Taming The Paper Tiger At Home:

Taming The Paper Tiger At Home Barbara Hemphill, 2002-01-01 *Taming the Paper Tiger at Work* Barbara Hemphill, 1998 Most people have an area they'd like to get more organized. At work it could be a desk buried in phone messages, memos, and work in process; overstuffed file cabinets or indecipherable computer files. At home maybe it's a dining room table laden with bills and receipts, a pile of articles waiting to be read, or photographs that need labeling. No matter what the situation, Barbara Hemphill has the practical solution to help control these Paper Tigers. For twenty years, Hemphill, America's leading professional organizer, has shown people how to create sensible, workable paper management systems. In these two books, she presents her F A T system: File, Act, Toss, which helps readers determine what needs keeping. Then she shows how to develop easy access filing systems for those items. And because the paperless office never arrived, Hemphill also thoroughly covers organization for the computer and details how best to use it, and paper systems together. Her practical tips turn even the most cluttered spaces into places where To Do lists actually get done.
