Kama Sutra Amelia Reid,2020-05-11 Do you find your sex life boring Do you want to explore more positions and know the benefits Kama Sutra If the answer is yes then this book is the right book for you The word Kama is one that means pleasure but can also be translated as desire or longing There is a sexual connotation associated with the word meaning it is more to do with sexual pleasure and desire than with the pleasures of life or desire for material goods but that doesn't mean that the Kama Sutra as a whole is limited to only sexual pleasure

Sutra on the other hand translates to verse or scripture When you put these words together you get the translation of Scripture of Pleasure but there are many variations on how you can literally translate this There are a lot of complex errors and false moral prohibitions on the way to sexual harmony and freedom And this is not surprising because we are all people of Western culture Meanwhile Eastern attitude to sensual love is radically different from the sexual culture of the West In Hinduism the body and spiritual life sexuality and religiosity were initially considered to be the whole unit All the ancient oriental treatises on the art of love were devoted to the spiritual side of sex and the Kama Sutra is perhaps one of the most famous Today the Kama Sutra is an inspiring guide for millions of couples helping them learn how to control their mind and body emotions and passion allowing them to find freedom and harmony in intimate life In this book we will tell you what the Kama Sutra is what place takes love and intimacy in it We will also look at some topics such as Foreplay and Flirting which will open to you many practical techniques for maintaining increased sensual attraction By reading this book you will find a complete arsenal of all sexual positions presented in the Kama Sutra This book covers For Beginners and Advanced Easy Positions Special Sex Positions Man Dominates Positions Woman Dominates Positions Intermediate Sex Positions Sex Positions For Maximum Intimacy Advanced Sex Positions Benefits Of Kama Sutra Foreplay and Sex Orgasm And much more We want to introduce readers to magical sexual rituals techniques for delaying orgasm oral sex and other aspects of sexuality Our goal is to convey the knowledge that is contained in the Kama Sutra in a simple and clear language in a form fully adapted to the perception of the person of our day Step by step our book examines all the natural steps of sexual intercourse between a man and a woman from the first kisses and lovemaking to the secrets of an incredible orgasm The diversity of techniques and methods included in this book will not allow your relationship to turn into a routine Vice versa you can constantly discover more and more new sensations that have never been experienced before It will not be too hard to master these tricks and the outcome will exceed all your expectations So if you want to completely reveal your sexual potential and become a tireless amazingly inventive lover then this book is what you need **SCROLL UP AND BUY NOW**
