Clouds Nate Allen, 2012-02-22 What Grant Smith loses at seven is much more than his father He loses his faith his happiness his identity The years turn him into a man without reason At eighteen he is just as lost as when he was a child All he wants is happiness One day it is found in a cemetery in the form of a girl named Chelsea She is damaged much like him They fall in love Grant is a man haunted by things he has always avoided Despite a new sense of happiness he can't escape the darkness that was born within him It manifests in the form of a father now transformed by his own demons In a dream he frenetically claims happiness But the father with a monster attached mocks him for it The truth he doesn't want to face is that he is not happy Or if he is he fears it is only temporary And it is The war that started after 9 11 branches off into others the president who promised change is reelected a once bright future has become something bleak The Draft is put back into effect On a day when two explosions paint the sky in Baghdad Grant unleashes his darkness Every choice has a consequence His is unimaginable His father's death left him a man without reason The war leaves him a man changed for the worse He knows of his darkness He let it free And now it threatens to take away everything he loves

Why the Dean Is Dead William Urban,2013-05 Briarpatch College has all the problems of American higher education in the nineties at least as many as can be packed onto one small semirural campus Unfortunately Briarpatch also has had a multitude of other problems the administration would rather not admit In the last few years the academic dean has drowned the president has died suspiciously and one scandal after another has rocked the college all events allegedly instigated by the late dean Now with a new president in place and the college operating on a somewhat normal routine again no one has any idea that in just a short time the discovery of the librarian s body will upset everything and everyone Mirabel Gates was a person with no friends but also no particular enemies Consequently she appeared unlikely to be at the center of scandals that threaten President Flora Boater s plans to push the college off the bottom of the US News popularity poll As Professor Donahue and Chief Biggs begin investigating the librarian s death they begin to suspect once again that the late dean is somehow involved In this continuing mystery murders scandals and the complications of academic fads shake the foundation of a small college as everyone
