Thomas Sopwith,1841 Wildsmith: Into the Dark Forest Liz Flanagan,2023-02-02 When war threatens her beloved city Rowan and her mother must flee to the Dark Forest There they meet her grandpa and his white wolf Arto for the first time Though she misses her father Rowan makes new friends including a trio of powerful witches When she rescues a baby dragon from poachers she discovers the secret of her own identity Could Rowan really be a wildsmith Fostering a whole clutch of dragons the summer speeds by But when danger threatens Rowan and Grandpa must call on all their friends for help Western Music and Its Others Georgina Born,David Hesmondhalgh,2000 Western Music and Its Others will be taken as an important book signalling a new turn within the field It takes the best features of traditional rigorous scholarship and brings these to bear upon contemporary more speculative questions The level of theoretical sophistication is high The studies within it are polemical and timely and of lasting scholarly value Will Straw co editor of Theory Rules Art as Theory Theory and Art The great value of this collection lies in the wealth of questions that it raises questions that together crystallize the recent concerns of musicology with force and clarity But it also lies in the authors resistance to the easy postmodernist answers that threaten to turn new musicology prematurely grey The editors comprehensive intellectually adventurous introduction exemplifies the sort of eager yet properly skeptical receptivity to scholarly innovation that fosters lasting disciplinary reform It alone is worth the price of the book Richard Taruskin author of Stravinsky and the Russian Traditions A Biography of the Works Through Mavra When cultural studies methods first appeared in musicology 15 years ago they triggered a storm of polemics that sometimes overshadowed the important issues being raised As the canon wars recede however scholars are finding it possible to focus on the concerns that led them to cultural criticism in the first place the study of music and its political meanings Western Music and Its Others brings together leading musicologists ethnomusicologists and specialists in film and popular music to explore the ways European and North American musicians have drawn on or identified themselves in tension with the musical practices of Others In a series of essays ranging from examination of the Orientalist tropes of early 20th century Modernists to the tangled claims for ownership in today's World Music the authors in this collection greatly advance both our knowledge of specific case studies and our intellectual awareness of the complexity and urgency of these problems A timely intervention that should help push music studies to the next level Susan McClary author of Conventional Wisdom The Content of Musical Form 2000 This collection provides a sophisticated model for using theory to interrogate music and music to interrogate theory The essays both take up and challenge the dominance of notions of representation in cultural theory as they explore the relevance of the concepts of hybridity and otherness for contemporary art music Sophisticated theory erudite scholarship and a very real appreciation for

the specificities of music make this a powerful and important addition to our understanding of both culture and music
