Social Assistance Dynamics in Europe Chiara Saraceno, 2002-01-30 Describing social assistance careers in different national and urban contexts this innovative book documents the strong interplay between personal biographies and policy patterns a particularly useful perspective which complements the more structural top down approach of much international work in social policy

The Responsiveness of Social Policies in Europe Fenger, Menno, van der Steen, Martijn, 2013-09-18 Modern welfare states are confronted with a wide variety of social and economic developments including individualization secularization globalization and changing preferences and ideologies of citizens Using in depth analysis gathered over 15 years this book closely analyzes the consequences of these significant changes for social policies offering theoretical and practical insights about their responsiveness It includes a comparative analysis of recent developments in social assistance sheltered work and labour market policies in the Netherlands showing how policy makers are continually trying to incorporate societal transformations into social policies while being obstructed by the path dependent development of welfare state institutions The insights from the case studies are related to developments in other European countries in the areas of social assistance sheltered work and labour market policies and show how policy makers and politicians deal with multiple challenges interests and perspectives on social policies This book is essential reading for academics and students interested in the institutional development of social policies

Ideas and Welfare State Reform in Western Europe P. Taylor-Gooby, 2005-08-02 The new welfare settlement in Europe involves a re direction of policy in the context of a unified market and currency system and of more stringent economic competition Realignment of the policy assumptions and goals of the key actors is central to this process This book reviews the main policy paradigms and analyzes the processes whereby they have changed in the most salient policy areas and is based on recent interviews with more than two hundred and fifty senior policy actors in seven West European countries

Reshaping Welfare States and Activation Regimes in Europe SALTSA (Program), 2007 The activation based intervention paradigm is being adopted by several European countries resulting in major reforms to the social welfare system The spread of the activation paradigm has had major repercussions not only for welfare interventions aimed at combating unemployment but also for the political regulation of the social question and citizenship Citizenship is being redefined in contractual terms and greater emphasis is being placed on its economic aspects Nevertheless a wide range of policies are labelled with recourse to this interpretative framework and a pluralistic approach to implementation could serve just as well to empower as to weaken workers citizens position in society This book analyses the extent of these changes from a cross cultural perspective Institutional settings as

well as prevailing work values and social representation of social exclusion activation regimes have a key role in defining the instruments to be used in national activation strategies to regulate the behaviour of job seekers In this book a discussion about the range of social welfare model reforms throughout Europe and a typology of activation regimes is proposed

Poverty and Social Deprivation in the Mediterranean Maria Petmesidou, Christos Papatheodorou, 2013-07-04 In the growth of regional identities worldwide the Mediterranean Basin is emerging as an entity in its own right This book a unique collaboration among social scientists around the entire Mediterranean littoral covers Southern Europe Turkey the Balkans North Africa and the Near East Leading economists sociologists and social policy experts document with new and up to date empirical material the changing profiles of poverty and social deprivation The result is a thought provoking comparison of the extent severity and structural causes of poverty and social inequality and the huge diversity of public responses to the challenges they pose

Professionals under Pressure Mirko Noordegraaf, Bram Steijn, 2025-10-01 Over the past decade public services have come under increasing pressure to perform like private sector organisations This study demonstrates that professionals have much leeway in coping with changes caused by IT developments distributed knowledge and more demanding public which have all created new pressures on public services The authors conclude that rather than demanding more autonomy and space public service professionals need renewed and workable professional standards

Integrating Social and Employment Policies in Europe Martin Heidenreich, Deborah Rice, 2016-01-29 A central goal of European activation policies is to provide coherent and actively inclusive employment and social services This book offers new insights on the effective governance and implementation of such policies Utilizing empirical studies from six European welfare states expert contributors explore how different institutional contexts influence localized service delivery and how local authorities deal with the associated coordination challenges Acknowledging that neither decentralization nor provider networks necessarily prevent fragmented service provision Martin Heidenreich and Deborah Rice illustrate that an understanding of the European budgetary context as well as individual network brokerage is vital for a successful integration of employment and social policies at the local level Timely and engaging this innovative book will provide new theoretical perspectives and invaluable empirical materials for academics and students in the field of comparative social policy Policy makers and officials will also appreciate the editors practical approach

Participation Income Hiilamo, Heikki, 2022-08-12 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com This innovative book provides the first in depth analysis of participatory income and its potential role in countering endemic poverty and unemployment in high income countries Heikki Hiilamo reviews the concept of basic income and specific basic income experiments before presenting participatory income as a viable alternative in the fight against poverty

