

The book cover features a photograph of a plate of food. On the plate is a piece of golden-brown, flaky food, possibly a slice of pizza or a turnover, topped with a green herb. Next to it is a salad of green leafy vegetables and sliced cucumbers. A silver fork is placed on the plate. In the background, there are glass bottles, one of which appears to contain olive oil. The title 'SO THIS IS KOSHER' is written in large, gold, serif capital letters across the top half of the image.

and he explores how other cultures have woven themselves into British society through the portal of food whether Anglo Indian fusion dishes like chicken tikka masala New British cuisine restaurants or the popular home cooked dish of spaghetti bolognese Panayi reveals how these changes in British cuisine shed light on the role of multiculturalism in the construction of modern British identity Britain is a diverse nation in which different peoples are united by willingness to sample the foods produced by other ethnic groups but those ethnic groups are at the same time ghettoized by not moving beyond their own culinary traditions A comprehensive and engaging investigation Spicing Up Britain serves up delicious new facets of food in Britain today Textbook for Transcultural Health Care: A Population Approach Larry D.
