**Tapestries of Hope, Threads of Love** Marjorie Agosín, 2007-10-10

**Tapestries of Hope, Threads of Love** tells the story of ordinary women living in terror and extreme poverty under General Pinochet's oppressive rule in Chile 1973-1989. These women defied the military dictatorship by embroidering their sorrow on scraps of cloth using needles and thread as one of the boldest means of popular protest and resistance in Latin America. The arpilleras they made patchwork tapestries with scenes of everyday life and memorials to their disappeared relatives were smuggled out of Chile and brought to the world the story of their fruitless searches in jails, morgues, government offices and the tribunals of law for their husbands, brothers and sons. Marjorie Agosín herself a native of and exile from Chile has spent more than thirty years interviewing the arpilleristas and following their work. She knows their stories intimately and knows too that none of them has ever found a disappeared relative alive. Even though the dictatorship ended in 1989 and democracy returned to Chile no full account of the detained and disappeared has ever been offered. Still many women maintain hope and continue to make arpilleras both in memory and as art. This new edition of the book updated for students includes a reaction to the death of General Pinochet, a chronology of Chile, several new testimonies from arpilleristas in their own words and an introduction by Peter Kornbluh. It retains a section of full color plates of arpilleras, an afterword by Peter Winn and a foreword by Isabel Allende. Students and interested readers will find the arpilleras beautiful, moving and ultimately hopeful and the testimonies a powerful way to learn about the history of contemporary Latin America and the arpillera movement in Chile.

**Tapestries of Hope, Threads of Love** Marjorie Agosín, 1996. This book tells the story of ordinary women living in terror and extreme poverty under General Pinochet's oppressive rule in Chile 1973-89 and how their lives did and did not change following his reign. These women defied the military dictatorship by embroidering their sorrow on scraps of cloth and using their needles and thread as one of the boldest means of popular protest and resistance in Latin America. The arpilleras they made patchwork tapestries with scenes of everyday life and memorials to their disappeared relatives were smuggled out of Chile and brought to the world the story of their fruitless searches in jails, morgues, government offices and the tribunals of law for their husbands, brothers and sons. Marjorie Agosín herself a native of and exile from Chile has spent over twenty years interviewing the arpilleristas and following their work. She knows their stories intimately and knows too that not one of them has ever found a disappeared relative alive. Still many of them maintain hope and continue to make their arpilleras. Even though the dictatorship ended in 1989 and democracy returned to Chile no full account of the detained and disappeared has ever been offered. This book includes a history of the women's movement, testimonies from the women in their own words and for the first time full color plates of their beautiful, moving and ultimately hopeful arpilleras. Anyone interested in the history of contemporary Latin America will want to read this powerful story.

Isabel Allende garnered immediate attention and international acclaim with the 1982 publication of *House of Spirits*. Allende drew favorable comparisons to male Latin American writers who were dominating a boom movement that mixed political and magical themes. Yet her engaging epic became a bestseller based on its artistic merit, regardless of gender issues, and her ensuing output of fiction and nonfiction continued to establish her esteemed place in the literary ranks. This *Critical Companion* introduces readers to Allende's writings with accessible literary analysis of her six novels, featuring discussions of plot, character development, thematic concerns, and style, historical contexts, and alternative critical perspectives. A fascinating biographical chapter traces Allende's journey from wife, mother, and journalist in Chile to internationally acclaimed author. Her life story, as stimulating as her novels, offers students and readers a better understanding of the historical and political forces that informed her work. The *Literary Heritage* chapter provides will deepen readers' appreciation for Allende's contributions to and place in the Latin American literary tradition. This book is an empirical account of political learning in social movements based on a study of a women's movement in Arica, Chile. In the first part of the book, the author tells the story of how the women of Arica organized to oppose the Chilean dictator Augusto Pinochet. This gripping narrative, told through the women's own words and experiences, paints a graphic picture of their courage and determination. The second part focuses on the political learning and educational processes that emerged from this narrative. The author explores three key themes: political consciousness, social movement praxis, and how participation in social movements changes lives. She concludes by discussing the role of adult education in social movements. The book is illustrated with images from the struggle. Book Jacket
