Social Work In Rural Communitites

Leon H. Ginsberg

Social Work In Rural Communities:

Rural Social Work in the 21st Century Michael Daley, 2019-08-01 Despite current population movement towards urban areas rural people remain a significant yet under served population These communities share a rich and distinctive culture but also face specific problems including higher rates of poverty increased rates of obesity and decreased access to health coverage and social services Rural Social Work in the 21st Century Second Edition provides a comprehensive overview of the knowledge skills values ethics and issues central to the practice of social work in small towns and rural communities The updated second edition features a new chapter on social economic and environmental justice An expanded history chapter presents new information on the use of poor farms to serve dependent rural people in the 19th and early 20th centuries Later chapters discuss rural social services a model for rural social work practice and ethical practice The final chapters focus on the practice of rural social work and challenges for the future Rural Social Work T. Laine Scales, Calvin L. Streeter, H. Stephen Cooper, 2013-07-03 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second edition Rural Social Work is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments Rural Social Work Second Edition explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice Rural Social Work Second Edition provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities

Social Work in Rural Communities Leon H. Ginsberg, 2011 This book is the fifth in a series of compendia edited by Leon Ginsberg on modern approaches to social work in rural areas Rural social workers face special problems related to their work locations such as professional isolation lack of supervision the almost inevitable existence of dual relationships and the different scale and emphases of life in small communities This highly readable text offers guidance on these and many other issues The volume contains 20 all new chapters by and for rural social work scholars educators and practitioners on the cutting edge subjects of the discipline Building on the previous editions the book includes new discussions of specific populations and social problems in rural areas the difficulties of educating recruiting and retaining rural social workers and

also addresses current issues such as technology and diversity in rural areas Council on Social Work Education We are a nonprofit national association representing individual members and graduate and undergraduate programs of professional social work education Founded in 1952 this partnership of educational and professional institutions social welfare agencies and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country CSWE Press is a niche publisher that addresses the needs of social work educators Some of our areas of publishing specialty are The philosophy theory and practice of teaching The process and evaluation of learning The organization and structure of social work education Diversity in all forms in social work practice and education Social work in multiple contexts

Rural Social Work T. Laine Scales, Calvin L. Streeter, H. Stephen Cooper, 2013-08-12 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second edition Rural Social Work is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments Rural Social Work Second Edition explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice Rural Social Work Second Edition provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities

Social Work in Rural Communities Leon H. Ginsberg, 1976 **Gerontological Social Work in Small Towns and Rural Communities** Lenard W. Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book's significance to social workers will only increase as more adults choose to live and grow

old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Rural Social Work Practice Nancy Lohmann,Roger A. Lohmann,2005 This book is a major development in rural social work scholarship It extends the knowledge base for teaching about and practicing social work in smaller non metropolitan communities **Rural Social Work Practice** O. William Farley,1982 **Back Home** Michael R. Daley,Regents Professor and Chair in the Department of Social Work Michael R Daley,Peggy Pittman-Munke,Social Work Program Director and Associate Professor Peggy Pittman-Munke,2025-01-17 Back Home brings together reader friendly chapters from experts in the field to support social work students and practitioners in a rural setting It extends the scope of rural social work to consider anti racism diversity equity and inclusion rural clinical practice rural advanced generalist practice and work with day laborers the elderly and children Social Work in Rural Communities Leon H. Ginsberg,2005
