Tanner Lectures Vol 19 Tanner Lectures On Human Values:

Redistribution Or Recognition? Nancy Fraser, Axel Honneth, 2003 A debate between two philosophers who hold different views on the relation of redistribution to recognition

Equality John Baker, K. Lynch, Sara Cantillon, Judy Walsh, 2016-05-23 How can egalitarian ideals be put into action This ground breaking book sets out a new interdisciplinary model for equality studies Integrating normative questions about the ideal of equality with empirical issues about the nature of inequality it applies a new framework to a wide range of contemporary inequalities Proposing far reaching changes in the economy politics law education and research practices it sets out innovative political strategies for achieving those aims It is an invaluable resource for both academics and activists

Recognition and Religion Maijastina Kahlos, Heikki J. Koskinen, Ritva Palmén, 2019-03-01 This book focuses on recognition and its relation to religion and theology in both systematic and historical dimensions While existing research literature on recognition and contemporary recognition theory has been gradually growing since the early 1990s certain gaps remain in the field covered so far One of these is the multifaceted interaction between the phenomena of recognition and religion Since recognition applies to persons institutions and normative entities like systems of beliefs it also provides a very useful analytic and interpretative tool for studying religion Divided into five sections with chapters written by established scholars in their respective fields the book explores the roots history and limits of recognition theory in the context of religious belief Exploring early Christian and medieval sources on recognition and religion it also offers contemporary applications of this underexplored combination This is a timely book as debates over religious identities problematic forms of extremism and societal issues related with multiculturalism continue to dominate the media and politics It will therefore be of great interest to scholars of recognition studies as well as religious studies theology philosophy and religious and intellectual history

Handbook of Research in the Social Foundations of Education Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 This groundbreaking volume helps readers understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study

Food Justice and Narrative Ethics Beth A. Dixon, 2018-09-06 Beth A Dixon explores how food justice impacts on human lives Stories and reports in national media feature on the one hand hunger famine and food scarcity and on the other rising rates of morbid obesity and health issues Other stories food justice narratives illustrate how to correct the ethical damage created by the first type of story They detail the nature of oppression and structural injustice and show how these conditions constrain choices truncate moral agency and limit opportunities to live well With stories from national media food and farming memoirs and scholarly ethnographies Dixon reveals how different food narratives are constructed and enable identification of just solutions to issues surrounding food insecurity farm labor and the lived experience of obesity Drawing on Aristotle s concept of ethical perception Dixon demonstrates how we can use narratives to enhance our understanding and ethical competence about injustice in relation to

food Food Justice and Narrative Ethics is a must read for students of food studies philosophy and media studies **Evolution of Mind, Brain, and Culture** Gary Hatfield, Holly Pittman, 2013-04-19 Evolution of Mind Brain and Culture draws together studies in archaeology anthropology psychology philosophy genetics neuroscience and environmental science to investigate the evolution of the human mind the brain and the human capacity for culture **The Routledge Handbook of Philosophy of Well-Being** Guy Fletcher, 2015-07-30 The concept of well being is one of the oldest and most important topics in philosophy and ethics going back to ancient Greek philosophy Following the boom in happiness studies in the last few years it has moved to centre stage grabbing media headlines and the attention of scientists psychologists and economists Yet little is actually known about well being and it is an idea that is often poorly articulated The Routledge Handbook of Philosophy of Well Being provides a comprehensive outstanding guide and reference source to the key topics and debates in this exciting subject Comprising over 40 chapters by a team of international contributors the Handbook is divided into six parts well being in the history of philosophy current theories of well being including hedonism and perfectionism examples of well being and its opposites including friendship and virtue and pain and death theoretical issues such as well being and value harm identity and well being and children well being in moral and political philosophy well being and related subjects including law economics and medicine Essential reading for students and researchers in ethics and political philosophy it is also an invaluable resource for those in related disciplines such as psychology politics and sociology **The Routledge Handbook of Collective Responsibility** Saba Bazargan-Forward, Deborah Tollefsen, 2020-04-19 The Routledge Handbook of Collective Responsibility comprehensively addresses questions about who is responsible and how blame or praise should be attributed when human agents act together Such questions include Do individuals share responsibility for the outcome or are individuals responsible only for their contribution to the act Are individuals responsible for actions done by their group even when they don t contribute to the outcome Can a corporation or institution be held morally responsible apart from the responsibility of its members The Handbook s 35 chapters all appearing here for the first time and written by an international team of experts are organized into four parts Part I Foundations of Collective Responsibility Part II Theoretical Issues in Collective Responsibility Part III Domains of Collective Responsibility Part IV Applied Issues in Collective Responsibility Each part begins with a short introduction that provides an overview of issues and debates within that area and a brief summary of its chapters In addition a comprehensive index allows readers to better navigate the entirety of the volume s contents The result is the first major work in the field that serves as an instructional aid for those in advanced undergraduate courses and graduate seminars as well as a reference for scholars interested in learning more about collective responsibility **The Illusion of Well-Being** Mark D. White, 2014-09-04 The use of measures of economic output to guide policymaking has been criticized for decades because of their weak ties to human well being Recently many scholars and politicians have called for measures of happiness or subjective well being to be used to guide policy in people s true interests In The Illusion of Well

