**The Reader's Guide to the Talmud** Jacob Neusner, 2001 This systematic introduction to the Talmud of Babylonia Bavli answers basic questions of form how is this a coherent document How do we make sense of the several languages in which it is written What are the principal parts of the complex writing Turning to questions of modes of thought the account proceeds to address the intellectual character of the Bavli and in particular the character and uses of its dialectics Finally questions of substance come to the fore how does the Talmud relate to the Torah and how does tradition enter in These basic questions of rhetoric topic and logic that anyone approaching the text will raise are dealt with clearly and authoritatively Ezekiel in Talmud and Midrash Jacob Neusner, 2007-03-29 The Rabbis of classical Judaism in the first six centuries of the Common Era commented on the teachings of ancient Israel's prophets and shaped as much as they were shaped by prophecy They commented on much of the Scriptural heritage and they made it their own This collection of the Rabbinic comments on biblical books makes easily accessible the Rabbinic reading of the prophetic heritage and opens the way to the study of how normative Judaism responded to the challenge of the prophetic writings The Talmud of Relationships Amy Scheinerman, 2018 How can I tame my ego How might I control my anger How might I experience the spirituality of sexual intimacy How can I bestow appropriate honor on a difficult parent How might I accept my own suffering and the suffering of those whom I love Enter the Talmudic study house with innovative teacher Rabbi Amy Scheinerman and continue the Jewish values based conversations that began two thousand years ago The Talmud of Relationships Volume 1 shows how the ancient Jewish texts of Talmud can facilitate modern relationship building with parents children spouses family members friends and ourselves Scheinerman devotes each chapter to a different Talmud text exploring relationships and many of the selections are fresh largely unknown passages Overcoming the roadblocks of language and style that can keep even the curious from diving into Talmud she walks readers through the logic of each passage offering full textual translations and expanding on these richly complex conversations so that each of us can weigh multiple perspectives and draw our own conclusions Scheinerman provides grounding in why the selected passage matters its historical background a gripping narrative of the rabbis evolving commentary insightful anecdotes and questions for thought and discussion and a cogent synopsis Through this firsthand encounter with the core text of Judaism readers of all levels Jews and non Jews newcomers and veterans students and teachers individuals and chevruta partners and families alike will discover the treasure of the oral Torah

**Jeremiah in Talmud and Midrash** Jacob Neusner, 2006-06-02 This sourcebook collects and classifies how Israelite Scripture was received and recast in the language community that produced the dual Torah of Judaism It is well known that verses of prophecy figure as proof texts in Rabbinic exegesis of scriptural narratives but to what end and with what larger concept in mind With extensive translation and documentation author Jacob Neusner uses the case of Jeremiah in the Rabbinic canon of the formative age to examine the Rabbinic document's response to the prophetic ones in terms of how they

select explain and utilize the language of Scripture The book also explores how one particular kind of ancient Israelite Scripture the prophetic books found a place in the new language community formed by the Rabbinic sages and documented in their canon from the Mishnah ca 200 C E through the Talmud of Babylonia aka the Bavli ca 600 C E *The Talmud of Relationships, Volume 1* Amy Scheinerman, Rabbi, 2018-01-01 How can I tame my ego How might I control my anger How might I experience the spirituality of sexual intimacy How can I bestow appropriate honor on a difficult parent How might I accept my own suffering and the suffering of those whom I love Enter the Talmudic study house with innovative teacher Rabbi Amy Scheinerman and continue the Jewish values based conversations that began two thousand years ago The Talmud of Relationships Volume 1 shows how the ancient Jewish texts of Talmud can facilitate modern relationship building with parents children spouses family members friends and ourselves Scheinerman devotes each chapter to a different Talmud text exploring relationships and many of the selections are fresh largely unknown passages Overcoming the roadblocks of language and style that can keep even the curious from diving into Talmud she walks readers through the logic of each passage offering full textual translations and expanding on these richly complex conversations so that each of us can weigh multiple perspectives and draw our own conclusions Scheinerman provides grounding in why the selected passage matters its historical background a gripping narrative of the rabbis evolving commentary insightful anecdotes and questions for thought and discussion and a cogent synopsis Through this firsthand encounter with the core text of Judaism readers of all levels Jews and non Jews newcomers and veterans students and teachers individuals and chevruta partners and families alike will discover the treasure of the oral Torah **The Talmud of Babylonia** Jacob Neusner, 1995 [Theology of the Oral Torah](#) Jacob Neusner, 1999 The Theology of the Oral Torah demonstrates the cogency and inner rationality of the classical statement of Judaism in the Oral Torah bringing a theological assessment to bear on the whole of rabbinic literature Jacob Neusner shows how the proposition *The Documentary History of Judaism and Its Recent Interpreters* Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner s entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then

