The Dead That Walk Paladins:

The Paladins Omnibus David Dalglish, Join Darius and Jerico faithful paladins of opposing deities as they struggle against monsters invading from the Vile Wedge a civil war in the North and a growing unrest fed by prophets and madmen that would tear apart the land for their insidious goals This bundle contains the following four novels Night of Wolves Clash of Faiths The Old Ways The Broken Pieces *The Paladin* C. J. Cherryh, 2016-06-20 Does it seem reasonable to you that a Regency continues into an Emperor's thirtieth year No m lord Shoka said Not to us either Not to many of us We were ready to make that objection when lord Gitu overran Yijang and Hua Assassinations elsewhere Hired killers Bands of mercenaries traveling under imperial orders The Emperor's seal and the Regent's orders How do we stop such a thing How do we prevent it when every lord able to lead is apprehended assassinated when they strip us of men even boys out of the fields go to Saukendar some said Go to Saukendar They urged me to send to you This time he has to listen they said But if I had sent and Ghita had known you understand Reidi gave an uncomfortable twitch of the shoulders His horse shifted again I had no true hope that you'd come You'd indicated to the villagers that you had no wish to hear from anyone That you would refuse any such petitions You were watching me It's my village m lord as the Regent pointed out to me again and again and threatened my life should you leave that mountain Of course the word came to me I tried to get a messenger down the road to you when I knew you'd left Mon We believed you'd come back to deal with Ghita and his partisans Shoka felt cold cold all the way to the bones There are men ready to follow you lord Saukendar There are men who've committed their lives to this We didn't know the hour We only believed Now you've come back It's gripping drama tightly focussed and inexorable as Taizu herself Read The Paladin and you'll never settle for another ordinary sword wielding female Faren Miller LOCUS At the publisher's request this title is sold without DRM Digital Rights Management *Paladins | A Post-apocalyptic Western* Wayne Kyle Spitzer, 2018-11-17 You talk to yourself a lot don't you said Luna Williams looked at her and finally smiled in spite of himself Or it just may be that he's really talking to me and you just can't hear it He tweaked her nose Yet Either way you need to eat something and get some sleep We all do We've got a big day ahead of us tomorrow Why a big day Ank camping gear he said and the dinosaur folded his front legs with a groan Because we're going to head out for Barley's in the morning He loosed his bedroll from the supplies strapped to Ank's back and tossed it to her The place where the sounds on your radio come from We've we're searching for something A place we call Tanelorn And we think that might be it Tanelorn she repeated What's that Williams rested his arms on the bundles of supplies thinking about it I don't know exactly I reckon it's just a place someone feels drawn to even if they don't know why A place where the homeless can find a home maybe He looked at the lights in the sky the Alien Borealis as Ank called it and wondered But it may be that it's something else a kind of Omega Point A place where all the colors of the spectrum meet like a prism And become focused into a single burning light Maybe that's what people mean when they talk about the power and the glory He tugged on a rope releasing a waterfall of pots and pans
