trash recreating it out of clay and worked in relative obscurity for decades until she had a major exhibition in Tokyo in 2015 Featuring a preface by curator writer and historian Glenn Adamson and a foreword by Monika Bincsik the Associate Curator for Japanese Decorative Arts at The Metropolitan Museum of Art *Listening to Clay* has been a project more than fifteen years in the making for authors Alice and Halsey North respected and knowledgeable collectors and patrons of contemporary Japanese ceramics and Louise Allison Cort Curator Emerita of Ceramics National Museum of Asian Art Smithsonian Institution The book also includes conversations with five important dealers of contemporary Japanese ceramics who have played and are playing a critical role in introducing the work of these artists to the world several detailed appendices and a glossary of terms relevant people and relationships *Listening to Clay* is a long overdue and insightful book that for the first time spotlights some of Japan s most

celebrated contemporary ceramic artists through personal idiosyncratic accounts of their day to day lives giving special access to their creative process and artistic development *Bruno Ninaber Van Eyben* Wim Crouwel, Bruno Ninaber van Eyben, Ed van Hinte, 2002 Through classic powerful black and white photographs most of which were taken specifically for this book attention is not only paid to Ninaber's products but also his vision mentality inspirations and fascinations The Craft and Art of Clay Susan Peterson, Jan Peterson, 2003 Widely considered to be the most comprehensive introduction to ceramics available this book contains numerous step by step illustrations of various ceramic techniques to guide the beginner as well as inspirational ceramic pieces from contemporary potters from around the world For the more experienced ceramist there is a wealth of technical detail on things like glaze formulas and temperature conversions which make the book an ideal reference To quote one review I am a studio potter and would not be without it The fourth edition has been updated to include profiles of key ceramists who have influenced the field new material on marketing ceramics including using the internet more on the use of computers added coverage of paperclays using gold and alternative glazes **Porcelain** Jack Doherty, 2002-06-27 Lucius is a triple threat of vocal harmonies infectious hooks and dance inducing percussion Charismatic co founders and lead vocalists Jess Wolfe and Holly Laessig sing in unison two voices as one uniquely delivering songs with stories told from the same perspective Multi instrumentalists Andrew Burri Peter Lalish and Dan Molad round out the stylish Brooklyn based quintet New Wave Clay Tom Morris, 2018 New Wave Clay unpicks the zeitgeist and aesthetic of an exciting discipline with intelligence insight and indulgence Against the backdrop of the digital age and shiny screens a whole new generation of craftspeople designers and artists are realizing the pleasure of working with clay and bringing a fresh perspective to the material Today there is a lively crossover between craft design sculpture and technology that is rethinking ceramics what you can make with it what it looks like and who makes it New Wave Clay is a global survey of 55 imaginative ceramicists that are leading this craft revival They include classically trained potters who create design led pieces product designers who use clay as a means of creative expression as well as fine artists architects decorators illustrators sculptors and graphic designers Their collective output goes far beyond pots into ceramic furniture sculpture murals wall reliefs small scale architecture and 3D printing The book is divided into four thematic sections and features special contributions from Edmund de Waal Hella Jongerius Grayson Perry Martin Brudnizki and Sarah Griffin discussing craft industry ornament decorating and collecting New Wave Clay is an image led dynamic study of the exciting new generation jumpstarting this age old art Features A 296 page survey of 55 international ceramicists who bridge the worlds of product design interiors fine art and luxury craftsmanship Four thematic chapters are accompanied by interviews and written contributions on the subject from designers decorators and collectors Richly illustrated New Wave Clay is an image led dynamic book that aims to demonstrate the contemporary condition of this age old art Instead of focusing on traditional craft ware and functional pieces this title focuses on the community of ceramicists who create design led works
