

TERMINATION IN PSYCHOANALYSIS

Goals and Technical Principles Evolving from Sullivanian Conceptions

GERARD CHRZANOWSKI M.D.
New York, N. Y.

Terminating psychoanalysis is not in the nature of a final chapter in a book. The analytic experience is intimately interwoven with the total texture of a person's life. Analysis reaches into the past and by its very nature goes on far beyond its terminal phase. At the same time, it is understood that technically and practically speaking analytic treatment has to be ended. There is a somewhat recondite connection between this principle and the ancient ritual of "The King is dead! Long live the King."

Conceptual Frame of Reference

In this paper my primary concern is to focus attention on concepts and technical considerations as they pertain to the terminal aspects of all analytic therapy. The goals and therapeutic approaches in short-term psychotherapy are of a somewhat different nature.

The conceptual framework of my presentation has in many respects evolved from the matrix of sullivanian notions and formulations. Actually, Sullivan himself did not write anything on this particular subject; nor did he give a lecture or a talk dealing with termination, as far as I know. So let me make it clear that I am not expressing his specific views on the subject. I cannot tell you how he handled the final curtain. Instead I wish to sketch some notions of the process of therapy that have been partially formulated by Sullivan. His therapeutic method of observing human personality lends itself well as a background for highlighting certain landmarks in therapy.

Therapeutic Considerations

To Sullivan (1), therapy consists largely of participant observation in regard to personal vulnerabilities connected with anxiety and low self-esteem. Focal attention is directed toward inadequate and inappropriate performances in past and present living. The therapeutic interest is always in the personality as it relates to the demands of the personal situation. Both are so closely inter-

Termination In Psychoanalysis

Stephen K. Firestein

Termination In Psychoanalysis:

Myths of Termination Judy Leopold Kantrowitz, 2014-07-25 Psychoanalysis can make a huge difference in the lives of patients their families and others they encounter Myths have developed however about how psychoanalysis should end what patients experience and what analysts do These expectations come primarily from accounts by analysts in the analytic literature which are often perpetuated in an oversimplified form in teaching Patients perspectives are rarely presented I her book Judy Leopold Kantrowitz seeks to address this omission Exploring the accounts of 82 former analysands she illustrates the rich diversity of psychoanalytic endings and ways of maintaining analytic benefits after ending in presenting patients experiences Kantrowitz provides correctives for some myths about termination Myths of termination What patients can teach psychoanalysts about endings is not a book that seeks to refute or support any specific idea about a best way of ending analysis but rather to show that there are countless ways of having a satisfactory conclusion to the process Nor is the author espousing any particular analytic theory Kantrowitz sets out to show that an oversimplified view of psychoanalytic endings not only diminishes an appreciation of the diversity of psychoanalytic outcomes but may also interfere with the creativity of individual psychoanalysts In this book former analysands describe and illustrate how their analyses ended They reflect on the effect of non mutual endings due to external factors moving retirement illness or death or psychological factors wishing to avoid facing some issue the impact of post analytic contact and the ways in which they have held on to their analytic benefits after ending their analyses Myths of termination confronts and refutes the myths about the termination phase of psychoanalysis that are passed from generation to generation It is a refreshing and insightful study that will be welcomed by psychoanalysts psychodynamic therapists such as clinical psychologists social workers and others trained or in training to do clinical work

Endings Fausta Ferraro, Alessandro Garella, 2009 Preliminary Material The Beginnings Freud Ferenczi and Analysis Terminable and Interminable After Freud The Theme of Termination in the Mid 1900s Theoretical Developments and Modern Orientations The Psychoanalytic Process The Termination Process The Termination of Analysis as a Psychoanalytic Event The Liminal Forms of Time A Map of Termination Ending References *Termination in Psychoanalysis and Psychotherapy* Stephen K. Firestein, 2001 Dr Firestein examined the cases of four men and four women who entered the termination phase of analysis at the Treatment Center of the New York Psychoanalytic Institute In the current paperback edition the case records of the eight psychoanalyses that formed the main portion of the earlier edition remain as they were Although none of the analysts would today conduct those treatments in the same manner as is summarized the accounts are faithful to what unfolded in each of the treatment collaborations The current edition accomplishes several purposes to amend the essay that reviewed the literature up to 1978 with selected references to contributions of the past two decades to discuss ways in which termination of psychotherapy resembles and is different from termination in analysis and to consider many facets of treatment termination in some detail *Termination in Psychoanalysis* Stephen K. Firestein, 1978 *Saying*

Goodbye Anita G. Schmukler,2013-05-13 Termination of psychoanalysis or psychotherapy is centrally important both to the process of treatment and to the patient's experience of treatment. It is surprising then that there has heretofore been no comprehensive study of the subject. This book begins to bridge the gap in this area. It is the first volume devoted entirely to issues surrounding the ending of treatment in analytic and therapeutic work with children and adolescents. Organized into separate clinical and theoretical sections framed by a preface and sectional introductions and covering a wide range of psychopathology, this book explores the different ways in which children and adolescents grapple with the experience of separation at the conclusion of treatment. Of special note is the contributors' recognition that the parents of children ending treatment face their own termination experience in relinquishing the support of their child's therapist. The presentations are enriched as well by frank discussions of countertransference as it enters into the termination phase of treatment.

The Technique and Practice of Psychoanalysis Ralph R. Greenson,2018-05-08 The discovery of several incomplete chapters of Ralph R. Greenson's long-awaited Volume II of *The Technique and Practice of Psychoanalysis* form the cornerstone of this memorial to a man considered by many to be the best clinical psychoanalyst of his generation. Using the detailed outlines of the chapters that Greenson had intended to write, the editors solicited prominent American psychoanalysts to cover the planned content areas. Such adherence to Greenson's plan makes this a worthy companion to Volume I.

Psychoanalytic Terms and Concepts Burness E. Moore, Bernard D. Fine,1990-01-01 Dictionary of terms with definitions, historical relevance, and relation to other terms and concepts. Entries are explanatory, often lengthy, and contain references and cross references.

Textbook of Psychoanalysis, Third Edition Glen O. Gabbard, M.D., Bonnie E. Litowitz, Ph.D., Paul Williams, Ph.D.,2024-07-05

Psychoanalysis Around the World Reuben Fine,1987 For the first time internationally known psychoanalysts explain the unique dimensions of their practices in this colorful volume. Professionals from Great Britain, South America, China, Poland, and other nations discuss psychoanalytic psychotherapy as practiced in their native lands. The theoretical discussions, descriptions of different traditions of psychoanalysis, and case studies make this a fascinating book for therapists worldwide.

Psychoanalytic Terms and Concepts Elizabeth L. Auchincloss, Eslee Samberg, American Psychoanalytic Association,2012-10-30 This is the first revised, expanded, and updated edition of *Psychoanalytic Terms and Concepts* since its third edition in 1990. It presents a scholarly exposition of English language psychoanalytic terms and concepts, including those from all contemporary schools of theory and practice. Each entry starts with a brief definition that is followed by an explanation of the significance of the term, concept, for psychoanalysis, its historical development, and the present-day controversies about best usage.

Decoding **Termination In Psychoanalysis**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Termination In Psychoanalysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Termination In Psychoanalysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Termination In Psychoanalysis has opened up a world of possibilities. Downloading Termination In Psychoanalysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Termination In Psychoanalysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Termination In Psychoanalysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Termination In Psychoanalysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Termination In Psychoanalysis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Termination In Psychoanalysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Termination In Psychoanalysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
