The Argonauts:

The Argonauts Eliza Orzeszkowa, 1901 *The Best of the Argonauts* James J. Clauss, 2023-07-28 This revelatory exploration of Book One of the *Argonautica* rescues Jason from his status as the ineffectual hero of Apollonius epic poem James J Clauss argues that by posing the question Who is the best of the Argonauts Apollonius redefines the epic hero and creates in Jason a man more realistic and less awesome than his Homeric predecessors one who is vulnerable dependent on the help of others even morally questionable yet ultimately successful In bringing Apollonius curious and demanding poem to life Clauss illuminates two features of the poet's narrative style his ubiquitous allusions to the poetry of others especially Homer and the carefully balanced structural organization of his episodes The poet's subtextual interplay is explored as is his propensity for underscoring the manipulation of the poetry of others through ring composition This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993

Jason and the Argonauts John Malam, 2004-07 Join Jason as he embarks on a search for the Golden Fleece ***Jason and the Argonauts through the Ages*** Jason Colavito, 2014-04-04 The story of Jason and the Argonauts is one of the most famous in Greek myth and its development from the oldest layers of Greek mythology down to the modern age encapsulates the dramatic changes in faith power and culture that Western civilization has seen over the past three millennia From the Bronze Age to the Classical Age from the medieval world to today the Jason story has been told and retold with new stories details and meanings This book explores the epic history of a colorful myth and probes the most ancient origins of the quest for the Golden Fleece a quest that takes us to the very dawn of Greek religion and its close relationship with Near Eastern peoples and cultures ***In Search of the Argonauts*** Helen Lovatt, 2021-07-15 Few classical stories are as exciting as that of Jason and the Golden Fleece The legend of the boy who discovers a new identity as son of a usurped king and leads a crew of demi gods and famous heroes has resonated through the ages rumbling like the clashing rocks which almost pulverised the Argo The myth and its reception inspires endless engagements while it tells of a quest to the ends of the earth of the tyrants Pelias and Aetes of dragons teeth of the loss of Hylas beloved of Hercules stolen away by nymphs and of Jason's seduction of the powerful witch Medea later betrayed for a more useful princess it speaks to us of more of gender and sexuality of heroism and lost integrity of powerful gods and terrifying monsters of identity and otherness of exploration and exploitation The Argonauts are emblems of collective heroism yet also of the emptiness of glory From Pindar to J W Waterhouse Apollonius of Rhodes to Ray Harryhausen and Robert Graves to Mary Zimmerman the Argonaut myth has produced later interpretations as rich salty and complex as the ancient versions Helen Lovatt here unravels like untangled sea kelp the diverse strands of the narrative and its numerous and fascinating afterlives Her book will prove both informative

and endlessly entertaining to those who love classical literature and myth *Tales of the Argonauts* Bret Harte,1907
