

when the earl served the king in the marches of Wales, when he returned from abroad, and when he owed a debt to the Jews. In many of the entries the payments are said to be *gratis* or *bona voluntate*, which indicates that they were gracious or voluntary aids granted by the tenants. For one of the levies the earl had the king's writ, but the payment nevertheless was *gratis*. This right of free tenants to consent to aids does not receive sufficient attention in his discussion of aids. He conveys the impression that royal writs addressed to knights and tenants with regard to the payment of aids to their lords were mandatory in the reigns of John and Henry III (pp. 144, 145). Some of John's writs were in this form, but those of Henry III customarily requested payment. His estimate of the value of aids to a baron is thereby rendered questionable for the period before 1275. Since a baron in this period might ask his tenants for an aid on a variety of occasions, as is shown by the aids of the earl of Arundel and by writs in the patent rolls of Henry III, the assumption that "an aid could not ordinarily be asked more than three times in a generation" (p. 148) seems unwarranted.

A general estimate of the value of the study must take account of the author's purpose, which was to produce "a broad preliminary survey even if many of its conclusions must be tentative" (p. 12). In my opinion he has done more than this. He presents much new material and many new points of view with regard to information previously available. There is hardly any aspect of the subject which is not enriched thereby. Many of his conclusions appear to be sound. Those which are tentative because not all the evidence has been explored should serve to promote Mr. Painter's hope that they may stimulate further research. If such investigations should be made, they might confirm or modify some aspects of his synthesis, but they are not likely to supersede it.

Haverford College

W. E. LUNT

The Tariff Reform Movement in Great Britain, 1881-1895. By Benjamin H. Brown. New York: Columbia University Press, 1943. Pp. xi, 170. \$2.50.

The tariff reform movement was a forerunner of two revolutions, the "parliamentary revolution" of 1906 and the revolution in British economic policy in the 1930's. Mr. Brown's short monograph is therefore more significant than most first fruits of graduate study; his subject is of intrinsic importance. The virtues of the book derive from this fact, and the shortcomings from a failure to explain its full implications.

Mr. Brown is thoroughly at home in his material, and handles it with an ease which conceals the difficulties of organization. His plan is topical rather than chronological: an introductory chapter on origins, and then four on the reform movement in relation respectively to labor, the Conservative party, imperialism, and industry and agriculture. This arrangement is logical, but not wholly satisfying. It obscures the fact that the fair-trade movement had two basic compo-

Tariff Reform Movement In Great Britain 1881 1895 The

David Kirk

Tariff Reform Movement In Great Britain 1881 1895 The:

The Top Books of the Year
Tariff Reform Movement In Great Britain 1881 1895 The
The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Let's delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year.

Tariff Reform Movement In Great Britain 1881 1895 The : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