Framing Welfare Recipients in Political Discourse Lenka Kisoová, 2021-07-08 This book explores the shift towards individual responsibility that is increasingly evident in welfare systems across the world The book will be of interest to

students and scholars across sociology social policy and political science with a particular focus on migration minorities political discourse securitisation social justice and human rights This book offers a compelling read analysing how workfare is legitimated in the Central European context through the innovative metaphor of political farming The analytical framework brings together several distinct streams of theorizing critical discourse studies critical security studies governmentality boundary making and the dynamics of ethnic relations seamlessly and effectively Through a very nuanced discursive analysis Kissov shows how the poor the offenders and the unadaptable categories policymakers use to talk about material need recipients are linked pathologically with criminality abuse of the system and other negative perceptions This is a must read text for anyone interested in how political actors justify questionable legislation that cements inequality in today's neoliberal milieu B Nadya Jaworsky Associate Professor Sociology Masaryk University Czech Republic Lenka Kissov's book is clearly written and carefully researched Her interdisciplinary insight and discursive analysis of parliamentary debates on Slovak workfare policies illustrates the deliberate precise and politicized collocation of Roma marginalization and economic disadvantage in a manner that starkly illustrates systemic racism dressed up as morally necessary regulatory reform Moreover her research has broader comparative and methodological relevance given how she layers in and utilizes governmentality securitization and legitimation theory unmasking how neoliberal economic assumptions and dog whistle politics woven into the speech of politicians works to demonize recipients as real or potential cheats and criminals enact further social exclusion and heighten inequality and fear while not so subtly promoting existing prejudices Her overarching metaphor that of parliamentarians engaging in political farming where their ideas seed and take root in fertile soil of the national landscape resulting in regulatory products effectively demonstrates how social reality generally and state regulation specifically can be constructed divorced from actual evidence a process beyond her specific case and critically relevant to our times Barbara J Falk Professor Department of Defence Studies Canadian Forces College Royal Military College of Canada Fellow Centre for European Russian and Eurasian Studies University of Toronto Canada

Social Policy and International Interventions in South East Europe Bob Deacon,Paul Stubbs,2007-01-01 *Social Policy and International Interventions in South East Europe* proves a comprehensive dense and thought provoking read particularly successful in framing both the historical and institutional contexts of the countries examined as well as literary debates on the subject and is thus a precious resource Irene Dioli *Journal of Southeastern Europe* The questions broached by the volume are of interest to all who are concerned with development and politics Experts will find the data and its presentation quite useful others will benefit from the background information presented in each chapter *Social Policy and International Interventions in South East Europe* is an excellent addition to the academic literature and will serve all those who are trying to keep pace with fluid developments in the transitional states of south east Europe Richard P Farkas *Slavic Review* This is a remarkably rich and thought provoking collection Its substantial case studies make it a vital resource for studying social policy in South East Europe Its focus on the flows of international actors agencies ideas and resources poses critical questions about how the emergence of social policy the emergence of new forms of governance and the creation of new spaces of welfare are connected The implications of this concern with emergent forms and directions reach far beyond the region itself John Clarke *The Open University UK* A brilliant book that shows conclusively that transnational actors have taken their place alongside states in setting social policy in Europe Through careful and comprehensive case studies of a wide range of South East European countries this volume systematically presents a wealth of new data on transnational actor interventions It helps to shape an emerging debate on the relative power of transnational and domestic actors and makes a unique empirical contribution to the discussion The authors have done an amazing job of coordinated digging and produced some impressive results Mitchell Orenstein *Johns Hopkins University US* This comprehensive and engaging book investigates

the role of international actors in the making of social policy in South East Europe Introductory chapters on transnationalism and Europeanization are followed by a series of nine linked case studies depicting research undertaken within this region The book charts the variable influence that international actors such as formal organizations non governmental organizations consulting companies and individual transnational policy entrepreneurs have on key policy issues including pensions social protection labour markets and health The authors conclude that welfare settlements are a complex product of historical and institutional legacies the neo liberal interventions of the World Bank the emerging impact of the EU and the crowded international arena resulting from war and post war reconstruction agendas Written by leading researchers in the field Social Policy and International Interventions in South East Europe will be of great interest to researchers and students of social policy policy studies and regional studies as well as policymakers within international and governmental organizations

The Last Safety Net Thomas Bahle, Vanessa Hubl, Michaela Pfeifer, 2011 As Europe's public realms face upheaval this text identifies how social solidarity is being re-invented from below and redefined from above Interdisciplinary transnational approaches provide new insights into the relationship between national and transnational social solidarity across Europe

