## **Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871:**

**Tarnished Expansion** Paul S. Holbo, [Tarnished Expansion](#) Paul Sothe Holbo,1983-01-01 **The Age of Reconstruction** Don H. Doyle,2024-06-11 John Wilkes Booth fired his fatal shot on the evening of April 14 1865 and as the news reached nearly every corner of the globe President Abraham Lincoln lay dying Pervasive sympathy for America and the martyred Lincoln provoked restless agitation for democratic reform on both sides of the Atlantic While most readers are familiar with Reconstruction as a deeply contested domestic struggle Viva Lincoln The Legacy of the Civil War and the New Birth of Freedom Abroad by historian Don H Doyle explains how the Union victory helped drive European imperialism from the Americas bring slavery to an end in Latin America and spark a wave of democratic reforms in Europe The 1860s proved to be a crucial decade in the history of democracy While Reconstruction reforms were implemented to establish the American South on firm republican principles internationally a contagious flurry of democratic reforms and revolutions in Britain Spain France and Italy made democracy the wave of the future However by the end of the nineteenth century Doyle argues the United States had forsaken the main achievements of Reconstruction as new theorists and politicians reconciled democratic principles and white supremacy in the new Jim Crow era The United States once a model of democratic reform became a model for mass segregation racialized disenfranchisement and immigration restriction Grounded in extensive diplomatic correspondence US and foreign legislative debates international newspapers and hundreds of speeches memoirs biographies contemporary books and pamphlets Viva Lincoln will be the first general interest global history of Reconstruction from Lincoln s assassination to Jim Crow [Dissenting Voices in America's Rise to Power](#) David Mayers,2007-02-15 This book offers a major rereading of US foreign policy from Thomas Jefferson s purchase of Louisiana expanse to the Korean War This period of one hundred and fifty years saw the expansion of the United States from fragile republic to transcontinental giant David Mayers explores the dissenting voices which accompanied this dramatic ascent focusing on dissenters within the political and military establishment and on the recurrent patterns of dissent that have transcended particular policies and crises The most stubborn of these sprang from anxiety over the material and political costs of empire while other strands of dissent have been rooted in ideas of exigent justice realpolitik and moral duties existing beyond borders Such dissent is evident again in the contemporary world when the US occupies the position of preeminent global power Professor Mayers s study reminds us that America s path to power was not as straightforward as it might now seem **The Press Gang** Mark Wahlgren Summers,2018-08-25 Relations between the press and politicians in modern America have always been contentious In The Press Gang Mark Summers tells the story of the first skirmishes in this ongoing battle Following the Civil War independent newspapers began to separate themselves from partisan control and assert direct political influence The first investigative journalists uncovered genuine scandals such as those involving the Tweed Ring but their standard practices were often sensational as editors and reporters made their reputations by destroying political figures not by carefully

uncovering the facts Objectivity as a professional standard scarcely existed Considering more than ninety different papers Summers analyzes not only what the press wrote but also what they chose not to write and he details both how they got the stories and what mistakes they made in reporting them He exposes the peculiarly ambivalent relationship of dependence and distaste among reporters and politicians In exploring the shifting ground between writing the stories and making the news Summers offers an important contribution to the history of journalism and mid nineteenth century politics and uncovers a story that has come to dominate our understanding of government and the media *A Failed Vision of Empire* Daniel J. Burge,2022-05 Since the early twentieth century historians have traditionally defined manifest destiny as the belief that the United States was destined to expand from coast to coast This generation of historians has posed manifest destiny as a unifying ideology of the nineteenth century one that was popular and pervasive and ultimately fulfilled in the late 1840s when the United States acquired the Pacific Coast However the story of manifest destiny was never quite that simple In *A Failed Vision of Empire* Daniel J Burge examines the belief in manifest destiny over the nineteenth century by analyzing contested moments in the continental expansion of the United States arguing that the ideology was ultimately unsuccessful By examining speeches plays letters diaries newspapers and other sources Burge reveals how Americans debated the wisdom of expansion challenged expansionists and disagreed over what the boundaries of the United States should look like *A Failed Vision of Empire* is the first work to capture the messy complicated and yet far more compelling story of manifest destiny's failure debunking in the process one of the most pervasive myths of modern American history *The Isolated Presidency* Jordan T. Cash,2023-10-03 How powerful is the President of the United States In *The Isolated Presidency* Jordan T Cash re frames this question to instead ask what authority is available to all presidents Drawing on the Constitution itself Cash argues that the presidency possesses an internal logic derived from its structure duties and powers which not only grants the president a unique institutional perspective but also provides the president with considerable agency and discretion in pursuing his agenda Through three case studies of isolated presidents presidents who were unelected faced divided government and were opposed by major factions of their own political parties Cash provides lessons and examples of what constitutionally derived actions a president can take when confronted with the recurring issues of divided government and political gridlock *A Companion to the Reconstruction Presidents, 1865 - 1881* Edward O. Frantz,2014-03-24 *A Companion to Reconstruction Presidents* presents a series of original essays that explore a variety of important issues themes and debates associated with the presidencies of Andrew Johnson Ulysses S Grant and Rutherford B Hayes Represents the first comprehensive look at the presidencies of Johnson Grant and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president's political career foreign policy domestic policy military history and social context of their terms in office *The Myth of American Diplomacy* Walter L. Hixson,2008-10-01 In this major reconceptualization of the history of U S

