Tajiki Textbook And Reader:

Tajiki Textbook and Reader Michael Craig Hillmann, 2000 *Tajiki Textbook and Reader* Michael Craig Hillmann, 2003 **A Beginners' Guide to Tajiki** Azim Baizoyev, John Hayward, 2006-05-02 This is a conversational approach to the teaching and learning of the Tajiki language. It uses authentic language material to help learners as they proceed through its topic based lessons. Its emphasis on the spoken language promotes oral fluency alongside written skills. Both lessons and appendices present new vocabulary and grammar simply and recycle material to provide opportunities for both controlled and free language learning. The appendices include not only lists of useful information and samples of commonly needed letters and speeches but also an invaluable introduction to Tajiki grammar and a comprehensive Tajiki English dictionary of all the book's vocabulary over 4500 definitions.

The A to Z of Iran John H. Lorentz, 2010-04-14 Iran is a country with a deep and complex history. Over several thousand years Iran has been the source of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of material culture. The special place that Iran has come to hold in contemporary historical events most recently as a center stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism is all the more reason to explore the characters and personality of Iran and Iranians. The A to Z of Iran is designed to give the reader a quick and understandable overview of specific events, movements, people, political and social groups, places and trends. Through its extensive chronology, introduction, bibliography, appendixes and more than double the number of cross referenced dictionary entries as in the previous edition, the work allows for considerable exploration of a number of historical and contemporary topics and issues. In particular, the modern period defined as 1800 present is covered extensively.

Tajikistan's National Epics Sadriddin Ayni, 2023-09-22 Sadriddin Ayni 1878-1954 was a Tajik intellectual regarded by many as one of the most important writers in the country's history. This book provides a translation of two historical monographs by Ayni: *Is yoni Muqanna Muqanna's Rebellion* and *Qahramoni Khalqi Tojik* Temurmaliq. The Tajik People's Hero Temur Malik. These works tell the story of two great Tajik heroes who fought against the Arabs and the Mongols. Besides the translations, the book discusses Ayni's life and work, highlighting his role especially through these two monographs in awakening and strengthening Tajik national consciousness. In addition, the book provides detailed background information on the historical events portrayed in the epics.
