The Devil and Other Stories Leo Tolstoy,2003-07-10 It is impossible to explain why Yevgeny chose Liza Annenskaya as it is always impossible to explain why a man chooses this and not that woman This collection of eleven stories spans virtually the whole of Tolstoy s creative life While each is unique in form as a group they are representative of his style and touch on the central themes that surface in War and Peace and Anna Karenina Stories as different as The Snowstorm Lucerne The Diary of a Madman and The Devil are grounded in autobiographical experience They deal with journeys of self discovery and the moral and religious questioning that characterizes Tolstoy s works of criticism and philosophy Strider and Father Sergy as well as reflecting Tolstoy s own experiences also reveal profound psychological insights These stories range over much of the Russian world of the nineteenth century from the nobility to the peasantry the military to the clergy from merchants and cobblers to a horse and a tree Together they present a fascinating picture of Tolstoy s skill and artistry ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Tentative Selection from Best Books New York State Library,1912

Enchanted Maidens James M. Taggart,1990-02-04 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love In this book James Taggart presents dozens of orally transmitted tales including Snow White Cinderella Beauty and the Beast Blancaflor and dragonslayer stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them His study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their

culture which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them Taggart interprets the male female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller Men and women he finds carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love
