Taboos In Criminology:

Taboos in Criminology Edward Sagarin,1980-11 *Criminological Perspectives on Race and Crime* Shaun L. Gabbidon,2010-02-25 Ideal for use in either crime theory or race and crime courses this is the only text to look at the array of explanations for crime as they relate to racial and ethnic groups Each chapter begins with a historical review of each theoretical perspective and how its original formulation and more recent derivatives account for racial ethnic differences The theoretical perspectives include those based on religion biology social disorganization strain subculture labeling conflict social control colonial and feminism This new Second Edition includes discussions of Deadly Symbiosis critical race theory criminology comparative conflict theory maximization and abortion race and crime In the closing chapter the author considers which perspectives have shown the most promise in the area of race ethnicity and crime **Criminological Theories** Ronald L. Akers,2013-07-04 In *Criminological Theories* the noted criminologist Ronald Akers provides thorough description discussion and appraisal of the leading theories of crime delinquent behavior and law criminal justice the origin and history of each theory and its contemporary developments and adherents Akers offers a clear explanation of each theory the central concepts and hypotheses of each theory as well as critical criteria for evaluating each theory in terms of its empirical validity Researchers and librarians as well as general readers will find this book a very useful tool and will applaud its clear and understandable exposition of abstract concepts *Cultural Criminology Unleashed* Jeff Ferrell,Keith Hayward,Wayne Morrison,Mike Presdee,2016-04-15 First published in 2004 Routledge is an imprint of Taylor Francis an informa company *The Criminology of Criminal Law* William Laufer,2017-07-05 *The Criminology of Criminal Law* considers the relation between criminal law and theories of crime criminality and justice This book discusses a wide range of topics including the way in which white collar crime is defined new perspectives on stranger violence the reasons why criminologists have neglected the study of genocide the idea of boundary crossing in the control of deviance the relation between punishment and social solidarity the connection between the notion of justice and modern sentencing theory the social reaction to treason and the association between politics and punitiveness Contributors include Bonnie Berry Don Gottfredson David F Greenberg Marc Riedel Jason Rourke Kip Schlegel Vered Vinitzky Seroussi Leslie T Wilkins Marvin E Wolfgang and Richard A Wright *The Criminology of Criminal Law* concludes with an analysis of the results of a study on the most cited scholars in the *Advances in Criminological Theory* series This work will be beneficial to criminologists sociologists and scholars of legal studies *Advances in Criminological Theory* is the first series exclusively dedicated to the dissemination of original work on criminological theory It was created to overcome the neglect of theory construction and validation in existing criminological publications **Encyclopedia of Criminology** J. Mitchell Miller,Richard A. Wright,2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic

field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field Criminology and Penology John Lewis Gillin, 1926 **Introduction to Criminology** Frank E. Hagan, Leah E. Daigle, 2023-02-28 Recipient of the 2024 Textbook examine various forms of criminal activity such as organized crime white collar crime political crime and environmental crime the effects on society and policy decisions and the connection between theory and criminal behavior

Theories of Delinquency Donald J. Shoemaker, 2010 Surveys the major theoretical approaches to understanding delinquent behavior both biological and psychological It features careful explanations of the major theories and analyzes each theory's underlying assumptions the important concepts behind it and finally the critical evaluations of the research associated with each theory presented The Myth of the Queer Criminal Jeffery Dennis, 2017-10-19 The Myth of the Queer Criminal documents over a century of writings by sociologists psychologists criminologists and forensic scientists in Europe and the United States who asserted that LGBT persons were innately and uniquely criminal Applying the tools of narratology and queer theory Jeffery P. Dennis examines the ten types of queer criminal that have appeared in seminal texts both literary and scientific over the past 140 years beginning with Lombroso's Criminal Man 1876 and extending to postmodern criminologists and contemporary textbooks Each type is named after its defining characteristic The pederast for example was believed to be a master criminal leading vast criminal empires The degenerate intellectually and morally corrupted was perceived as a symptom or cause of societal decay The silly lisping pansy was a figure of ridicule rather than of dread The traitor was murderous and depraved prepared to destroy democratic institutions worldwide The book aims to contextualize this mythology revealing the motivations of the agents behind it the influence of broader preoccupations and anxieties of the age and its societal political and cultural impact This carefully researched meticulously written history of the queer criminal will be of interest to students and researchers in criminology gender studies queer studies and the history of sexuality
