The Ancient Laugh Of God Divine Encounters In Unlikely Places:

The Ancient Laugh of God J. Marshall Jenkins, 1994-01-01 Essays showing how God works in everyday life and contemporary problems appear in Bible stories point out the ironies of God's presence and absence **Blessed at the Broken Places** J. Marshall Jenkins PhD, 2016-09-20 Discover how Jesus's blessings convert emotional suffering from a source of shame to a resource for faith Long description When you hurt what does it mean for your faith Too often church culture and religious individuals suggest that emotional pain shows lack of faith or sin against a punitive God How ironic Jesus suffered loneliness misunderstanding persecution and death to meet us at the lowest places and lift us to hope and life with his resurrection Reframing apparent defeat as the first step in a life of purpose this book shows how Jesus's blessings the Beatitudes address the paradox of living through suffering on the way to joy When you feel depressed or anxious unworthy or ashamed this book helps you recognize Jesus as a fellow struggler who meets you in your suffering offering and embodying life and hope It will help you hear Jesus's blessing you when you feel least worthy of blessing This vital resource features engaging spiritual practices and group discussion questions ideal for use by individuals on their own in counseling or in groups Christians and seekers in emotional pain as well as counselors clergy spiritual directors Stephen ministers and family members will gain needed insight and guidance for the spiritual journey through suffering **God Talk** Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God's voice And many believers testify to God's conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we're alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don't feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God's voice In **God Talk** Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don't hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God **Faith in Words** Ann Weems, Louis Weeks, 2004-01-01 Faith in Words is a timeless collection of essays and poems that reflect on living the life of faith These meditative stories and essays

and their apt metaphors will inspire Christian readers to seek a greater understanding of God and God's presence in our daily lives This volume includes works from such noted Presbyterian writers as Doris Betts Kathleen Long Bostrom Belden C Lane Katherine Paterson J Barrie Shepherd David Steele Bill Tammes and Ann Weems *Synopsis* Andrew D. [A Wakeful Faith](#) J. Marshall Jenkins,2000 In the hurried expect the unexpected flow of everyday life faith seems far away for many people Your car breaks down The bills are due The kids need school supplies The business report remains unwritten In A Wakeful Faith Jenkins asserts that living awake to God in all of our daily affairs is the answer Only when we become consciously aware of God's gracious activity in the details of the day can we transform and find purpose in our lives today Each day brings a flood of demands for our time and attention writes Jenkins Deep down many of us feel the pace is killing us but we do not admit it very often After all everyone else seems to get along okay Something is killing us but it is not the pace It is the inattention to our deepest desire the desire for God Filled with humor and grounded in scripture A Wakeful Faith calls us to a refreshed sense of God's presence which can lead to spiritual well being in all dimensions of life Jenkins offers practical suggestions to rouse our spiritual wakefulness and alertness to God in daily living by showing how Jesus trained disciples to perceive the kingdom and to know God Appropriate for individuals and small groups A Wakeful Faith contains questions for reflection and discussion at the end of each chapter
