Social Structure and Personality Yehudi A. Cohen, 1961 Collection of papers including paper by W Lloyd Warner separately annotated **Social Structure and Personality** Yehudi Aryeh Cohen, 1964 **Social Structure and Personality** Yehudi A. Cohen, 1964 **Fei Xiaotong and Sociology in Revolutionary China** R. David Arkush, 2020-03-17 This biographical study of one of China's leading social scientists follows his life history and includes a bibliography of his books and articles Trained in London under Malinowski Fei Xiaotong achieved eminence in the 1930s and 1940s for his pioneering studies of Chinese peasant life and for his popular articles which stirred a wide audience in China to an awareness of social and political problems A non Marxist who came to sympathize with the Communists Fei was gradually constrained in his activities after the Revolution until in the 1950s a massive propaganda campaign vilified him as a bourgeois rightist intellectual Almost twenty years of silence and disgrace followed Following the death of Mao Fei suddenly reemerged as a leader in the effort to revitalize the social sciences in China The story of Fei's life told here is in a sense the story of Westernized intellectuals in China at a time of peasant revolution His writings enunciate the views of a sensitive observer of Chinese and Western society during that period of dramatic change **Social Anthropology of Complex Societies** Michael Banton, 2013-10-08 This volume illustrates how much the study of social anthropologists has encompassed other non primitive societies rural Italy urban Africa village politics in India and the smaller ex colonial territories of Fiji and Mauritius are just some of the areas covered by the book The position and contribution of British community studies is also examined illustrating how micro sociology can be made relevant to macro sociology Originally published 1966 **Family Studies** Anuja Agrawal, 2024-10-31 Within the social political and economic contexts existing in modern day India family is neither a simple remnant of tradition nor a domain merely representing insulated private lives Rather it is implicated in malleable yet overpowering structures relationships and practices If the family is a crucial site of ideological and imaginative investments playing a critical role in reproducing and defining contemporary selves and societies families are responsive to and constrained by the complex dynamics in which they are enmeshed Family relationships remain fundamental to survival and security even as policy and legislative imperatives as well as reproductive and communication technologies play a crucial role in reshaping them Critically interrogating the extant approaches to and concepts within the study of family Family Studies brings together diverse contributions by scholars from varied backgrounds to focus upon issues central to the conceptualization of family and their implications for Indian society The chapters in this volume make a strong case for why family as an ideological construct and families as a multitude of lived relationships should continue to be subjects of critical social scientific attention **The Ways of Friendship** Amit Desai, Evan Killick, 2010 Originally presented at a workshop entitled The anthropology of friendship held at the London School of Economics in June 2006 Acknowledgments **A Pattern Language** Christopher Alexander, Sara Ishikawa, Murray Silverstein, 1977 Two hundred and fifty three archetypal

patterns consisting of problem statements discussions illustrations and solutions provide lay persons with a framework for engaging in architectural design **Friendship in the Classical World** David Konstan,1997-02-06 An examination of the nature of friendship in Greece and Rome from Homer to the Christian Roman Empire of fourth century AD Anthropology Raymond Scupin,Christopher R. DeCorse,2019-12-20 Now with SAGE Publishing Using state of the art research Anthropology A Global Perspective introduces students to the four core subfields of anthropology and applied anthropology Integrating material from each subfield this comprehensive text is founded on four essential themes the diversity of human societies the similarities that tie all humans together the interconnections between the sciences and humanities and a new theme addressing psychological essentialism Authors Raymond Scupin and Christopher R DeCorse demonstrate how anthropologists use research techniques and methods to help solve practical problems and show students how anthropology is relevant to improving human societies This supportive textbook is grounded in the belief that an enhanced global awareness is essential for people preparing to take their place in the fast paced interconnected world of the twenty first century The extensively revised Ninth Edition includes a new chapter on gender and sexuality features a dramatically new look with new photos and figures and has been updated to reflect the most recent findings in the field This title is accompanied by a complete teaching and learning package
