Lamentation for the Nation, Judith and the General and Fifteen Days with Cephas Mary Heyn, 2018-10-15 Lamentation for the Nation is the Old Testament's book of Lamentations reworded in poetry and told in a language that may be applied to the USA today Judith and the General also in poetry is the story of Old Testament Judith a young widow who with great courage achieved what the army of Israel could not by enticing the Assyrian enemy general and killing him causing an unexpected victory for her people Fifteen Days with Cephas details what may have occurred when the apostle Paul spent fifteen days with the apostle Peter as mentioned in Galatians 1:18

What I Learned from Studying the General Epistles for 30 Days Kevin Tate, 2025-02-13 This book started as an experiment to see how much I could learn from my study of Jude in thirty days and then I decided to do all the general epistles One of the major points of this book is the importance of using just your Bible to study God's word I did not use any other resources while I was authoring this book and I was able to feel a remarkably close connection with God Another thing that I wanted to focus on is giving a similar description of what a verse means because that is the most important part I do not want to leave someone asking more questions when they are looking for an answer Reading the Bible needs to be a time of revelation it is a time of learning God never seeks to leave us confused because he knows everything He wants us all to learn about him so that we may walk in his Spirit God wants all of us to be in his kingdom with him and I hope that this book can help you grow closer to God
