The American Union Speaker V1

John D. Philbrick

The American Union Speaker V1:

The American Union Speaker, V1 D. John Philbrick, 2007-08-01 **The American Union Speaker** John D. Philbrick, 2005-02-01 **The American Union Speaker** John D. Philbrick, 2022-09-16 In *The American Union Speaker* John D. Philbrick presents a compelling anthology of speeches that reflects the dynamic political and social landscape of America in the mid 19th century. This collection is not only a testament to the art of public speaking but also serves as a commentary on the pressing issues of the day including debates on unionism, democracy, and civil rights. Philbrick's meticulous curation is evident in the selection of orations which vary in tone and style from passionate calls to action to reflective discourse, revealing the multifaceted nature of American rhetoric during a pivotal era in its history. John D. Philbrick, an esteemed educator and advocate for public speaking, draws upon his deep knowledge of oratory and his experiences in pedagogy to craft this influential work. His background in teaching and commitment to fostering effective communication skills made him acutely aware of the power of speech in shaping public opinion and fostering civic engagement. Philbrick's dedication to education is intertwined with his belief in the importance of eloquence in democracy. *The American Union Speaker* is a vital resource for anyone interested in American history, rhetoric, and the evolution of civic discourse. Philbrick's thoughtful arrangement and insightful commentary invite readers to explore the vibrant history of American oratory, making it an indispensable addition to the libraries of scholars and enthusiasts alike.

[Great Britain and the American Civil War](#) Ephraim Douglass Adams, 2022-09-16 In *Great Britain and the American Civil War*, Ephraim Douglass Adams masterfully examines the complex interplay between British politics and the American conflict. Adams presents a meticulously researched narrative rich in historical detail, exploring how British economic interests, public opinion, and diplomatic maneuvers affected the course of the Civil War. His work is a significant contribution to the historiography of the era, adopting a transatlantic perspective that underscores the global dimensions of American domestic strife. Written with an authoritative voice that reflects rigorous scholarship, the book situates itself within a larger literary tradition, probing the diplomatic subtleties of a war that reshaped the modern world. Ephraim Douglass Adams was not just a historian but a scholar deeply intrigued by the diplomatic relations of the 19th century. His interest in the American Civil War was partly fueled by the understanding that its outcome had substantial global implications. Adams was particularly poised to scrutinize the intricate interactions between Great Britain and the United States during the period of the war. It is likely that his own historical context and the intellectual environment of his time influenced his examination and narrative style. For those who are captivated by the Civil War and its global reverberations, Adams' *Great Britain and the American Civil War* is a profound work that should not be missed. It is recommended for both history buffs and academics alike, anyone eager to delve into the nuanced diplomatic history of the 19th century. Readers will appreciate the book's scholarly rigor and its contribution to understanding the international angles of a war often solely studied from a national perspective. This book stands as a testament to the enduring significance of well

researched historical literature Political and Civil History of the US-V1 Timothy Pitkin,2009-03 In Two Volumes Including A Summary View Of The Political And Civil State Of The North American Colonies Prior To That Period Union List of Serials in Libraries of the United States and Canada Winifred Gregory Gerould,Harry Miller Lydenberg,Daniel Carl Haskell,1927 Law and Letters in American Culture Robert A. Ferguson,1984 The role of religion in early American literature has been endlessly studied the role of the law has been virtually ignored Robert A Ferguson s book seeks to correct this imbalance With the Revolution Ferguson demonstrates the lawyer replaced the clergyman as the dominant intellectual force in the new nation Lawyers wrote the first important plays novels and poems as gentlemen of letters they controlled many of the journals and literary societies and their education in the law led to a controlling aesthetic that shaped both the civic and the imaginative literature of the early republic An awareness of this aesthetic enables us to see works as diverse as Jefferson s Notes on the State of Virginia and Irving s burlesque History of New York as unified texts products of the legal mind of the time The Declaration of Independence the Constitution and the great political orations were written by lawyers and so too were the literary works of Trumbull Tyler Brackenridge Charles Brockden Brown William Cullen Bryant Richard Henry Dana Jr and a dozen other important writers To recover the original meaning and context of these writings is to gain new understanding of a whole era of American culture The nexus of law and letters persisted for more than a half century Ferguson explores a range of factors that contributed to its gradual dissolution the yielding of neoclassicism to romanticism the changing role of the writer the shift in the lawyer s stance from generalist to specialist and from ideological spokesman to tactician of compromise the onslaught of Jacksonian democracy and the problems of a country torn by sectional strife At the same time he demonstrates continuities with the American Renaissance And in Abraham Lincoln he sees a memorable late flowering of the earlier tradition **Union List of Serials in Libraries of the United States and Canada** Gabrielle (Ernits) Malikoff,1927 **Proceedings of the American Federation of Labor** American Federation of Labor,1906
