illustrated collectible and up to date All smokers know that cigarettes are dangerous Each one is a dance with death and the defiant smoker will say that therein lies its charm So each puff is an existential gesture an assertion of choice and life in the face of death One day the last cigarette on earth will be smoked One final puff will be sent heaven bound leaving a lingering evanescent smoke ring And the wise of this world will rejoice Because logic demands that mankind is rid of this pernicious poison And wasn't that well known logician Adolf Hitler the most virulent opponent of cigarette smoking in the last century Until then read this book **The Autobiography** Frank O'Connor, 2014-08-12 Frank O'Connor's acclaimed autobiography now in one volume When Frank O'Connor was born his parents Minnie O'Connor a former maid raised in an orphanage and Michael O'Donovan a veteran of the Boer War and the drummer in a local brass and reed band lived above a sweet and tobacco shop in Cork Ireland The young family soon moved however to a two room cottage at the top of Blarney Street a lane that originates as O'Connor so vividly describes it near the river bank in sordidness and ascends the hill to something like squalor From this unlikely beginning a poor boy born Michael Francis Xavier O'Donovan set out on the remarkable journey that transformed him into Frank O'Connor one of Ireland's greatest writers *An Only Child* the first installment of O'Connor's wonderfully evocative autobiography captures the joy and pain of his early years joy in the colorful people and places of Cork and in his devoted relationship with his mother pain in the family's impoverished situation and in his father's melancholy moods and drunken outbursts Fifteen years old when he joins the Irish Republican Army in the fight for independence O'Connor finds himself on the losing side of the ensuing civil war and is imprisoned by the government of the new nation *My Father's Son* begins with his release from an internment camp and follows him to Dublin and the world renowned Abbey Theatre where he meets W.B. Yeats J.M. Synge and other members of the Irish Literary Revival and takes the first steps toward becoming one of the twentieth century's most beloved authors As richly detailed and eloquent as the best of his short fiction Frank O'Connor's autobiography is an entertaining portrait of a fascinating time and place and the inspiring account of a young artist finding his voice **Catalog of Copyright Entries.
