Temple Scroll:

Temple Scroll and Related Texts Sidnie White Crawford, 2000-05-01 The Temple Scroll and Related Texts one of the series Companion to the Qumran Scrolls is a comprehensive roadmap to the Temple Scroll the longest and one of the most complex of the manuscripts from Qumran The central chapter contains a discussion of the contents of the Temple Scroll including sections on the Temple and its courts purity regulation the festival calendar and the Deuteronomic Paraphrase with the Law of the King The Companion also includes a chapter on the Description of the New Jerusalem as well as one on the relationship of the Temple Scroll to the Book of Jubilees 4QMiqsat Ma'aseh ha Torah and the Damascus Document Written in accessible language and featuring extensive bibliographies this Companion is ideal for undergraduate and graduate classes

The Temple Scroll Yigael Yadin, 1985 *The Temple Scroll* Johann Maier, 1987-03-01 The introduction translation and commentary on the Temple Scroll by Johann Maier has been thoroughly revised and updated by the author for its English edition taking account of improvements in readings and among other recent secondary literature the English translation of Yadin's edition to which cross references are given Students of Second Temple Judaism and the Dead Sea Scrolls in particular will at last have a convenient English edition of this most important document from Qumran *Women in the Damascus Document* Cecilia Wassen, 2005 *The Courtyards of the House of the Lord* Lawrence Schiffman, 2008-08-31 Already before its publication it was clear that the Temple Scroll represented a major contribution to the history of Jewish law in Late Antiquity The present volume brings together the author's studies on this important scroll He has sought to uncover the hermeneutics of the Zadokite Sadducean legal system and to compare and contrast it with other texts of its own type as well as with those in rabbinic literature preserving the Pharisaic rabbinic approach **Exploring the Dead Sea Scrolls** Hanan Eshel, 2015-09-16 Among the most prominent hallmarks of the late Prof Hanan Eshel 1958-2010 were his generosity passion and integrative approach The eighteen essays in this volume were selected by Prof Eshel shortly before his untimely death to be printed as a collection aimed at contextualizing the textual finds of the Dead Sea Scrolls within their archaeological settings and within the contours of contemporary scholarship The Qumran texts that stand at the center of these articles are correlated with archaeological and geographic information and with a variety of textual sources including epigraphic evidence and especially the Hebrew Bible Josephus and rabbinic texts The essays are organized according to the provenance of the discovered material with sections devoted to the Damascus Document and the scrolls from Caves 1 3 4 and 11 as well as a final more general chapter Half of the essays have been previously published in English while the other half have been translated from Hebrew here for the first time The book includes essays that have been co-authored with Esther Eshel Shlomit Kendi Harel Zeev Safrai and John Strugnell **The Temple Scroll and the Bible** Dwight D. Swanson, 1995-01-01 This volume seeks to identify the biblical sources of the Temple Scroll then to define the ways in which those sources are put together in order to provide a firm basis for understanding the Scroll exegetical methodology and

context **Secrets of the Dead Sea Scrolls** Randall Price, 1996 Discover new technology that helps translators with previously unreadable Scroll fragments supposedly secret scrolls in hiding and the furious debate about who rightfully owns the Scrolls Includes never before published photographs **A Guide to the Dead Sea Scrolls and Related Literature** Joseph A. Fitzmyer, 2008-09-15 The Dead Sea Scrolls are found in many varied publications often ordered only by publication date rather than a more easily navigable system making specific texts difficult to find Joseph Fitzmyer's guide offers a practical remedy to this dilemma A Guide to the Dead Sea Scrolls and Related Literature starts by explaining the conventional system of abbreviations for the Scrolls Then it helpfully lists specifically where readers can find each of the Scrolls and fragmentary texts from the eleven caves of Qumran and all the related sites using the officially assigned numbers of the text Fitzmyer supplies information on study tools helpful for scholars concordances dictionaries translations outlines of longer texts and more and briefly indicates electronic resources for the study of the Dead Sea Scrolls **The Dead Sea Scrolls** Rappaport, Devorah Dimant, 2018-11-26 A fortieth anniversary is an occasion to be marked under any circumstances especially when it concerns a discovery as significant as that of the Dead Sea Scrolls The proper way to mark this occasion was to organize a symposium that would be as comprehensive as possible both in content and in variety of approaches and which would be held in the land of the Scrolls The papers here reflect not only the variety and richness of subjects treated by contemporary research on Qumran but also its international character Since the study of texts remains the first task of the Qumran scholar many of the collection's papers belong to its first section Texts and Text Studies The other six sections are The History of the Qumran Community Halakha at Qumran Qumran and the Hebrew Bible Qumran and the New Testament and The Hebrew of the Dead Sea Scrolls
