Clarke, Tania Messell, 2022-01-13 This innovative volume brings together international design scholars to address the history and present day status of national and international design organizations working across design disciplines and located in countries including Argentina Turkey Estonia Switzerland Italy China and the USA In the second half of the 20th century many non governmental organizations were created to address urgent cultural economic and welfare issues Design organizations set out to create an international consensus for the future direction of design This included enhancing communication between professionals educators and practitioners raising standards for design and creating communities of designers across linguistic national and political borders Shared needs and agendas were identified and categories of design constantly defined and re defined often with overt cultural and political intents Drawing on an impressive range of original research archival sources and oral testimony this volume questions the aims and achievements of national and international design organizations in light of their subsequent histories and their global remits The Cold War period is central to the book while many chapters draw on post colonial perspectives to interpret how transnational networks and negotiations took place at events and congresses and through publication **Sourcebook of Scandinavian Furniture** Judith Gura, 2007 CD ROM contains printable JPEG files of all the images in the book **Design from Scandinavia** , 2006 **Interior Design Masters** Mark Hinchman, Elyssa Yoneda, 2018-06-27 Interior

Design Masters contains 300 biographical entries of people who have significantly impacted design. They are the people historical and contemporary that students and practitioners should know. Coverage starts in the late Renaissance with a focus on the twentieth and twenty-first centuries. The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide. The seventeenth and eighteenth-century section covers figures from Thomas Chippendale to Horace Walpole. The nineteenth-century section includes William Morris and Candace Wheeler. The early twentieth-century section presents modernism's design heroes including Marcel Breuer, Eileen Gray, and Gilbert Rohde. The post-World War II designers range from Madeleine Castaing to Raymond Loewy. The final contemporary section includes Ron Arad and the Bouroullec brothers. These are the canonical figures who belong to any design history. The book also contains less well-known figures who deserve attention such as Betty Joel, the British art deco furniture designer Paul Veyseyre, the Frenchman active in China in the 1930s, and more recently Lanzavecchia Wai, the Italian-Singaporean duo whose work ranges from health care to helicopters. Global in its coverage, the book is richly illustrated with over 600 black and white and color photographs.

Dictionary of Furniture Charles Boyce, 2014-01-02 In a comprehensive listing of entries from Aalto Hugo Alvar Henrik to Zui Weng Yi, Boyce illuminates readers about furniture styles, construction details, terminology, furniture designers, and design movements throughout history and throughout the world. Styles covered include European inspired, classical, baroque, pop, rococo, and modernist. This extensive guide will be helpful for furniture enthusiasts, historians, and those interested in redecorating their homes.

Furniture Judith Miller, 2005-09-19 Whether you want to identify, date, or evaluate your own pieces, *Furniture* is the only comprehensive full-color reference guide for you. Judith Miller gives a global overview that spans the last 3,000 years of design, guaranteed to turn any amateur into a furniture buff. *Furniture* defines decorative motifs of key periods with over 3,500 photographs of every style and form. This eBook also includes profiles of influential designers, craftsmen, and key movements.