foreign policy Walter Hixson engages with the entire sweep of that history from its Puritan beginnings to the twenty first century s war on terror He contends that a mythical national identity which includes the notion of American moral superiority and the duty to protect all of humanity has had remarkable continuity through the centuries repeatedly propelling America into war against an endless series of external enemies As this myth has supported violence violence in turn has supported the myth The Myth of American Diplomacy shows the deep connections between American foreign policy and the domestic culture from which it springs Hixson investigates the national narratives that help to explain ethnic cleansing of Indians nineteenth century imperial thrusts in Mexico and the Philippines the two World Wars the Cold War the Iraq War and today s war on terror He examines the discourses within America that have continuously inspired what he calls our pathologically violent foreign policy The presumption that as an exceptionally virtuous nation the United States possesses a special right to exert power only encourages violence Hixson concludes and he suggests some fruitful ways to redirect foreign policy toward a more just and peaceful world

**The The Longest Boundary: How the US-Canadian Border's Line came to be where it is, 1763-1910 (Consolidated edition)** John Dunbabin,2024-04-25 A consolidated eBook of Volume one and Volume two of The Longest Boundary by John Dunbabin These volumes are firmly based on primary sources but written in a way that should appeal to the general reader as much as to specialised historians Its chief actors are politicians and administrators but there is a range of others extending from First Nations chiefs to goldminers railway entrepreneurs prophets and policemen In the concluding chapter the book s general historical approach is supplemented by assessment of the main perspectives of international relations theory Finally attention is drawn to small anomalies created by the boundary line

**The Reconstruction Era** Donna L. Dickerson,2003-12-30 As the sole purveyors of news and opinion Reconstruction era newspapers bent and spindled American public opinion with little regard for independent journalism and great regard for party politics In other words the newspapers of the Reconstruction era served political rather than social needs The issues facing the nation were momentous and opinions on how to deal with the problems were vigorously presented and defended Using editorials letters essays and news reports that appeared throughout the country s print media this book reveals how editors politicians and other Americans used the press to influence opinion from 1865 to 1877 Issues such as civil rights constitutional amendments a presidential impeachment Indian wars immigration and political corruption dominated the newspapers and gave journalists opportunities to advance their agendas Each of the 30 chapters of this book introduces an event or issue and includes news articles representing opposing sides of the issue as it affected Americans Readers can use the introductory essays and primary source documents to understand how newspapers and magazines presented vital events and issues to Americans of the day This invaluable reference source presents hard to find opinions in the words of those who wrote them

**American Discord** Lesley J. Gordon,Megan L. Bever,Laura Mammina,2020-05-20 A panoramic collection of essays written by both established and emerging scholars American Discord examines critical aspects of the Civil War era

including rhetoric and nationalism politics and violence gender race and religion Beginning with an overview of the political culture of the 1860s the collection reveals that most Americans entered the decade opposed to political compromise Essays from Megan L Bever Glenn David Brasher Lawrence A Kreiser Jr and Christian McWhirter discuss the rancorous political climate of the day and the sense of racial superiority woven into the political fabric of the era Shifting focus to the actual war Rachel K Deale Lindsay Rae Privette Adam H Petty and A Wilson Greene contribute essays on internal conflict lack of compromise and commitment to white supremacy Here contributors adopt a broad understanding of battle considering environmental effects and the impact of the war after the battles were over Essays by Laura Mammina and Charity Rakestraw and Kristopher A Teters reveal that while the war blurred the boundaries it ultimately prompted Americans to grasp for the familiar established hierarchies of gender and race Examinations of chaos and internal division suggest that the political culture of Reconstruction was every bit as contentious as the war itself Former Confederates decried the barbarity of their Yankee conquerors while Republicans portrayed Democrats as backward rubes in need of civilizing Essays by Kevin L Hughes Daniel J Burge T Robert Hart John F Marszalek and T Michael Parrish highlight Americans continued reliance on hyperbolic rhetoric American Discord embraces a multifaceted view of the Civil War and its aftermath attempting to capture the complicated human experiences of the men and women caught in the conflict These essays acknowledge that ordinary people and their experiences matter and the dynamics among family members friends and enemies have far reaching consequences

