had recommended a country restaurant outside of the city only known to locals and well worth the visit. It was pouring rain when we ventured out of the city in our rented minivan. After getting lost on the country roads then bumping and bouncing our way up the long winding paths we found ourselves at the front door of the restaurant. We couldn't help but wonder how a restaurant could survive in such a remote spot. Yet once out of the car to our surprise the views on the other side of the hill were glorious. Unfortunately the restaurant had ended lunch service and the doors were locked. At that point we were disappointed, freezing and wet. To our surprise the chef quietly opened the kitchen, relit the fireplace and generously worried about our comfort. Then in spite of just finishing a full service he proceeded to cook an incredible meal. There were so many courses that we were left in awe. Touched by the simple clean flavors and the rustic authentic cuisine we leaned back in our chairs and basked in the surprisingly rich experience. The chef sat down with us and we all talked for hours about Italy and food. What resulted was a lifelong friendship and many lessons in Tuscan cuisine. We knew that we had found something special that others would love to be a part of, a secret that the Florentines already knew. They would drive for an hour on Sundays to eat at this unspoiled spot. This was a find and a food haven. We would laugh that year about how we should make a book about the experiences we had in that restaurant. We wanted to share the feeling of his cuisine with other food lovers who dream about food as I do.

Audrey Gordon's Tuscan Summer Tom Gleisner, 2011-08-01

Join Audrey Gordon voted three times Britain's sternest chef as she travels to the heart of Italy and shares the recipes, produce and memories of her Tuscan summer. Visit traditional farmhouses, local trattorias and sample the stunning range of local produce on offer as Audrey shares the sights, sounds and occasionally smells of regional Italy. Then sample these delights at home with the range of delicious and easy to make recipes that Audrey inspired by Italian traditions has created for the home cook. This book is not directed at celebrity super chefs or haute cuisine high flyers, dazzling diners in their Michelin starred restaurants. It's written for you, the ordinary cook stuck at home with insufficient bench space and a set of chipped mixing bowls. My fervent hope is that it will inspire you, give you the confidence to believe that you can be a wonderful cook or at very least an adequate one. This book is meant as a guide, not a set of strict instructions; you may only deviate from it at your peril. There's no need to slavishly follow my every measurement and step. Does a violinist playing Beethoven not occasionally add a few notes? Or an aircraft pilot about to take off sometimes skip a pre-flight safety check or two? Of course. And so should you. I'm a no nonsense chef. If a recipe calls for squash and I think thinly sliced zucchini will work just as well, not to mention add a peppery crunch, then I'll just do it. That's what cooking should be about. Going with one's impulses and to hell with the consequences. That said, I've had years of practice and I simply can't be held responsible for any inevitable disappointment that might arise from your attempts at improvisation. If you are a novice in the kitchen, I'd strongly urge you to follow my recipes closely. And no matter how experienced you might be, please pay careful attention to each instruction. You'd be amazed at the number of people who read 'gently simmer' and then proceed to simmer gently, or who think that there's no real

difference between chopping tomatoes roughly and chopping them coarsely At the end of each chapter I've left a page or two for notes If you think you've got something to add that hasn't already been covered perfectly well then feel free to defile the book But I suggest you think twice before doing so Finally this book is not meant to be a monologue I want you to imagine I'm there in the kitchen with you helping guiding prodding and only occasionally wrapping your knuckles with the handle of an egg whisk XXX Audrey True Tuscan Cesare Casella,2005-09-06 A native of Lucca and the chef owner of Beppe Cesare Casella is the real thing when it comes to Tuscan food In True Tuscan Casella offers authentic recipes and Beppe favorites as well as history and legends culinary and otherwise of Italy's most adored region Tuscany has one of the richest cultural and culinary histories of all of Europe From Catherine di Medici who introduced the French to the fork and high heels to Italian cowboys this region boasts an intriguing and exciting heritage and an equally thrilling cuisine In True Tuscan Casella presents the Tuscany he knows the time honored recipes of his ancestors spiced with historical facts and gossip Casella is not afraid to update and improve as his Beppe dishes make clear but he is devoted to the Tuscan spirit which he is uniquely qualified to celebrate and explore These 125 tempting and satisfying recipes cover every course from antipasti to dolci and feature authentic flavors that promise to surprise and delight you and your guests **Leaves From Our Tuscan Kitchen**
