Marsalis On Music Wynton Marsalis,1995-09-05 A manual that uses examples from jazz greats to teach the fundamentals of jazz the elements of improvisation Includes a CD Cultivating Excellence Darryl Cross,William Cross,2017-05-16 Why and how do world class leaders and great performers consistently beat their competition They realize they cannot go it alone They use teams and coaches to amplify their results Many performers who have already surmounted exceptional tests and challenges and have succeeded in business sports the military or the arts well beyond their peers think performance is only up to the individual Many become frustrated when hours of hard work years of experience and expensive educations don't lead them to the top of their domain They are already among the best but they want to be the best The elite realize there is only so much they can do on their own to achieve that status They understand they need coaches colleagues and competitors to provide the collaboration and competition that serves as a constant push to keep forward momentum going toward attaining that next level In *Cultivating Excellence* Darryl Cross uses thirty years of experience to show top performers that the key to continued enhancement of performance and success is an exceptional coach and team They guide the elite performers to see situations and challenges in new ways art to perfect their craft to the nth degree science and to commit to deliberate practice that eliminates performance gaps grit and puts the summit within reach *Bowker's Complete Video Directory*,2000 **The New York Times Guide to the Best Children's Videos** Kids First!,1999-11 The only guide you'll need for choosing the best videos and CD ROMs for your family INCLUDES More than 1000 entries of kid tested and adult approved videos currently available Listings organized by age from infancy to adolescence as recommended by child development specialists A wide range of categories with special attention to gender and ethnicity Educational Instructional Fairy Tales Family Literature and Myth Special Interest Foreign Language Holiday Music How To and Nature Review ratings in a clear easy to read format Evaluations by panels of adults and children Outstanding programs from independents and major studios Ordering information running times and suggested retail prices Evaluations of more than 100 CD ROMs 500 recommended feature films for the family and more *Life, Liberty, and Happiness* Marlin Roehl,2019-12-03 Greek drama is as relevant today as ever it is high energy and archetypal Dramatic arts motivate and engage students kinaesthetically visually and linguistically and Greek drama provides a rich framework for language arts and comparative literary studies Sophocles Oedipus Rex correlates nicely with Plato's epistemological guidance in the art and discipline of thought and self study Life Liberty and Happiness Oedipus Rex and Plato at the Crossroads provides multifaceted mirror studies of the Self that illustrate the Greek genius for ethical agency and remind readers that in the end character is the greatest art form Here and there cross cultural references evoke and develop themes about the overarching unity of humanity and the virtues of democracy In addition to literary and philosophical analyses background information and diverse classroom lessons are included **The New Grove Dictionary of Jazz** Barry Dean Kernfeld,2002 **The Teaching of Instrumental Music**

Richard J. Colwell, Michael P. Hewitt, 2017-10-12 *The Teaching of Instrumental Music Fifth Edition* introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program presenting first the history and foundations followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV, and V are devoted to the skills and techniques of woodwind, brass, and percussion and string instruments. In all, *The Teaching of Instrumental Music* is the complete reference for the beginning instrumental teacher commonly retained in a student's professional library for its unique and comprehensive coverage.

NEW TO THIS EDITION: Revision and updating of curriculum developments such as coordinating State Department of Education student learning objectives with the recent Every Student Succeeds Act (ESSA). New discussion of the NAfME National Standards as they relate to the teaching of instrumental music. Revamping of rehearsing instrumental ensembles chapters including new or expanded sections on programming, choosing quality music, and applying successful rehearsal techniques. Updates on references plus new discussion questions and websites and internet links. A chapter devoted to classroom guitar. Updates on the use of technology for teaching and learning music. More on healthy performance practice, marching band, and jazz band. Online materials located in the eResources section on the Routledge website.
