Tango Discusion Y Clave:

Sobre héroes y tumbas Ernesto Sábato, 2004 Gardel, tango que me hiciste bien , 1985 **Seven Conversations with Jorge Luis Borges** Fernando Sorrentino, 2010

These wide ranging conversations have an exceptionally open and intimate tone giving us a personal glimpse of one of the most fascinating figures in contemporary world literature

Interviewer Fernando Sorrentino an Argentinian writer and anthologist is endowed with literary acumen sensitivity urbanity and an encyclopedic memory of Jorge Luis Borges work in his prologue Borges jokes that Sorrentino knows his work much better than I do Borges wanders from nostalgic reminiscence to literary criticism and from philosophical speculation to political pronouncements His thoughts on literature alone run the gamut from the Bible and Homer to Ernest Hemingway and Julio Cortázar We learn that Dante is the writer who has impressed Borges most that Borges considers Federico García Lorca to be a second rate poet and that he feels Adolfo Bioy Casares is one of the most important authors of this century Borges dwells lovingly on Buenos Aires too

From the preface For seven afternoons the teller of tales preceded me opening tall doors which revealed unsuspected spiral staircases through the National Library's pleasant maze of corridors in search of a secluded little room where we would not be interrupted by the telephone The Borges who speaks to us in this book is a courteous easy going gentleman who verifies no quotations who does not look back to correct mistakes who pretends to have a poor memory he is not the terse Jorge Luis Borges of the printed page that Borges who calculates and measures each comma and each parenthesis Sorrentino and translator Clark M Zlotchew have included an appendix on the Latin American writers mentioned by Borges

Tango And The Political Economy Of Passion Marta Savigliano, 2018-02-06

What is tango Dance music and lyrics of course but also a philosophy a strategy a commodity even a disease This book explores the politics of tango tracing tango's travels from the brothels of Buenos Aires to the cabarets of Paris and the shako dansu clubs of Tokyo The author is an Argentinean political theorist and a dance professor at the University of California at Riverside She uses her tango tongue to tell interwoven tales of sexuality gender race class and national identity Along the way she unravels relations between machismo and colonialism postmodernism and patriarchy exoticism and commodification In the end she arrives at a discourse on decolonization as intellectual unlearning Marta Savigliano's voice is highly personal and political Her account is at once about the exoticization of tango and about her own fate as a Third World woman intellectual A few sentences from the preface are indicative Tango is my womb and my tongue a trench where I can shelter and resist the colonial invitations to universalism a stubborn fatalist mood when technocrats and theorists offer optimistic and seriously revised versions of alternatives for the Third World an opportunistic metaphor to talk about myself and my stories as a success of the civilization development colonization of América Latina and a strategy to figure out through the history of the tango a hooked up story of people like myself Tango is my changing resourceful source of identity And because I am where I am outside tango hurts and comforts me Tango is a sad thought that can be danced Savigliano employs the tools of

ethnography history body movement analysis and political economy Well illustrated with drawings and photos dating back to the 1880s this book is highly readable entertaining and provocative It is sure to be recognized as an important contribution in the fields of cultural studies performance studies decolonization and women of color feminism **Deception** Majkut, Paul, Carrillo Canan, Alberto J.