Being Mark D White explains why using happiness as a tool for policymaking is misguided and unethical Happiness is too vague a term to define and too general a concept to measure in a way that captures people s true feelings He extends this critique to well being in general and concludes that no measure of well being can do justice to people s true interests which are complex multifaceted and subjective White suggests instead that policymaking be conducted according to respect and responsiveness promoting the true interests of citizens while addressing their real needs and devoting government resources to where they can do the most good

Racism in Mind Michael P. Levine,Tamas Pataki,2018-08-06 This philosophical analysis of the phenomenon of racism brings together some of the most influential analytic philosophers writing on racism today The introduction by Tamas Pataki outlines the historical and thematic development of conceptions of race and racism and locates the following essays against the backdrop of contemporary reactions to that development While the framework is primarily analytic the volume also includes essays deeply informed by psychoanalysis phenomenology and feminist and social theory The fourteen chapters in this collection address three interrelated questions What is racism What are the causes of racism And what are the moral and political implications of racism Although their approaches are wide ranging the contributors to Racism in Mind broadly endorse a psychological characterological approach to the understanding of many aspects of racism

European Anti-Discrimination and the Politics of Citizenship C. Bertossi, 2006-11-28 This book looks at transformations in citizenship politics in the EU Member States It argues that the anti discrimination agenda in the Treaty of Amsterdam has affected traditional patterns of national integration of ethnic minorities and migrants in Europe Comparing France and Britain it also looks at religious factors and Islam in Europe

The Social Origins of Language Robert M. Seyfarth, Dorothy L. Cheney, 2017-12-05 How human language evolved from the need for social communication The origins of human language remain hotly debated Despite growing appreciation of cognitive and neural continuity between humans and other animals an evolutionary account of human language in its modern form remains as elusive as ever The Social Origins of Language provides a novel perspective on this question and charts a new path toward its resolution In the lead essay Robert Seyfarth and Dorothy Cheney draw on their decades long pioneering research on monkeys and baboons in the wild to show how primates use vocalizations to modulate social dynamics They argue that key elements of human language emerged from the need to decipher and encode complex social interactions In other words social communication is the biological foundation upon which evolution built more complex language Seyfarth and Cheney s argument serves as a jumping off point for responses by John McWhorter Ljiljana Progovac Jennifer E Arnold Benjamin Wilson Christopher I Petkov and Peter Godfrey Smith each of whom draw on their respective expertise in linguistics neuroscience philosophy and psychology Michael Platt provides an introduction Seyfarth and Cheney a concluding essay Ultimately The Social Origins of Language offers thought provoking viewpoints on how human language evolved

Transformative Constitutionalism in Latin America Armin von Bogdandy, Eduardo Ferrer Mac-Gregor, Mariela Morales Antoniazzi, Flávia Piovesan, 2017 This ground breaking collection of essays outlines and explains the unique development of Latin American jurisprudence It introduces the idea of the *Ius Constitutionale Commune en America Latina* ICCAL an original Latin American path of transformative constitutionalism to an Anglophone audience for the first time It charts the key developments that have transformed the region and assesses the success of the constitutional projects that followed a period of authoritarian regimes in Latin America Coined by scholars who have been documenting conceptualizing and comparing the development of Latin American public law for more than a decade the term ICCAL encompasses themes that cross national borders and legal fields taking in constitutional law administrative law general public international law regional integration law human rights and investment law Not only does this volume map the legal landscape it also suggests measures to improve society via due legal process and a rights based supranational and regionally rooted constitutionalism The editors contend that with the strengthening of democracy the rule of law and human rights common problems such as the exclusion of wide sectors of the population from having a say in government as well as corruption hyper presidentialism and the weak normativity of the law can be combatted more effectively in future

