the Bermuda Triangle is very real It is so named because of its proximity to the island of Bermuda which forms one of its apexes The others are roughly located in Florida and Puerto Rico and together they cover an area of approximately 500 000 square miles That s a lot of area for craft to get lost in     Conquering the Devil's Triangle C. W. Leigh,2006-06-01 While enjoying a picture perfect day fishing off the coast of Florida four friends unknowingly drive their boat into the Bermuda Triangle Once inside their lives will change forever as they are abruptly transported into a different dimension Here in this place and time the Devil is in control and the only people to be found are those who have been lost in the triangle He uses peoples worst fears and problems to destroy their souls and their faith in Jesus People who are trapped in the Triangle are either destroyed or give in to the evil and follow a dark path It will be no different for these men Through all the trials and tribulations these men will encounter their faith and lives will hang in the balance Only their faith in God will allow them to conquer the Devils triangle     **Visual Intelligence** Donald D Hoffman,2000-02-22 In an informal style replete with illustrations Hoffman presents the compelling scientific evidence for vision s constructive powers unveiling a grammar of vision a set of rules that govern our perception of line color form depth and motion 150 illustrations 20 in color
