JR Anderson

Social Welfare Or Social Control Some Historical Reflections On Regulating The Poor:

Social Welfare Or Social Control? Walter I. Trattner, 1983 *Regulating the Poor* Frances Fox Piven, Richard Cloward, 2012-02-08 Piven and Cloward have updated their classic work on the history and function of welfare to cover the American welfare state's massive erosion during the Reagan Bush and Clinton years. The authors present a boldly comprehensive brilliant new theory to explain the comparative underdevelopment of the U S welfare state among advanced industrial nations. Their conceptual framework promises to shape the debate within current and future administrations as they attempt to rethink the welfare system and its role in American society. Uncompromising and provocative. By mixing history, political interpretation and sociological analysis, Piven and Cloward provide the best explanation to date of our present situation. No future discussion of welfare can afford to ignore them. Peter Steinfels, *The New York Times Book Review*.

American Democracy and the Pursuit of Equality Merlin Chowkwanyun, Randa Serhan, 2016-01-08 This collection assembles some of the country's foremost social scientists in one volume. It contains diverse investigations of metropolitan transformation, recent education policy, the injustice of disaster relief, the politics of aesthetics and design, immigration, the mass media, social movements and the practice of social science itself among others. Whatever their subjects, the writers investigate the promise and constraints of democratic practice in a time of disturbing growth in inequality and political disempowerment. Although they at times differ from one another, more often they challenge popular received wisdom on a number of these topics. Cumulatively, the volume amounts to a critical sociological excavation of the United States from its leading social critics that will prove useful to specialists and general readers alike. *Wives without Husbands* Anna R. Igra, 2007-09-06 Shedding new light on contemporary campaigns to encourage marriage among welfare recipients and to prosecute deadbeat dads, *Wives without Husbands* traces the efforts of Progressive reformers to make runaway husbands support their families. Anna R. Igra investigates the interrelated histories of marriage and welfare policy in the early 1900s, revealing how reformers sought to make marriage the solution to women's and children's poverty. Igra taps a rich trove of case files from the National Desertion Bureau, a Jewish husband location agency, and follows hundreds of deserted women through the welfare and legal systems of early twentieth-century New York City. She integrates a broad range of topics, including Americanization as a gendered process, breadwinning as a measure of manhood, the relationship between consumer culture and social policy formation, the class dimensions of family law, and the Jewish community as a source of welfare policy innovation. Igra analyzes the history of antidesertion reform from its emergence in social policy debates through the establishment of domestic relations courts to Depression relief programs. She shows that early twentieth-century reformers, by attempting to make instrumental use of poor people's intimate relations, anticipated welfare policies in our own time that promote marriage as an answer to poverty. **American Studies** Jack Salzman, American Studies Association, 1986-08-29 A major three-volume bibliography including an additional supplement of an annotated listing of American Studies monographs.

published between 1900 and 1988 **Civic Engagement** John Louis Recchiuti, 2007 John Louis Recchiuti recounts the history of a vibrant network of young American scholars and social activists who helped transform a city and a nation In this study Recchiuti focuses on more than a score of Progressive reformers including Florence Kelley W E B Du Bois E R A Seligman Charles Beard Franz Boaz Frances Perkins Samuel Lindsay Edward Devine Mary Simkhovitch and George Edmund Haynes He reminds us how people from markedly diverse backgrounds forged a movement to change a city and beyond it a nation BOOK JACKET **Class in America** Robert E. Weir, 2007-06-30 In the United States social class ranks with gender race and ethnicity in determining the values activities political behavior and life chances of individuals Most scholars agree on the importance of class although they often disagree on what it is and how it impacts Americans This A Z encyclopedia the first to focus on class in the United States surveys the breadth of class strata throughout our history for high school students to the general public Class is illuminated in 525 essay entries on significant people terms theories programs institutions eras ethnic groups places and much more This useful set is an authoritative fascinating source for in demand information on key aspects of our culture and society and helps researchers to narrow down a broad topic Class is revealed from angles that often intersect through history with entries such as Founding Fathers the Industrial Revolution Westward Expansion through economics with entries such as Dot com Bubble Robber Barons Chicago School of Economics Lottery Wage Slaves Economic Equal Opportunity Act Stock Market Inheritance Taxes Wal Mart Welfare through social indicators such as Conspicuous Consumption the Hamptons WASP Homelessness Social Climbing through politics with entries such as Anarchism Braceros Heritage Foundation Communist Party Kennedy Family and through culture through entries such as Country Music The Great Gatsby Television and Studs Terkel Class is also approached from ethnic sexual religious educational and regional angles Special features include an introduction timeline suggested reading per entry cross references reader s guide to topics and thorough index Sample entries Immigration Education Labor Movement Pink Collar Workers AFL CIO Strikes Great Depression Jacob Riis Literature the Rockefellers Slavery Music Academia Family Suburbia McMansions Taxation Segregation Racism Ivy League Robber Barons Philanthropists Socialites Religion Welfare the American Dream Dot com Millionaires Equal Opportunity Founding Fathers Wage Slaves Industrial Revolution Capitalism Economics Appalachia Horse Racing Gender Communist Party Country Clubs Religion American Indians Conspicuous Consumption Studs Terkel Film Class Consciousness Work Ethic Media Television Puritans Homelessness Status Symbols Assimilation Melting Pot Art Westward Expansion Poverty The Great Gatsby Stock Market Working Poor Gated Communities the Hamptons Social Climbing Crime Lottery Elitism WASP American Dream Noam Chomsky Fortune Magazine Inventing the Feeble Mind James Trent, 2016-11-01 Inventing the Feeble Mind explores the history of intellectual disability from its several identifications in the United States over the past 200 years idiocy imbecility feeble-mindedness mental deficiency and defectiveness mental retardation and most recently intellectual disability **Why America Lost the War on Poverty - and**

How to Win It , The Welfare Experiments Robin H. Rogers-Dillon, 2004-04-21 Welfare experiments conducted at the state level during the 1990s radically restructured the American welfare state and have played a critical and unexpected role in the broader policymaking process Through these experiments previously unpopular reform ideas such as welfare time limits gained wide and enthusiastic support Ultimately the institutional legacy of the old welfare system was broken new ideas took hold and the welfare experiments generated a new institutional channel in policymaking In this book Rogers Dillon argues that these welfare experiments were not simply scientific experiments as their supporters frequently contend but a powerful political tool that created a framework within which few could argue successfully against the welfare policy changes Legislation proposed in 2002 formalized this channel of policymaking permitting the executive as opposed to legislative branches of federal and state governments to renegotiate social policies an unprecedented change in American policymaking This book provides unique insight into how social policy is made in the United States and how that process is changing

This is likewise one of the factors by obtaining the soft documents of this **Social Welfare Or Social Control Some Historical Reflections On Regulating The Poor** by online.