Active social policies in the EU van Berckel, Rik, Hornemann Møller, Iver, 2002-09-27 This book challenges the underlying presupposition that regular employment is the royal road to inclusion Drawing on original empirical research it investigates the inclusionary and exclusionary potentials of different types of work including activation programmes Active social policies in the EU makes an important contribution to the debates in this area by reporting on original international comparative research reflecting on and critically assessing current activating policies evaluating the consequences of these policies as well as challenging the premises they are based on including the perspectives of service users in its analyses offering recommendations for the future design of activating policies The book will be invaluable for students lecturers and researchers of social and labour market policies and policy makers It is essential reading for those interested in issues of inclusion activation and the role of types of work in promoting inclusion

Rescaling Social Policies towards Multilevel Governance in Europe Yuri Kazepov, 2017-10-24 The workings of multi level governance institutional choices concerning centralisation decentralisation and subsidiarity are widely debated within European public policy but few systematic studies assessing the effects of changing divisions of power for policy making have been carried out This volume offers an assessment of the workings of multi level governance in terms of social welfare policy across different clusters of European states Nordic Southern European Central and East European This book reports on a major comparative study at the European Centre for Social Welfare policy and Research which included partners from universities in Finland France Italy Norway Sweden Poland Spain and Switzerland It reports on three particular policy areas social assistance and local policies against poverty activation and labour market policies and care for the elderly The authors describe different starting points strategies and solutions in European countries which are facing similar challenges and could thus learn from each other They

explore the differences between European welfare regimes in terms of territorial responsibilities the changes that have taken place over the past few years and their effects The book is distinctive in highlighting comparative transversal and transnational issues of multi level governance in social welfare policies rather than presenting country reports

The Boundaries of Welfare Maurizio Ferrera, 2005-11-24 To what extent has the process of European integration redrawn the boundaries of national welfare states What are the effects of such redrawing Boundaries count they are essential in bringing together individuals groups and territorial units and for activating or strengthening shared ties between them If the profile of boundaries changes over time we might expect significant consequences on bonding dynamics i e on the way solidarity is structured in a given political community The book addresses these two questions in a broad historical and comparative perspective The first chapter sets out a novel theoretical framework which reconceptualizes the welfare state as a bounded space characterized by a distinct spatial politics This reconceptualization takes as a starting point the state building tradition in political science and in particular the work of Stein Rokkan The second chapter briefly outlines the early emergence and expansion of European welfare states till World War II Chapters 3 and 4 analyse the relationship between domestic welfare state developments and the formation of a supranational European Community between the 1960s and the 2000s illustrating how the process of European integration has increasingly eroded the social sovereignty of the nation state Chapter 5 focuses on new emerging forms of sub national and trans national social protection while Chapter 6 discusses current trends and future perspectives for a restructuring of social protection at the EU level While there is no doubt that European integration has significantly altered the boundaries of national welfare destabilizing delicate political and institutional equilibria the book concludes by offering some suggestions on how a viable system of multi level social protection could possibly emerge within the new EU wide boundary configuration

Perspectives on European Social Work Walter Lorenz, 2006-06-22 The book offers explanations and clarifications for the bewildering variety of titles and job profiles in the social professions in Europe It presents them both as a product of specific national welfare arrangements and as a sign of a special kind of professional autonomy that so far helped to correct national welfare trends Now this autonomy is once more called for in the light of the complete restructuring of all European welfare states and a European model of social work could deliver impulses for real alternatives to growing exclusion and inequality

Connecting Welfare Diversity Within the European Social Model Theodoros D. Sakellariopoulos, Jos Berghman, 2004 This volume is the revised Report which an international team of experts have prepared for the Greek Ministry of Labour and Social Security in the context of the Greek Presidency of the European Union and presented in the international conference The Modernisation of the European Social Model EU Policies and Practices on 24-25 May 2003 at Ioannina Greece The book focuses on the Open Method of Coordination OMC its relation to other policy tools used in the European Social Policy and its significance for the formation of a new European Social Model The chapters follow the emergence the evolution and analyze the constituent elements of the

OMC in the fields of Social Inclusion and Pensions since the Lisbon Summit During the Portuguese Presidency OMC encountered a cautious response The OMC idea made substantial progress during the Belgian Presidency In the Ioannina conference the OMC had full recognition as a tool for the implementation of European Social Policy Everyone agreed that important social issues were dealt with more effectively through the OMC especially when the latter is consolidated after the inclusion of the Charter of the fundamental Rights in the new European Treaty This progress is sufficiently reflected in the present volume where it is concluded that through OMC the European Social Model gained a new momentum in terms of effectiveness and legitimacy
