Gordon

Lawrence, 2018-07-03 Social Dreaming is the name given to a method of working with dreams that are shared and associated within a gathering of people coming together for this purpose In the first chapter he outlines some ideas on this phenomenon Here follows a wide ranging collection of essays on the experiences of various practitioners either personal or what they have found when taking this phenomenon into the wider social arena such as the church schools consultancy and working with children

Social Dreaming Susan Long, Julian Manley, 2019-01-03 The idea of social dreaming argues that dreams are relevant to the wider social sphere and have a collective resonance that goes beyond the personal narrative In this fascinating collection the principles of social dreaming are explored to uncover shared anxieties and prejudices suggest likely responses enhance cultural surveys inform managerial policies and embody community affiliation Including for the first time a coherent epistemology to support the theoretical principles of the field the book reflects upon and extends the theory and philosophy behind the method as well as discussing new research in the area and how social dreaming practice is conducted in a range of localities situations and circumstances The book will appeal to anyone interested in the idea that social dreaming can help us to delve deeper into the question of what it means to be human from psychoanalysts to sociologists and

beyond *Infinite Possibilities of Social Dreaming* W. Gordon Lawrence, 2018-04-24 Examining recalled dreams with many others in a Social Dreaming Matrix leads to the transformation of the thinking embedded in the dreams There are infinite meanings to a dream by regarding the dream as an unconscious product of cultural knowledge not as an expression of the psyche exclusively opening new possibilities of thinking *Social Dreaming, Associative Thinking and Intensities of Affect* Julian Manley, 2018-08-23 This book describes a way of sharing dreams in a group called social dreaming It explores how the sharing of real night time dreams in a group can offer information on and insight into ourselves and the worlds we live in and share It investigates how we can turn dream images and ideas and feelings that arise from these images into conscious thought before describing the ways in which these can be used Using a background of the psychosocial combined with a philosophical lens influenced by the work of Gilles Deleuze Julian Manley shows how social dreaming can be understood as a Deleuzian rhizome of affects a web or a root design where things interconnect in a random and spontaneous fashion rather than in a sequential or linear way He illustrates how social dreaming can link dreams together into a collage of images and compares this to the rhizome where clusters of emotional intensity which emerge from the dream images weave and interconnect with other clusters forming a web of interlinked dream images and emotions From the basis of this rhizome emerges an interpretation of social dreaming as a body without organs and the social dreaming matrix as a smooth space where meanings emerge from the way these images form connections and come and go according to our emotions at any particular moment **Introduction to Social Dreaming** W. Gordon Lawrence, 2018-05-08 This book explains social dreaming by situating it in the context of thinking culture and knowledge and distinguishes how it differs from conventional therapeutic dreaming making the case for how it can be used in systems like business organizations educational institutions and hospitals *The Creativity of Social Dreaming* W. Gordon Lawrence, 2018-03-21 This broad range of papers covers different aspects of social dreaming The book begins with a summary of the Social Dreaming Matrix conceptualised as a temporary system with its intakes transformation processes and outputs The remaining chapters cover social dreaming in different contexts including amongst others from the perspectives of art architecture theatre working with immigrants with pilots and lawyers and family mediators and hospitals All the papers cover areas outside of the goal orientated activities of the institution and examine what they may be saying about the organization of the participants **Social Dreaming in the 21st Century** John Clare, Ali Zarbafi, 2019-06-06 We are running out of ideas in Western society Faced with global warming Third World devastation nuclear proliferation and the threat posed by religious conflict we need new ways of thinking After the loss and carnage of the Twentieth Century there is prevailing mood of uncertainty and paranoia yet at the same time a denial of tragedy a salvation fantasy an illusion that we will be saved The decline in social solidarity the fragmentation of communal values and a growing sense of I as opposed to we are all signs of an inversion of moral certitudes a disconnection from reality This book asks what methods do we have at our disposal to understand and reverse this breakdown of

communication within and between communities *The Palgrave Handbook of Psychosocial Studies* Stephen Frosh, Marita Vyrigioti, Julie Walsh, 2024-05-02 Over the past decades psychosocial studies has demonstrated its strengths and influence across diverse sites of theory and practice it continues to grow as an area of transdisciplinary research that dialogues with psychoanalysis sociology critical psychology cultural studies gender and sexuality studies and postcolonial studies The Palgrave Handbook of Psychosocial Studies is the first Major Reference Work to explore the history and depth of the field and offer a critical evaluation of contemporary theories empirical methods and practices of psychosocial studies With 50 chapters this state of the art collection reflects back on texts that have influenced the development of psychosocial studies from a 2020s perspective explores current major topics with evaluative reviews identifies newly emerging areas of enquiry features a wide range of international psychosocial voices Published chapters can be read and downloaded individually online <https://link.springer.com/referencework/10.1007/978-3-030-61510-9> The Palgrave Handbook of Psychosocial Studies is unique in covering a wide range of psychosocial topics and in being written accessibly from many different perspectives It will appeal to students scholars and practitioner researchers alike
