The Devil's Admiral Frederick Ferdinand Moore, 2013-10 Captain Riggs had a trunk full of old logbooks and he said any of them would make a better story than the Kut Sang The truth of it was he didn t want me to write this story There were things he didn t wish to see in type perhaps because he feared to read about himself and what had happened in the old steamer in the China Sea Folks don t care nothing about cargo boats he would say taking his pipe out of his mouth and shaking his head gravely whenever I hinted that I would like to tell of our adventure of the Kut Sang They want yarns of them floating hotels called liners with palm gardens in em and bands playing at their meals and games and so on going from eight bells to the bos n s watch It was mostly fighting in the Kut Sang and the mess you and me and poor Harris and the black boy there got into wouldn t be just the quiet sort of reading folks want these days It was all over in a night and a day anyway look at them Northern Spy apples Mr Trenholm He wanted to forget the Kut Sang and the awful night we had in her He imagined he didn t figure to advantage in the story and he winced when I mentioned certain events although I always insisted that he was the bravest man among us having a better realization of the odds against us Those

who have faced danger know it takes a brave man to admit that he is beaten and still keep up the fight The Devil's Admiral Frederick Moore, 2012-09-21 I had to crawl over the body of the mate in order to get clear of the tier of bunks and thinking it possible that Harris might have a pistol in his clothing or had dropped one as he fell into the forecastle I examined his pockets I got no pistol but did find a box of matches and standing with my back to the scuttle to protect the flame from the wind and also to shade the light from the open scuttle I struck a match and hurriedly looked over the littered deck of the forecastle I struck several matches at intervals in this way waiting between lights to make sure that no one had seen the flashes from the upper deck If Harris had had pistols his murderers must have taken them I did find a dozen or more cartridges of heavy calibre loose in the side pocket of his coat but those and the matches were all that resulted from my ghoulish work *The Devil's Admiral* Frederick Ferdinand Moore, 2015-06-27 Excerpt from The Devil's Admiral An Adventure Story Captain Riggs had a trunk full of old logbooks and he said any of them would make a better story than the kut Sang The truth of it was he didn't want me to write this story There were things he didn't wish to see in type perhaps because he feared to read about himself and what had happened in the old steamer in the China Sea Folks don't care nothing about cargo boats he would say taking his pipe out of his mouth and shaking his head gravely whenever I hinted that I would like to tell of our adventure of the Kut Sang They want yams of them floating hotels called liners with palm gardens in em and bands playing at their meals and games and so on going from eight bells to the bos'n's watch It was mostly fighting in the Kut Sang and the mess you and me and poor Harris and the black boy there got into wouldn't be just the quiet sort of reading folks want these days It was all over in a night and a day anyway look at them Northern Spy apples Mr Trenholm About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The devil's highway Brad Beaven, 2025-01-14 Between 1850 and 1900 Ratcliffe Highway was the pulse of maritime London Sailors from every corner of the globe found solace and sometimes trouble in this bustling district However for social investigators it was a place of fascination and fear as it harboured chaotic and dangerous exotic communities Sailortowns were transient cosmopolitan and working class in character and provide us with an insight into class race and gendered relations They were contact zones of heightened interaction where multi ethnic subaltern cultures met sometimes negotiated and at other times clashed with one another The book argues that despite these challenges sailortown was a distinctive and functional working class community that was self regulating and self moderating The book uncovers a robust sailortown community in which an urban maritime culture shaped a sense of themselves and the traditions and conventions
