The Antichrist Agenda The Ten Commandments Twice Removed:

The Antichrist Agenda Danny Shelton, Shelley J. Quinn, 2004 The powers of an unseen world are promoting an agenda to vanquish Gods authority and veil Bible truths about end time events What part do the Ten Commandments play in the antichrist agenda Why is the spotlight suddenly spinning back to the Decalogue As we approach the closing trials of earths history the Ten Commandments loom large on the horizon of the immediate future This compelling 200 page book will move you beyond prophetic theory and popular fiction back to the Bible where all answers are provided The authors present a careful study and faithful interpretation of prophecy that agrees with the early Christian Church fathers Drawing on the Bible only they identify the antichrist power and the agenda that has succeeded in pointing the finger of prophecy away from the real mark of the beast So too is the truth of Christs Second Coming unveiled from Scripture This book will help every Christian experience the inner peace of Christ in assurance of His truth as they face the forces of evil in earths final battle The Antichrist Agenda Ten Commandments Twice Removed is a dynamic reference resource for your personal library a valuable tool for group studies and the perfect giveaway for outreach projects In fact because we want this message to blanket the earth like the leaves of autumn the book is specially priced for sharing **Ten Commandments Twice**

Removed Danny Shelton, 2005 This book answers critical questions about the Ten Commandments with compelling clarity and Bible evidence WRONG TURN: The Fifth Season of Love Vincent Risoli-Black, 2010-09-23 Using the Bible especially the Gospels as a source of consolation for the believed potential devastation that would result in the Wrath of God once seen imminent through Global Warming one is led through by the author to view positive signs of God s mercy and a new City of God that the Bible promises in Revelations The dolphins trapped in our rivers were our delight as we witnessed the twists and turns brought upon life through our eco systems and society Also a film maker Risoli Black details this additional dialog in the novel with anecdotes and criticisms of films of the fifties sixties and seventies when one had choices of decent role models with ideal standards not idols that led away from God WRONG TURN The Fifth Season of Love is a novel of true events where the townsfolk are the heavies that recall plots like Peyton Place and Town Without Pity Also includes the novella The Song of the Bow about the love between Jonathan and David a love greater than the love of women *Children's Books in Print*, 2007 ,2006 *Antichrist Agenda* Danny Shelton, 2014-05-19 **The New Ten Commandments** Louis Albert Banks, 1922 New Directions from the Ten Commandments Arthur Fay Suelz, 1976
