Tango Para Principiantes:

Un tango para las dos Mimi L. Soberano, 2023-12-26 Sara es una joven de veinticinco años dedicada a su trabajo y estudios. Cuando era niña perdió a la mayor parte de los miembros de su familia en un accidente por el cual se convirtió en una joven solitaria. Una noche decide salir de su rutina diaria para acudir a un evento muy importante de su mejor amiga en dicho evento. Conoce a Alexander Ruedas. Con él siente una conexión inmediata y al poco tiempo se convierten en pareja. Le presenta una noche a sus padres y es entonces cuando Sara conoce a su suegra Ana, una mujer muy atractiva de cuarenta y dos años maestra de arte y que está casada con su mejor amigo de la infancia. En el pasado, Ana fue víctima durante su niñez de maltrato físico y psicológico por parte de su papá, un extremista religioso que desapareció de la vida de Ana después de un trágico acontecimiento familiar. Ana crece con miedos reprimiendo su sexualidad y sus sentimientos escondidos con su madre y con su amigo Demian sin imaginar que la tragedia del pasado pronto volvería a aparecer en su vida. Al mismo tiempo surge el reencuentro con el amor que se presenta con la persona menos esperada.

Argentine Queer Tango Mercedes Liska, 2016-12-24 Argentine Queer Tango Dance and Sexuality Politics in Buenos Aires investigates changes in tango dancing in Buenos Aires during the first decade of the twenty-first century and its relationship to contemporary social and cultural transformations. Mercedes Liska focuses on one of the proposed alternatives to conventional tango queer tango which proposes to rethink one of the alleged icons of a national culture from a feminist conception and to imagine social transformation processes from bodily experiences. Specifically this book analyzes the value of bodily experiences, the redefinition of the mind-body relationship and the transformation in the dynamics of the dance from the heteronormative movements of tango. In doing so, Liska addresses the ways in which bodily techniques and gender theories are involved in the denaturing and corporeality decoding of tango and its historical senses as

well as the connections between different tango dance practices spread throughout the world

Hombres de tango-El seductor Silvano Marconi, 2018-03-09 La vida del seductor de tango de ese hombre que usa la milonga como terreno de caza de sus hembras. Se trata de una figura que se destaca en el medio de los mediocres personajes que claudican por la milonga una figura tan pica inconfesada e inconfesable un personaje que no podrá existir tal como es sin la milonga y que sin ella la milonga no será la misma.

Aquí se baila el tango María Julia Carozzi, 2019-11-20 Segundo relato canónico la historia del tango es la historia de un viaje ultramarino siempre marcada por el prestigio de sus éxitos en Europa. Esto explica tanto su consagración inicial hacia 1910 como su vigoroso resurgimiento de los últimos años. Sin embargo, esta historia oculta un universo amplio y heterogéneo de contextos en que se baila tango en Buenos Aires. A partir de una etnografía de las clases de tango y las milongas céntricas, este libro analiza los procesos locales que hicieron posible y acompañaron el crecimiento del baile a partir del advento de la democracia. Prestando especial atención a los movimientos del cuerpo así como a los desplazamientos en el espacio, María Julia Carozzi recorre los conflictos y las alianzas en torno a los estilos de baile la legitimidad para transmitirlos y los espacios donde practicarlos que se
