TV Trivia Quiz Book Tommy Jenkins, 2001 **Truth and Consequences** Mike Miley, 2019-12-30 Although nearly every other television form or genre has undergone a massive critical and popular reassessment or resurgence in the past twenty years the game show's reputation has remained both remarkably stagnant and remarkably low Scholarship on game shows concerns itself primarily with the history and aesthetics of the form and few works assess the influence the format has had on American society or how the aesthetics and rhythms of contemporary life model themselves on the aesthetics and rhythms of game shows In *Truth and Consequences Game Shows in Fiction and Film* author Mike Miley seeks to broaden the conversation about game shows by studying how they are represented in fiction and film Writers and filmmakers find the game show to be the ideal metaphor for life in a media saturated era from selfhood to love to family to state power The book is divided into rounds each chapter looking at different themes that books and movies explore via the game show By studying over two dozen works of fiction and film bestsellers blockbusters disasters modern legends forgotten gems award winners self published curios and everything in between *Truth and Consequences* argues that game shows offer a deeper understanding of modern day America a land of high stakes spectacle where a game show host can become president of the United States

America's Post-Truth Phenomenon C.G. Prado, 2018-04-19 This book presents absorbing and critical expert perspectives on the post truth phenomenon that has infiltrated the U S political system media and populace Deception in politics is nothing new but the quantity of unsubstantiated statements in America today is unprecedented False notions fake news alternative facts and opinions are being pitched from sources including the White House Congress and the American population via Twitter Facebook and online news sites as well as print television and radio Such a widespread spectacle instantly captures the attention of people nationwide but disagreement has the nation almost bordering on civil war over the definition of the truth and what this book calls post truth In this text C G Prado and expert contributors present varied perspectives on post truth its authoritarian implications for the nation and how we can approach information to differentiate between truth and post truth Speaking to general readers students and scholars alike chapters include text on the historical and social events that initiated and developed post truth and why some people are more prone than others to accept and perpetuate post truth They also discuss post truth as a threat to democracy
