Douglas Canfield, Maja-Lisa von Sneidern, 2001-05-31 This is the first new full scale anthology of Restoration and eighteenth century drama in over sixty years. Concentrating on plays from the heyday of 1660-1737, it focuses especially on Restoration drama proper 1660-1688 and Revolution drama 1689-1714, with a smaller selection of plays from the early Georgian period 1715-1737 and a glimpse at the later Georgian period's laughing comedy 1770s and 80s. It includes nine sub-genres: heroic romance, political tragedy, personal tragedy, tragicomic romance, social comedy, subversive comedy, corrective satire, menippean satire, and laughing comedy, with the preponderance of exposure given to the jewel of this theatre, its comedy. The core canonical plays from the era, from Dryden's *All for Love* and Behn's *The Rover* to Congreve's *The Way of the World* and Sheridan's *School for Scandal*, are all here, but so are a remarkably wide range of non-canonical works. There are many more plays by women than in any previous general anthology of drama of the period. Also included are a number of works from the neglected 1660s whose comedies feature delightful subversive levelling folk elements. In all, there are forty-one plays, each is fully annotated and prefaced with an historical introduction. Also included are a general introduction, head notes for each genre, and a glossary. *Tell it to Women* Osonye Tess Onwueme, 1997 *Tell It To Women* gives traditional rural women a voice; the women from Idu break from their assumed position of silence and powerlessness to confront the urban women who believe their western education gives them the authority to speak for all women. Using the magic of movement, dance, and drama, and the devices of humor and metaphor, Osonye Tess Onwueme has created a post-feminist epic drama that transcends current feminist theories. An ideologically and politically powerful work, *Tell It to Women* offers a critical discourse on the western feminist movement from an African traditional perspective, focusing attention on the often silenced issues of intra-gender politics and class inequities. *Girl Talk 101: A Simple But Yet Complete Guide to Getting Your "Stuff" Together!* Erin Johnell Dickey, 2010-04-28 In her first personal growth book, *Girl Talk 101: A Simple But Yet Complete Guide To Getting Your Stuff Together*, author Erin Johnell Dickey examines many issues in which women face. These issues, better known as "stuff," are hindering many women from enjoying all that life has to offer them. It is imperative that women address inner issues such as pain inflicted by others and

self inflicted pain caused by negligence Women must also make their dreams become reality This book is meant to be an easy reader so that women on the go will have time to read it and apply it in their daily lives

**Happily Ever After Marriage** Sarah Hampson, 2011-01-04 Earlier in my post divorce life I thought marriage would never happen again for me Having exited a painful one I had no desire to enter another Why would anyone want to repeat a difficult experience I felt that my heart would never be as trusting as it once was I had lost my faith in marriage I wasn't sure it was the best custodian of love And I still feared how the wife identity could sabotage me I was content to sit to the side and let others have their turn at giving the institution a whirl from Happily Ever After Marriage

There's Nothing Like Divorce to Clear the Mind by Sarah Hampson After eighteen years of marriage and three children Sarah Hampson finds herself amongst the growing ranks of divorced MLWs Mid Life Women This is what happens when you are outside the marriage bubble she writes Suddenly you are in a parallel universe across some mythic river in a place where you are the un wife and you and your un husband are on the un married side And once there as some kind of compensation for the hardship of the journey you develop relationship X ray vision You know more than if you had never inhabited the bubble Illusions and delusions drop away Everything is clearer pp xi xii Hampson uses this newfound vantage point outside the marriage bubble to bravely explore the institution of matrimony She applies her famously warm perceptive and frequently hilarious perspective not only to her own marriage experience but also to those of her family and friends along with the myriad celebrities she has interviewed in more than a decade of journalism Hampson asserts that the tradition of unveiling the bride after the vows have been made is all wrong A bride wears a veil after she becomes a wife she writes For many it's a question of denial not just of what they want and their unhappiness but also of the characteristics in their mate p 138 With the veil lifted from her eyes Hampson scrutinizes the marriage assumptions she made as a child better able to see the domestic compromises made by her mother and grandmother as well as her own As a young girl growing up in a comfortably privileged household Hampson felt secure in her expectation that she would one day be taken care of by a husband The message in all quarters of our upbringing was that marriage was the life glue p 30 she writes Now an Un Married Hampson has no end of worries to keep her awake at night Will her children be irreparably damaged by the divorce

Will her Ghost Dad ex stop disappointing them and her How will she manage financially Will she find the serenity she craves And yet despite her worries Hampson finds that as a mature and independent woman she has access to the sort of security and self possession that she sorely lacked when married She traces her divorce journey from her hilarious Un marriage Ceremony selling her wedding ring to a junk gold broker to a more fully realized state of being in which life can be viewed as a carnival of choices good and bad wise and regrettable designed not to teach us pride in ourselves for engineering whatever successes we may have but humility in acceptance of how it happened to unfold p 280 Candid humorous and full of fascinating stories Happily Ever After Marriage is part modern guide part passionate conversation with friends and part meditation on what can be seen as a new rite of passage to self actualization in mid life By bravely examining her own life Hampson brings clarity to the underlying cultural messages that inform the choices we make and shows how embracing change at mid life can open oneself to new possibilities of connectedness

**Silent Sorrows: Let's Talk About Abortion, Reproductive Technologies, and Adoption** Katherine Breckenridge, 2024-05-15 Today's self indulgent society is one in which satisfying one's desires at the expense of others prevails This mindset is particularly common in areas of procreation such as abortion and various assisted reproductive technologies Through a lens that combines Christianity natural law and scientific reason this book discusses how the breakdown of man woman marriage biological connection the destruction and disregard for human life and the objectification and commodification of women and children manufactures trauma in not only adults but in children This trauma is evidenced by the stories of adult children who are victims of society's current cultural trends as well as evidenced by the research of various psychologists sociologists and other professionals For too long adults have been asking children to conform to their ways of living assuming children will just get over it and children are now starting to speak out about the harms of their upbringings It's essential to illuminate their voices as these familial breakdowns have become so normal that we currently can't talk about any of their negative aspects with any degree of common sense
