BURROUGHS,2018 **Tarzan the Untamed (Classic Reprint)** Edgar Rice Burroughs,2015-07-04 Excerpt from Tarzan the Untamed Hauptmann fritz schneider trudged wearily through the somber aisles of the dark forest Sweat rolled down his bullet head and stood upon his heavy jowls and bull neck His lieutenant marched beside him while Unterlieutenant von Goss brought up the rear following with a handful of askaris the tired and all but exhausted porters whom the black

soldiers following the example of their white officer encouraged with the sharp points of bayonets and the metal shod butts of rifles There were no porters within reach of Hauptmann Shneider so he vented his Prussian spleen upon the askaris nearest at hand yet with greater circumspection since these men bore loaded rifles and the three white men were alone with them in the heart of Africa Ahead of the Hauptmann marched half his company behind him the other half thus were the dangers of the savage jungle minimized for the German captain At the forefront of the column staggered two naked savages fastened to each other by a neck chain These were the native guides impressed into the service of Kultur and upon their poor bruised bodies Kultur s brand was revealed in divers cruel wounds and bruises Thus even in darkest Africa was the light of German civilization commencing to reflect itself upon the undeserving natives just as at the same period the fall of 1914 it was shedding its glorious effulgence upon benighted Belgium It is true that the guides had led the party astray but this is the way of most African guides About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