Educational Leadership and Moral Literacy Patrick M. Jenlink, 2014-03-18 What makes a moral person moral Who decides what morality means What makes leadership practice moral In today s schools what stands as

moral leadership These are questions that reflect the complexity integral to the calculus of human morality especially in a world that is defined daily by its variant meanings of morality its acts of immorality The school as an educational setting is or should be a decidedly moral center of the society it is the natural intersect between the family and the multi dimensional nature of public life Educational Leadership and Moral Literacy addresses these questions situating the reader in a conversation that examines the meaning and nature of moral leadership through the lens of moral literacy and the dispositional aims of moral leadership in educational settings The contributing authors extend an argument that the work of leader educators and practitioners alike must continuously be re articulated around the dispositional aims aligned with a moral democratic education Educators must be concerned with developing the moral intellectual and aesthetic dimensions of the educational leader as a moral person

Eco-Sufficiency and Global Justice Ariel Salleh, 2009-01-20 As the twenty first century faces a crisis of democracy and sustainability this book brings women academics and alternative globalisation activists into conversation Through studies of global neoliberalism ecological debt climate change and the ongoing devaluation of reproductive and subsistence labour these uncompromising essays by women thinkers expose the limits of current scholarship in political economy ecological economics and sustainability science

Power, Neoliberalism, and the Reinvention of Politics Amy Allen, Eduardo Mendieta, 2022-08-08 Wendy Brown is one of the most prolific and influential political theorists of her generation This collection of essays designed for the undergraduate classroom presents an introduction to and critical assessment of Brown s substantial body of work with a particular focus on her contributions to the tradition of critical theory Coeditors Amy Allen and Eduardo Mendieta provide an overview of Brown s work situating her scholarship in relation to some of the major thinkers and methodologies of the Frankfurt School Brown opens the discussion with a new essay expounding upon the meaning of freedom and the prospects for emancipation in our current political moment Subsequent chapters address different aspects of Brown s corpus including her early feminist interpretation of the history of political theory her influential critiques of identity politics and progressive philosophies of history and her recent interrogation of the rise of neoliberalism and the resurgence of authoritarian politics The volume concludes with Brown s response to her critics where she clarifies and expands upon the implications of her core ideas In addition to Brown and the editors the contributors to this volume include Robin Celikates Loren Goldman Asad Haider Robyn Marasco and Johanna Oksala

Courts and Social Transformation in New Democracies Roberto Gargarella, Theunis Roux, 2017-03-02 Using case studies drawn from Latin America Africa India and Eastern Europe this volume examines the role of courts as a channel for social transformation for excluded sectors of society in contemporary democracies With a focus on social rights litigation in post authoritarian regimes or in the context of fragile state control the authors assess the role of judicial processes in altering or perpetuating social and economic inequalities and power relations in society Drawing on interdisciplinary expertise in the fields of law political theory and political science the chapters address theoretical debates and present

empirical case studies to examine recent trends in social rights litigation

Global Child Poverty and Well-Being

Minujin, Alberto, Nandy, Shailen, 2013-01-28 Child poverty is a central and present part of global life with hundreds of millions of children around the world enduring tremendous suffering and deprivation of their most basic needs Despite its long history research on poverty and development has only relatively recently examined the issue of child poverty as a distinct topic of concern This book brings together theoretical methodological and policy relevant contributions by leading researchers on international child poverty With a preface from Sir Richard Jolly Former Assistant Secretary General of the United Nations it examines how child poverty and well being are now conceptualized defined and measured and presents regional and national level portraits of child poverty around the world in rich middle income and poor countries The book's ultimate objective is to promote and influence policy action and the research agenda to address one of the world's great ongoing tragedies child poverty marginalization and inequality
