Tahoe Place Names The Origin And History Of Names In The Lake Tahoe Basin:

Tahoe Place Names Barbara Lekisch, 1988 Contains old names Washoe Indian names and the diary of Charles Preuss from January and February 1844 Fremont's second expedition to the Far West Fremont and Preuss were the first white men to see Lake Tahoe on February 14 1844 With photos of portions of seven early maps Lake Tahoe Basin, Heavenly Ski Resort Master Plan, Regional Plan for the Lake Tahoe Basin Management Unit, Douglas County [NV], El Dorado County [CA], Alpine County [CA], 1996

Lake Tahoe Peter Goin, 2012 Lake Tahoe's legendary scenic beauty is witnessed annually by millions of visitors While the lake's first sighting in 1843 by a nonnative was made from a mountain peak the lake's maritime history began a scant seven years later Although most of the early steamers were designed for industrial use the sight of a boat venturing out into the vast deep blue expanse of Lake Tahoe attracted the attention of residents and visitors alike After the inevitable decline of extractive industries tourism became the main economic engine in Lake Tahoe The steamer era and the evolution of wooden boat racing are celebrated today by the romantic races of the two paddle wheelers and the annual Concours d'Elegance boat show

Saving Lake Tahoe Michael J. Makley, 2014-03-14 The history of Lake Tahoe begins with the Washoe Indians who resided on its shores for thousands of years with minimal impact on the landscape The relatively brief American history at Lake Tahoe began in the mid nineteenth century Though awestruck by its beauty the new arrivals were also intent on harvesting its abundant resources In a mere half century the basin's forests and fisheries were destroyed the lake's pristine clarity dramatically reduced Left alone nature healed itself and by the 1960s mature forests once again surrounded the lake and its water clarity improved with visibility more than one hundred feet deep However Tahoe's wonders brought a new kind of threat millions of annual visitors and incessant development including ski resorts and casinos Saving Lake Tahoe looks at the interaction through the years between human activities and Tahoe's natural ecosystems It is a dramatic story of ecological disasters and near misses political successes and failures Utilizing primary sources and interviews with key figures Makley provides a meticulously researched account of the battles surrounding the management of the Tahoe basin Makley takes the story up to the present describing the formation and evolution of a new type of governing body the bistate Tahoe Regional Planning Agency and groundbreaking efforts to utilize science in establishing policy He depicts the passionate fights between those who seek to preserve the environment and advocates of individual property rights Although Tahoe remains unique in its splendor readers will understand why with continued pressure for development reversing environmental deterioration and improving the lake water's clarity remain elusive goals

John Muir, in His Own Words John Muir, 1988 The best of John Muir 332 quotations the distillation of his thought the essence of his beliefs Muir was the foremost conservationist of his time nature writer social critic realist a romantic a visionary A long needed collection that features an excellent subject index Painstaking bibliographic references make this an invaluable addition to one's Muir Library Yosemite Association If asked for a succinct statement of his beliefs Muir might

have replied *Lake Tahoe* Sara Larson,2008 Lake Tahoe has hosted a variety of visitors and residents through the years from the early days of Washoe settlements to rough logging camps to today s extravagant resorts When early settlers arrived after John C Fremont s 1844 expedition they would come by train to Truckee and then by wagon or narrow gauge rail to Tahoe City Over time majestic resorts began to dot the lakeshore such as the Tahoe Tavern which included a ski hill golf course stables movie theater and bowling alley Summer residents often extended their stays until many lived here year round The lake gained fame during the 1960 Winter Olympics and fast growth followed in these sleepy mountain towns

Emerald Bay and Desolation Wilderness Peter J. Goin,2018 Emerald Bay sparkles as a diamond within the jeweled landscape known as Lake Tahoe Designated a California State Park in 1953 and a National Natural Landmark in 1968 Emerald Bay is one of the most photographed landscapes in the Sierra featuring California s first underwater park dramatic Eagle Falls and Lake Tahoe s only boat in camp Vikingsholm nestled within the southwestern edge of the bay is a 38 room mansion that is a dramatic example of historic Scandinavian architecture A small stone teahouse steeped in fanciful lore is perched atop Emerald Bay s Fannette Island The Desolation Wilderness established in 1969 is one of the most popular wilderness designated areas in the United States The geographic area of the wilderness is just less than 100 square miles includes 130 lakes scattered throughout the alpine topography and contains countless waterfalls and streams intersecting the hiking trails and granite landscapes Crow's Range David Beesley,2017-04-04 John Muir called it the Range of Light the most divinely beautiful of all the mountain chains I ve ever seen The Sierra Nevada a single unbroken mountain range stretching north to south over four hundred miles best understood as a single ecosystem but embracing a number of environmental communities has been the site of human activity for millennia From the efforts of ancient Native Americans to encourage game animals by burning brush to create meadows to the burgeoning resort and residential development of the present the Sierra has endured and often suffered from the efforts of humans to exploit its bountiful resources for their own benefit Historian David Beesley examines the history of the Sierra Nevada from earliest times beginning with a comprehensive discussion of the geologic development of the range and its various ecological communities Using a wide range of sources including the records of explorers and early settlers scientific and government documents and newspaper reports Beesley offers a lively and informed account of the history environmental challenges and political controversies that lie behind the breathtaking scenery of the Sierra Among the highlights are discussions of the impact of the Gold Rush and later mining efforts as well as the supporting industries that mining spawned including logging grazing water resource development market hunting urbanization and transportation the politics and emotions surrounding the establishment of Yosemite and other state and national parks the transformation of the Hetch Hetchy into a reservoir and the desertification of the once lush Owens Valley the roles of the Forest Service Park Service and other regulatory agencies the consequences of the fateful commitment to wildfire suppression in Sierran forests and the ever growing impact of tourism and recreational

use Through Beesley's wide ranging discussion John Muir's divinely beautiful range is revealed in all its natural and economic complexity a place that at the beginning of the twenty first century is in grave danger of being loved to death Available in hardcover and paperback **Moon Tahoe** Ann Marie Brown, 2015-11-24 California outdoors expert Ann Marie Brown provides you with the essential details needed to discover all of the can't miss sights attractions and restaurants in and around Tahoe Ski Squaw Valley's renowned slopes hibernate in a cozy South Shore cabin dine in Tahoe City or hike the Tahoe Rim Trail Brown will help you maximize your time with her insider's tips no matter which of Tahoe's offerings you choose to take advantage of Including creative trip ideas for a variety of travelers such as Top Picks for Families The Nonskier's Winter Wonderland and The Adrenaline Junkie Moon Tahoe gives travelers the tools they need to create a more personal and memorable experience **Nevada Historical Society Quarterly** Nevada Historical Society, 2008
