**Tantra Made Easy** Shashi Solluna,2018 An introductory guide to the sacred sexuality practices of Tantra and how you can weave them together to create wholeness in your life Tantra is often described as the path of love or the way of the heart It is a spiritual path that brings apparent opposites into unity so that life can flow with ease Sexuality is fused with spirituality masculine with feminine playfulness with depth and the dark shadows of the psyche with the light of conscious awareness And the catalyst for this union is love In this book sacred sexuality teacher Shashi Solluna explains how Tantric practices can help you become fully alive and move from sex to spirit and from spirit to sex in a creative dance of life You will learn the philosophy of Tantra as a spiritual path different ways to explore your own sexuality techniques to open your heart and cultivate sacred relationships how to activate your sexual energy and experience a richer more fulfilling sex life how to unite the physical with higher spiritual consciousness through intimacy sensuality and orgasm This title was previously published under the title Tantra Hay House Basics series **The Death and Resurrection of Tantra** Rouge

Lawson,2011-02-15 This book is based on the real life lessons of the author The author is using a Pin Name in order to cover the identities of the people involved for their protection yet the lessons presented here are important for people to understand and at times shocking as it goes against standard dogma perpetrated by the religions and indoctrination of society that has taken us away from the spiritual pathways by creating religions to replace the spiritual understandings of our essences Tantra for the West Marc Allen,2015-05-08 A Direct Path to Living the Life of Your Dreams What does tantra have to do with your relationships work money creativity sex food and drink being alone meditation and yoga aging and healing politics freedom and enlightenment Everything Tantra is usually thought of as sex with some kind of mysticism thrown in Marc Allen goes back to the original meaning of tantra and shows how it can be applied to every moment of your life excluding nothing Tantra for the West is filled with ancient and modern principles and practices that help you use all your experiences as part of your mental emotional and spiritual growth Within your way of life whatever it may be within your everyday thoughts and feelings within your fantasies and dreams are the keys to love freedom and fulfillment As soon as you can see this you will find yourself on a direct path to realizing the life of your dreams This highly acclaimed book has inspired readers all over the world for over thirty years and is now completely revised with new material added It gives you simple keys and practical tools that can be wildly creatively adapted to your individual needs If you spend even a brief amount of time with this book you will discover for yourself the transformative power of tantra The Goddess in Hindu-Tantric Traditions Anway Mukhopadhyay,2018-04-20 The Great Goddess in her various puranic and tantric forms is often figured as sitting on a corpse which is identified as Shiva as shava God Shiva the consort of the Devi and an iconic representation of the

Absolute without attributes the Nirguna Brahman Hence most of the existing critical works and ethnographic studies on Shaktism and the tantras have focused on the theological and symbolic paraphernalia of the corpses which operate as the asanas seats of the Devi in her various iconographies This book explores the figurations of the Goddess as corpse in several Hindu puranic and Shakta tantric texts popular practices folk belief systems legends and various other cultural phenomena based on this motif It deals with a more intricate and fundamental issue than existing works on the subject how and why is the Devi herself figured as a corpse in the Shakta texts belief systems and folk practices associated with the tantras The issues which have been raised in this book include how does death become a complement to life within this religious epistemology How does one learn to live with death thereby lending new definitions and new epistemic and existential dimensions to life and death And what is the relation between death and gender within this kind of figuration of the Goddess as death and dead body Analysing multiple mythic narratives hymns and scriptural texts where the Devi herself is said to take the form of the Shava the corpse as well as the Shakti who animates dead matter this book focuses not only on the concept of the theological equivalence of the Shava Shiva as corpse and the Shakti Energy in tantras but also on the status of the Divine Mother as the Great Bridge between the apparently irreconcilable opposites the mediatrix between Spirit and Matter death and life existence in stasis and existence in kinesis This book makes an important contribution to the fields of Hindu Studies Goddess Spirituality South Asian Religions Women and Religion India Studies in Shaktism and Tantra Cross cultural Religious Studies Gender Studies Postcolonial Spirituality and Ecofeminism
