Adams, 2025-03-06 Does the past hold answers that could save their futures Edie When I set off to find out about myself I didn't expect to find out about vampires Apparently they're real And also want to kill me for my powers What's worse There's a vampire hunter on the loose Who should I trust The vampires who want my blood or the hunters who think my powers make me evil Niamh I so don't have the energy or patience to solve other people's mysteries right now There's a demon out to kill my daughter I have bigger problems But when I meet a little boy who's haunted by his past life I'm the only one who can help him If his past life's murder isn't solved soon it could haunt him in this life and the next The justice system failed him once I can't let that happen again But what can I do My powers are useless And I have no relevant qualifications or connections How will anyone ever believe me when I tell them who the real murderer is **The Dead Man's Knock, Etc**
