Report[s], [minutes of Evidence, Indexes, Answers to Questions]. Great Britain. Royal Commission on Labour,1892
Weekly Compilation of Presidential Documents ,1971 **Reports of the Industrial Commission** United States.
Industrial Commission,1901 **Alliance News** ,1891 **Women in the City** Great Britain. Parliament. House of
Commons. Treasury Committee,2010 The Treasury Committee report *Women in the City* was prompted by its work in the
banking crisis which shone a spotlight on the need for reform to increase financial stability including improving corporate
governance within financial institutions Part of the debate on how to improve corporate governance was around boosting
diversity and challenge in the City Witnesses to the Committee even suggested that greater female representation at senior
levels would have made the banking crisis less likely The report says the lack of diversity on the boards of many if not most of
our major financial institutions may have heightened the problems of group think and made effective challenge and scrutiny
of executive decisions less effective A sector which is failing to properly utilise the talents of over half the population clearly
has substantial room for improvement and this entails looking more widely at the industry structure to ensure that able
women who wish to progress are not held back The report also examines matters such as the long hours culture the working
environment and access to flexible working and family friendly practices The report notes that the challenge is not so much
to change the legal framework but to change practice and where necessary culture The onus is on the City to demonstrate
that it is committed to improving the representation of women at senior levels within the industry Whilst the Committee does
not believe this should be achieved through the introduction of a quota system it is clear that such pressure will intensify
should the industry fail to act **Congressional Record** United States. Congress,2000 The Congressional Record is the
official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session
The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and
Proceedings in the Congress of the United States 1789 1824* the *Register of Debates in Congress 1824 1837* and the