come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis

**Extra- and Non-Documentary Writing in the Canon of Formative Judaism, Vol. 3**  
Jacob Neusner, 2001 Rabbinic literature in its formative age from the Mishnah through the Bavli ca 100 600 c e is comprised by documents that relate to one another in three ways First they are autonomous and self contained second they are connected with one another and third they are continuous with one another Some point to the connections in the form of parallel versions of sayings or stories as evidence against the theory that the documents possess integrity Volume Three reprises Neusner's The Peripatetic Saying The Problem of the Thrice Told Tale in Talmudic Literature Chico 1985 Scholars Press for Brown Judaic Studies It responds to critics of the documentary reading of the canonical documents of Rabbinic Judaism in the formative age who make much of the variations in manuscript readings of sayings and stories These variations are so different from one another that so the critics maintain they call into question the very conception of a document Each manuscript let alone each compilation has its own representation of a given compilation there are no determinate documents That is because the documentary program of rhetoric topic and logic of coherent discourse makes no impact on sayings or stories that circulate beyond the limits of any one document All we have are diverse versions of we know not what For the sample covered in these pages claims that parallels move from document to document vastly exaggerate the range of variation The variant readings are paltry and pointless just like the parallels to which Volumes One and Two are devoted

*How the Talmud Works* Jacob Neusner, 2002-10-01 The Bavli or Talmud of Babylonia the foundation document of Judaism its law theology and exegesis of Scripture sets forth an orderly world resting on reason and tested by rationality all in accord with consistent principles The document in its coherent intellectual program of inquiry and in its modes of formal cogency embodies that same passion for order proportion and rationality that animates its concrete discussions Here Neusner spells out the problem of the Bavli's intellectual cogency and formal coherence He provides in exemplary detail the evidence that sustains that characterization of the writing

*The Talmud in Dispute During the High Middle Ages* Fidora, Alexander, Hasselhoff, Görge, 2019-12-17 The Christian discovery of the Babylonian Talmud is a significant landmark in the long and complex history of anti Jewish polemic While the Talmudic corpus developed in the same period as early Christianity this post biblical text was largely unknown to the Christians Full awareness of the Talmud among Christian authors did not arise until the late 1230s when the Jewish convert Nicholas Donin presented a Latin translation of Talmudic fragments to Pope Gregory IX Though the Talmud was subsequently put on trial 1240 and burnt 1241 2 in Paris the controversy surrounding it continued over the following years as Pope Innocent IV called for a revision of its condemnation The textual

basis for this revision is the *Extractiones de Talmud* that is a Latin translation of 1 922 Talmudic fragments The articles in this volume shed new light on this monumental translation and its historical context They also offer critical editions of related texts such as Donin's anti Talmudic polemic Authors of the contributions are Wout van Bekkum Piero Capelli Ulisse Cecini Enric Cort's scar de la Cruz Palma Federico Dal Bo Alexander Fidora G rge K Hasselhoff Mois's Orfali Ursula Ragacs and Eul lia Vernet i Pons *Habakkuk, Jonah, Nahum, and Obadiah in Talmud and Midrash* Jacob Neusner, 2007 The Rabbis of classical Judaism in the first six centuries of the Common Era commented on the teachings of ancient Israel's prophets and shaped as much as they were shaped by prophecy They commented on much of the Scriptural heritage and they made it their own This collection of the Rabbinic comments on biblical books makes easily accessible the Rabbinic reading of the prophetic heritage and opens the way to the study of how normative Judaism responded to the challenge of the prophetic writings

**Mekhilta attributed to Rabbi Ishmael (3 pt.)** Jacob Neusner, 1997 Constructions of Gender in Religious Traditions of

Late Antiquity Kathy Ehrensperger, Juni Hoppe, Shayna Sheinfeld, 2024-03-26 This volume examines questions concerning the construction of gender and identity in the earliest days of what is now Judaism Christianity and Islam Methodologically explicit the contributions analyze textual and material sources related to these religious traditions in their cultural contexts The sources examined are predominantly products of patriarchal elite discourses requiring innovative approaches to unveil aspects of gender otherwise hidden This volume extends the discussion represented in the volume Gender and Second Temple Judaism 2020 and highlights the fruitfulness of interdisciplinary research beyond anachronistic discipline distinctions

The Halakhah, Volume 1 Part 1 Jacob Neusner, 2021-11-15 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah
