Tantric Quest An Encounter With Absolute Love:

Tantric Quest Daniel Odier, 1997-04-01 The author reveals his passionate experiences with a female Tantric master who taught him the suppressed practices of her ancient order In 1968 Daniel Odier left Europe for the Himalayas searching for a master who could help him go where texts and intellectual searching could no longer take him He wanted everything the wisdom and spirituality gained from the life of an ascetic and the beauty love and sensuality of a life of passion He found both in Shivaic Tantrism the secret spiritual path that seeks to transcend ego and rediscover the divine by embracing the passions In an isolated Himalayan forest Odier met Devi a great yogini who would take him on a mystical journey like none he had ever imagined At times taking him beyond the limits of sexual experience at times threatening him with destruction she taught him what it is to truly be alive and to know the divine nature of absolute love This is the personal memoir of one of France's most honored writers Tantrism is the only ancient philosophy to survive all historical upheavals invasions and influences to reach us intact by uninterrupted transmission from master to disciple and the only one to retain the image of the Great Goddess as the ultimate source of power

Vamachara commonly known as the Left hand Path but more accurately translated as the Path of Shakti In this tradition the body itself is Kali s temple and it is therefore unnecessary to reject or deny the body to know union with the divine Instead nothing is regarded as pure or impure and there is complete freedom from rules Focused on working directly with forbidden emotions and behaviors this path allows the seeker to transcend obstacles to liberation through sexual union According to the Kaula Upanishad In your behavior do the opposite to what the norms dictate but remain in consciousness This is the essence of Tantra Kali is absolute reality manifested as woman intoxicated by desire she frees the tantric practitioner from all desire except union with the divine The author includes an evocative ritual from the Nirrutara Tantra never before translated into any Western language containing devotions to the 64 yoginis according to Matsyendranath founder of the Kaula path Offering devotional chants meditations and mudras specific to Tantric worship of Kali this empowering book provides practices and teachings for those on the Tantric path to liberation

The Complete Yoga of Emotional-Sexual Life

Avatar Adi Da Samraj,2008-10-16 The core practices of the emotionally and sexually balanced teachings on love intimacy and sexual relationships from the Realized Master Avatar Adi Da Samraj Teaches how to overcome the emotional patterning that hinders healthy sexual relationships Presents a solitary yogic discipline to restore the bipolar integrity of the individual Shows how to entirely transcend emotional sexual patterns In all the domains of human life we now understand the need for an integration of body mind and spirit But despite this comprehension of the holistic nature of existence much of the teaching offered on sexuality even sacred sexuality concentrates on the physical practice to the detriment of emotional intimacy Avatar Adi Da Samraj explains that our emotional sexual life can only be made right through the process of restoring the bipolar balance of the body and by transcending the ego the illusory sense of separate existence He advocates that sexual practice initially become a solitary yogic discipline an embracing and reclaiming of one s own body to restore the bipolar integrity that is at the core of every human being Once this bipolar integrity is established he shows how a sexual practice of true intimacy free of clinging attachment is possible He also teaches that an unconscious early childhood reaction to the mother and father governs the emotional sexual life a reaction that must be understood and transcended The emotional sexual practices taught by Avatar Adi Da are centered in the understanding that love breaks the heart and show that learning how to have intimacy without ego based attachment is where profound practice begins
