Tall Tale Postcards A Pictorial History:

Tall-tale Postcards Roger L. Welsch, 1976 *Encyclopedia of Humor Studies* Salvatore Attardo, 2014-02-25 The Encyclopedia of Humor Studies explores the concept of humor in history and modern society in the United States and internationally This work s scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader s Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader s Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore Key Themes Anthropology Folklore and Ethnicity Antiquity Components of Humor Culture Entertainment Industry History Literature and Major Literary Figures Performing Arts Philosophy and Religion Politics Psychology Clinical and Counseling Psychology Cognition Developmental Psychology General Psychology Health Psychology Interpersonal Relationships Motivation and Emotion Neuropsychology Personality and Social Psychology Tests and Measurement Professions Business World Education Law Humor Theory Linguistics Mathematics Computer Science and the Internet National Ethnic and Regional Humor Africa Americas Asia Europe Middle East Physiology and Biology Sociology Visual Humor **Postcard America** Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular

with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images **Michigan History Magazine** ,1997

Encyclopedia of American Folklife Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

Encyclopedia of Ephemera Michael Twyman,2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets

and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture **On the Trail of the Jackalope** Michael P.

Branch,2022-03-01 The never before told story of the horned rabbit the myths the hoaxes and the entirely real scientific breakthroughs it has inspired and how it became a cultural touchstone of the American West Just what is a jackalope Purported to be part jackrabbit and part antelope the jackalope began as a local joke concocted by two young brothers in a small Wyoming town during the Great Depression Their creation quickly spread around the U S where it now regularly appears as innumerable forms of kitsch wall mounts postcards keychains coffee mugs shot glasses and so on A vast body of folk narratives has carried the jackalope s fame around the world to inspire art music film even erotica Although the jackalope is an invention of the imagination it is nevertheless connected to actual horned rabbits which exist in nature and have for centuries been collected and studied by naturalists Around the time the two young boys were creating the first jackalope in Wyoming Dr Richard Shope was making his first breakthrough about the cause of the horns a virus When the virus that causes rabbits to grow horns a keratinous carcinoma was first genetically sequenced in 1984 oncologists were able to use that genetic information to make remarkable field changing advances in the development of anti viral cancer therapies The most important of these is the human papillomavirus HPV vaccine which protects against cervical and other cancers Today jackalopes are literally helping us cure cancer For fans of David Quammen s *The Song of the Dodo* Jon Mooallem s *Wild Ones* or Jeff Meldrum s *Sasquatch* Michael P Branch s remarkable *On the Trail of the Jackalope* is an entertaining and enlightening road trip through the heart of America *Handbook of American Folklore* Richard M. Dorson,1986-02-22

Includes material on interpretation methods and presentation of research *American Wildlife in Symbol and Story* Angus K. Gillespie,2003-03 Seven folklorists demonstrate how Americans use distinctively American wild animals to express national attitudes about such crucial matters as politics race gender sex and danger The seven folklorists in this volume examine the symbolic use of one animal turkey rattlesnake alligator armadillo bear fox or coyote drawing on sources from Chaucer to early colonial texts ***Southern Folklore Quarterly*** Alton Chester Morris,1974 Includes section Book reviews

Translating Southwestern Landscapes Audrey Goodman,2022-02-08 Winner of the Western Literature Association s Thomas J Lyon Award Whether as tourist s paradise countercultural destination or site of native resistance the American Southwest has functioned as an Anglo cultural fantasy for more than a century In *Translating Southwestern Landscapes* Audrey Goodman excavates this fantasy to show how the Southwest emerged as a symbolic space from 1880 through the early decades of the twentieth century Drawing on sources as diverse as regional magazines and modernist novels Pueblo portraits and New York exhibits Goodman has crafted a wide ranging history that explores the invention translation and representation of the Southwest Its principal players include amateur ethnographer Charles Lummis who conflated the critical work of cultural translation pulp novelist Zane Grey whose bestselling novels defined the social meanings of the

modern West fashionable translator Mary Austin whose re expressions of Indian song are contrasted with recent examples of ethnopoetics and modernist author Willa Cather who demonstrated an immaterial feeling for landscape from the Nebraska Plains to Acoma Pueblo Goodman shows how these writers as well as photographers such as Paul Strand Ansel Adams and Alex Harris exhibit different phases of the struggle between an Anglo calling to document Native and Hispanic difference and America's larger drive toward imperial mastery In critiquing photographic representations of the Southwest she argues that commercial interests and eastern prejudices boiled down the experimental images of the late nineteenth century to a few visual myths the persistence of wilderness the innocence of early portraiture and the purity of empty space An ambitious synthesis of criticism and anthropology art history and geopolitical theory *Translating Southwestern Landscapes* names the defining contradictions of America's most recently invented cultural space It shows us that the Southwest of these early visitors is the only Southwest most of us have ever known

The Catskills in Vintage Postcards Irwin

Richman, 1999-11-15 This fascinating new history of the Catskills of New York showcases more than two hundred of the best most evocative vintage postcards available From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication Many of the postcards produced during this golden age and even some from later years can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores and five and dimes across the country survive as telling reminders of an important era in America's history

Nowhere in America Hal Rammel, 1990 A magical tour through the imaginary terrain of the comic imagination as revealed in children's lore literature folktales travel lies film comedies cartoons comic books and folksongs With 14 bandw illustrations Annotation copyrighted by Book News Inc Portland OR

Folklore Forum, 1979 *The Journal of American Folklore*, 1988 *In the Vernacular* Stacey McCarroll Cutshaw, Ross Barrett, Bernard L. Herman, Daile Kaplan, 2008 Considers photography as a vernacular practice drawing from a collection of 4000 images including snapshots wedding photographs news and advertising images insurance pictures family pictures travel albums grade school class portraits and pin up photographs Includes essays by Ross Barrett Stacey McCarroll Cutshaw Rernard L Herman and Daile Kaplan

Greetings from Alabama: A Pictorial History in Vintage Postcards Wade

Hall, 2016-09-01 Although he was a native of Bullock County Alabama Wade Hall teacher writer poet critic interviewer folklorist and documentarian spent most of his fifty year career in Kentucky But he was never emotionally far from his home as evidenced by his passion for collecting vintage Alabama postcards In his lifetime he amassed 10 000 which he then graciously gave to the University of Alabama Libraries and Troy University in a large joint bequest that also included rare books quilts folk art letters and more These postcards date from the late 1800s to the mid 20th century and offer a fascinating and diverse picture of the state The meaning of postcards that could be purchased as a travel souvenir is largely

forgotten today when cameras are commonplace But the value of Hall s stunning collection cannot be missed The some 400 cards featured in Greetings from Alabama are revealing of scenes familiar and rare From Birmingham s Vulcan to Mobile s Bellingrath Gardens from Enterprise s boll weevil monument to Huntsville s rockets from Helen Keller s home to William Rufus King s resting place the scenes offer captivating glimpses of Alabama history *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1977 *The Publishers Weekly* ,1975 *Abroad* Paul Fussell,1982-06-17 A book about the meaning of travel about how important the topic has been for writers for two and a half centuries and about how excellent the literature of travel happened to be in England and America in the 1920s and 30s

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Tall Tale Postcards A Pictorial History** .
