Take Murder:

Murder's Take Ellen M. Morrison, 2000-12 Dr Patricia Peterson a promising young archeology professor at Berkeley has made an astounding discovery an unspoiled tomb in the Valley of the Kings She and her academic partner Dr Roberta Burns are just tidying up the details of the dig with Egypt's Department of Antiquities when Pat must fly home to Palo Alto California for her sister's wedding On the eve of her return to Egypt a violent stormy night Roberta lands on the doorstep of Pat's brother's home demanding Pat's half to the combination for the locked gate to the tomb Pat refuses A struggle ensues complicated by the loyal intervention of Pat's sheepdog Sam leaving Pat dying Sam injured and Roberta without the combination Sam dog the welcome guest of Pat's brother and family and the unwelcome pest of the family cat Samantha must not only recover from his wounds and accept the death of his master but overcome his hatred and mistrust for Samantha the cat Sam cat too must swallow her distaste for the canine species become Sam dog's partner and communicate Roberta's treachery to her human family before Roberta returns putting what is left of her family in danger [A manual of Buddhism, in its modern development](#) Robert Spence Hardy, 2025-07-23 Reprint of the original first published in 1880 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *A Manual of Buddhism, in its modern development; translated from Singhalese MSS.* Robert Spence Hardy, 1853 *The Moral Wager* Malcolm Murray, 2007-05-05 In the following chapters I offer an evolutionary account of morality and from that extrapolate a version of contractarianism I call consent theory Game theory helps to highlight the evolution of morality as a resolution of interpersonal conflicts under strategic negotiation It is this emphasis on strategic negotiation that underwrites the idea of consent Consent theory differs from other contractarian models by abandoning reliance on rational self interest in favour of evolutionary adaptation From this more emphasis will be placed on consent as natural convergence rather than consent as an idealization My picture of contractarianism then ends up looking more like the relativist model offered by Harman rather than the rational or pseudo rational model offered by Gauthier let alone the Kantian brands of Rawls or Scanlon So at least some of my discussion will dwell on why it is no loss to abandon hope for the universal categorical morality that rational models promise In the introduction I offer the betting analogy that underwrites the remaining picture There are some bets where the expected utility is positive though the odds of winning on this particular occasion are exceedingly low In such cases we cannot hope to give an argument that taking the bet is rational The only thing we can say is that those predisposed to take this kind of bet on these kinds of occasions will do better than those with other dispositions so long as such games occur often enough **The Atlantic Reporter**, 1927 *Murder's a Swine* Nap Lombard, 2021-12-07 I should imagine this was murder too because it would be very difficult to build yourself into a heap of sandbags and then die In the blackout conditions of a wintry London night amateur sleuth Agnes Kinghof and a young air raid warden have stumbled upon a corpse

stowed in the walls of their street s bomb shelter As the police begin their investigation the night is interrupted once again when Agnes upstairs neighbour Mrs Sibley is terrorised by the sight of a grisly pig s head at her fourth floor window With the discovery of more sinister threats mysteriously signed Pig sticker Agnes and her husband Andrew unable to resist a good mystery begin their investigation to deduce the identity of a villain living amongst them in their block of flats A witty and light hearted mystery full of intriguing period detail this rare gem of Golden Age crime returns to print for the first time since its publication in 1943 This edition includes an Introduction by award winning author Martin Edwards Pennsylvania County Court Reports, Containing Cases Decided in the Courts of the Several Counties of the Commonwealth of Pennsylvania Pennsylvania.