**The Diplomacy of Trade and Investment** David M. Pletcher, 1998 Based on a thorough examination of government documents congressional debates and reports private papers of government and business leaders and newspapers David M Pletcher begins this monumental study with a comprehensive survey of U S trade following the Civil War He goes on to outline the problems of building a coherent trade policy toward Canada Mexico Central America the Caribbean and South America The study concludes by analyzing a series of abortive trade reform efforts and examining the effects of the Spanish American War Pletcher rejects the long held belief that American business and government engaged in a deliberate consistent drive for economic hegemony in the hemisphere during the late 1800s Instead he finds that the American government improvised and experimented with ways to further trade expansion

**A Handbook Of American Diplomacy** Jerry K. Sweeney, 2020-07-09 This work is concerned with the diplomatic history of the United States since the first settlers set foot on the shores of the continent It is a handbook to serve a general public interested in American diplomacy as well as students engaged in course work in that area

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests

of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

**An Alaska Anthology** Stephen W. Haycox, Mary Childers Mangusso, 2011-06-01 Alaska with its Indian Eskimo and Aleut heritage its century of Russian colonization its peoples formidable struggles to wrest a living or a fortune from the North's isolated and harsh environment and its relatively recent achievement of statehood has long captured the popular imagination In *An Alaska Anthology* twenty five contemporary scholars explore the region's pivotal events significant themes and major players Native Russian Canadian and American The essays chosen for this anthology represent the very best writing on Alaska giving great depth to our understanding and appreciation of its history from the days of Russian American Company domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians Readers may be familiar with an earlier anthology *Interpreting Alaska's History* from which the present volume evolved to accommodate an explosion of research in the past decade While a number of the original pieces were found to be irreplaceable more than half of the essays are new The result is a fresh perspective on the subject and an invaluable resource for students teachers and scholars

**American Foreign Relations** Walter L. Hixson, 2015-10-08 *American Foreign Relations A New Diplomatic History* is a compelling narrative history of American foreign policy from the early settlement of North America to the present In addition to economic and strategic motives Walter L Hixson integrates key cultural factors including race gender and religion into the story of American foreign policy He demonstrates how these factors played a vital role in shaping the actions of the United States in world affairs Beginning with the history of warfare and diplomacy between indigenous peoples and Europeans before the establishment of the United States this book shows the formative influence of settler colonialism on the country's later foreign policy and the growth of American empire Clearly written and comprehensive the book features Extensive illustrations with over 100 images and maps Primary documents in each chapter showcasing the perspectives of historical actors *Interpreting the Past* features that explore how historians' understanding of events has changed over time Selected bibliographies of key resources for further research in each chapter In one concise volume *American Foreign Relations* covers the full sweep of American foreign policy from the colonial period to the present day It is an essential introduction for anyone seeking to understand the history of America's role in the world

**The Ordeal of the Reunion** Mark Wahlgren Summers, 2014 *Ordeal of the Reunion A New History of Reconstruction*

**Yukon** Melody Webb, 1993 Covering vast distances in time and space *Yukon The Last Frontier* begins with the early Russian fur trade on the Aleutian Islands and closes with what Melody Webb calls the technological frontier Colourful and impeccably researched her history of the Yukon Basin of Canada and Alaska shows how much and how little has changed there in the last two centuries Successive waves of traders trappers miners explorers soldiers missionaries settlers steamboat pilots road builders and aviators have come to the Yukon bringing economic and social changes but the immense land remains virtually untouched by

permanent intrusions      The History of American Foreign Policy: v.1: To 1920 Jerald A Combs, 2015-01-28 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This edition includes an all new chapter on the George W Bush presidency 9 11 and the war in Iraq The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves The new edition also provides expanded coverage of the role of cultural and intellectual factors in setting up the problems faced by U S policy makers as well as new materials on globalization and the War on Terror

Yeah, reviewing a books **Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871** could mount up your near associates listings. This is just one of the solutions for you to be successful. As understood, ability does not suggest that you have astonishing points.

## **Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 Introduction**

In today's digital age, the availability of Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tarnished Expansion The Alaska Scandal The Press And Congress 1867

1871 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 Books**

1. Where can I buy Tarnished Expansion The Alaska Scandal The Press And Congress 1867 1871 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
