Dallam,2018-01-15 *Cowboy Christians* examines the long history of cowboy Christianity in the American West with a focus on the present day cowboy church movement Based on five years of historical and sociological fieldwork in cowboy Christian communities this book draws on interviews with leaders of cowboy churches traveling rodeo ministries and chaplains who serve horse racing and bull riding communities along with the author s first hand experiences as a participant observer Marie W Dallam traces cowboy Christianity from the postbellum period into the twenty first century looking at religious life among cowboys on the range as well as its representation in popular imagery and the media She examines the structure theology and perpetuation of the modern cowboy church and speculates on future challenges the institution may face such as the relegation of women to subordinate participant roles at a time of increasing gender equality in the larger society She also explores the cowboy Christian proclivity for blending the secular and the sacred in leisure environments like arenas racetracks and rodeos Dallam locates the modern cowboy church as a descendant of the muscular Christianity movement the Jesus movement and new paradigm church methodology *Cowboy Christians* establishes the religious significance of the cowboy church movement particularly relative to twenty first century evangelical Protestantism and contributes to a deeper understanding of the unique Christianity of the American West **The Gospel standard, or Feeble Christian's support** ,1847 **The Christian's Guide to Riches** Timothy Harris,2012-05 Do you dream of living debt free buying your own home

Empedocles Christian Carfax wants to be immortal Juliana Celeste a powerful but embittered French vampire has the gift he needs The exchange should be easy enough his blood relinquished for eternal life There s only one problem For over seventy years Juliana has endured the Sisyphean burden of The Thirst while watching as everyone and everything she loves has been lost to her Now the time has come to make her parents the vampires Callisto and Constantine pay for their theft by ridding the world of them and the scourge of their kin the Shroudeaters But no plan ever evolves as intended and as the competing desires of Juliana and Christian collide they will sacrifice lives loves and loyalties to gain the ultimate prize *An Universal History of Christian Martyrdom, Being a Complete and Authentic Account of the Lives, Sufferings, and Triumphant Deaths of the Primitive as Well as Protestant Martyrs ... Together with a Summary of the Doctrines, Prejudices, Blasphemies, and Superstitions of the Modern Church of Rome. Originally Composed by the Rev. John Fox, M.A. with Notes, Commentaries, and Illustrations by the Rev. J. Milner ... A New Edition, Greatly Improved and Corrected John Foxe,1837* *Religious Trauma* Brooke N. Petersen,2022-08-31 Through the rich stories of eight participants the author explores the psychological spiritual and ritual dimensions of religious trauma among queer people Drawing on current scholarship in the field of trauma studies the author makes a case for religious trauma as an important frame to understand the experiences of queer people in non accepting faith communities Though previous scholarship has limited the recovery from religious trauma to those who exit religious communities in this research the author analyzes participant stories to understand how queer people might find healing in accepting religious communities Using self psychology to understand the depth of trauma experienced in non accepting communities the author explores the experience of God and sexual identity within non accepting communities Through these narratives the author demonstrates the potential for post traumatic growth and life beyond conservative faith communities Petersen argues for a number of key recommendations for congregations and pastoral caregivers that seek to welcome those who have experienced religious trauma **Most Evil Is Done by Good People Who Do Not Know That They Are Not Good** Ferd L. Wagner,2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule

of God's law the letter of God's law and the spirit of God's law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth To Light a Fire and Other Short Stories Arran
